ARTICLE V
Covenant for Maintenance Assessments

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Areas.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be One Hundred Twenty-Five Dollars (\$125.00) per Lot, payable in annual installments.

- a. From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than 10% above the maximum annual assessment for the previous year without a vote of the membership.
- b. From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above 10% by a vote of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.
- c. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in an assessment year, a special assessment applicable to the year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3rds) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast Sixty Percent (60%) of all the votes of each class of membership shall

constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum of the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected annually, unless otherwise established by the Board.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of any such improved Lot to an Owner who is not one of the Declarants. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association or a designated agent of the association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall be deemed delinquent and shall bear interest from the date of delinquency at the rate of ten percent (10%) per annum. Should any assessment remain unpaid more than sixty (60) days after the due date, the Association may declare the entire unpaid portion of said assessment for said year to be immediately due and payable and thereafter delinquent. The Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien of such assessment against the property through proceedings in any court having jurisdiction of actions for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provided herein by abandonment of title or transfer of such Owner's Lot.

Section 9. Subordination of Assessments. The lien on the assessments provided for herein shall be subordinate to the lien of any first mortgage, and the holder of any first mortgage, on any Lot may rely on this provision without the necessity of the execution of any further subordination agreement by the Association. Sale or transfer of any Lot shall not affect the status or priority of the lien for assessments made as provided herein. The Association, if authorized by its Board of Directors, may release the lien of any delinquent assessments on any Lot as to which the first mortgage thereon is in default, if such Board of Directors determines that such lien has no value to the Association. No mortgagee shall be required to collect any assessments due. The Association shall have sole responsibility to collect all assessments due.

Section 10. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant or Declarant's construction company.

In this regard, Declarant intends that the Lots shall form a developed residential community with homes constructed of high quality materials. Section 7. No vehicle repairs, other than emergency repairs or repairs of a minimal nature needed to be performed to move a vehicle off the Properties, shall be allowed on the Properties. The Association is expressly authorized to tow away, at an offending owner's expense, any vehicle referred to in this Section which is in violation hereof or in violation of the rules and regulations governing parking as may be adopted by the Board of Directors. recreational purposes, vehicles primarily used for commercial purposes, or vehicles with commercial writings on their exterior shall be stored, allowed to remain, or parked in the subdivision, except in an area, if any, designated by the Board of Directors or except as otherwise permitted by the Declarant, or if the Declarant has released and relinquished this power, by the Association's Board of Directors.

No clothes line shall be permitted outside of any dwelling at any time.

Section 10. Exterior lighting installed on any Lot shall either be indirect or of such a controlled focus and intensity as not to disturb the residents of adjacent Lots. No fence shall be permitted to extend beyond the rear or back line of a main residential structure unless written approval is first obtained from the Declarant. No chain link fences or vinyl covered chain link fences shall be permitted. No hedges or mass planted shrubs shall be permitted more than ten (10) feet in front of the front building line. All produce or vegetable gardens shall be maintained only in rear yards.

The sidewalk shall be placed four (4) feet back of the street curb line and shall be constructed by the owner of the Lot prior to the time of completion of the main structure and before occupancy thereof.

Section 13. No livestock, fowl or poultry of any kind shall be permitted on any Lot. No more than a total of three dogs or cats (of any combination) shall be permitted on any Lot.

Section 14. Any exterior air conditioning condenser unit shall be placed in the rear yard or any side yards so as not to be visible from public view. No grass, weeds or other vegetation

will be grown or otherwise permitted to commence or continue, and no dangerous, diseased or otherwise objectionable shrubs or trees will be maintained on any Lot so as to constitute an actual or potential public nuisance, create a hazard or undesirable proliferation, or detract from a neat and trim appearance. Vacant Lots shall not be used for dumping of earth or any waste materials, and no vegetation on vacant Lots shall be allowed to reach a height in excess of twelve (12) inches.

Section 15. No structure of a temporary character, trailer, basement, tent, outbuilding or shack shall be erected upon or used on any Lot at any time, either temporarily or permanently. No structures, dwellings or modular housing improvements shall be moved from outside MANCHESTER RIDGE subdivision to any Lot.

In addition to the restrictions above, the Declarant and the Association shall have the right to make and to enforce reasonable rules and regulations governing the use of the Lots.

ARTICLE VII **Architectural Control**

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography, and in relation to other trees, shrubs and plantings, by the Declarant pursuant to the procedure set forth in Article VI, Section 3. No exterior painting shall be commenced upon the Properties except such painting as shall be approved by the Declarant. In the event the Declarant and the Board or the Board's designated committee fail to act upon such design and location within thirty (30) days after said plans and specifications have been submitted to the Declarant and to the Board or its committee, respectively, approval will not be required and this Article will be deemed to have been fully complied with. The Architectural Control referred to in this paragraph shall not be applicable to initial construction by any builder or Owner, provided that the plans and specifications of which have been approved by the Declarant. The Declarant may assign the right to architectural control under this Declaration at any time to the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board.

ARTICLE VIII **Insurance**

Section 1. Liability Insurance. The Association shall purchase and provide general liability coverage insurance in such amounts as shall be determined from time to time by the Board of Directors of the Association. The Association may provide liability coverage insurance for the Association's Officers, and members of the Board of Directors. In addition, the Association may purchase such additional insurance against other hazards that may be deemed appropriate by the Board of Directors.

Section 2. Annual Review of Policies. All insurance policies shall be reviewed at least annually by the Board of Directors in order to ascertain whether the coverage contained in the policies is sufficient.

ARTICLE IX
Utility, Pipeline and Other Easements

Section 1. A perpetual easement is hereby reserved in favor of and granted to the Omaha Public Power District, Qwest Corporation, and any company which has been granted a franchise to provide cable television system within the Lots, Metropolitan Utilities District, Peoples Natural Gas, and Sanitary and Improvement District No. 495 of Douglas County, Nebraska, their successors and assigns, to erect, operate, maintain, repair and renew buried or underground sewers, water and gas mains and cables, lines or conduits, and other electric and telephone utility facilities for the carrying and transmission of electric current for light, heat, and power and for all telephone and telegraph and message service and for the transmission of signals and sounds of all kinds including signals provided by a cable television system, and the reception on, over, through, under and across a five-foot (5') wide strip of land abutting all front and side boundary lot lines; an eight-foot (8') wide strip of land abutting the rear boundary lines of all lots; and a sixteen-foot (16') wide strip of land abutting the rear boundary lines of all exterior lots. The term exterior lots is herein defined as those lots forming the outer perimeter of the above-described addition. Said sixteen-foot (16') wide easement will be reduced to an eight-foot (8') wide strip when the adjacent land is surveyed, platted and recorded. A perpetual easement is further reserved for the Metropolitan Utilities District, Peoples Natural Gas, and the City of Omaha, their successors and assigns, to erect, install, operate, maintain, repair and renew pipelines, hydrants and other related facilities, and to extend thereon pipes for the transmission of gas and water on, through, under and across a five-foot (5') wide strip of land abutting all cul-de-sac streets; this license being granted for the use and benefit of all present and future owners of these Lots; provided, however, that such licenses and easements are granted upon the specific conditions that if any of such utility companies fail to construct such facilities along any of such Lot Lines within thirty-six (36) months of date hereof, or if any such facilities are constructed but are thereafter removed without replacement within sixty (60) days after their removal, then such easement shall automatically terminate and become void as to such unused or abandoned easement ways. No permanent buildings, trees, retaining walls or loose rock walls shall be placed in the said easement ways, but the same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforesaid uses or rights herein granted.

Section 2. In the event that ninety percent (90%) of all Lots within the subdivision are not improved within five (5) years after the date on which Qwest Corporation files notice that it has completed installation of telephone lines to the Lots in the subdivision (herein the "Subdivision Improvement Date"), then Qwest Corporation may impose a connection charge on each unimproved Lot in the amount of Four Hundred Fifty and no/100 Dollars (\$450.00). A Lot shall be considered as unimproved if construction of a permanent structure has not been commenced on a Lot. Construction shall be considered as having commenced if a footing inspection has been requested on the Lot in question by officials of the City or other appropriate governmental authority.

Should such charge be implemented by Qwest Corporation and remain unpaid, then such charge may draw interest at the rate of twelve percent (12%) per annum commencing after the expiration of sixty (60) days from the time all of the following events shall have occurred: (1) the Subdivision Improvement Date, and (2) Qwest Corporation sends the owner of record a written statement or billing for Four Hundred Fifty and no/100 Dollars (\$450.00) for each unimproved Lot.

ARTICLE X
General Provisions

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions contained herein, and all other such provisions shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended by the Declarant, or by any entity designated by the Declarant, in writing, in any manner which it may determine in its full and absolute discretion for a period of seven (7) years from the date that this Declaration is recorded with the Register of Deeds in which the Properties is located. In addition, this Declaration may be amended by an instrument signed by not less than seventy percent (70%) of the Lot Owners. Any amendment must be recorded.

Section 4. Annexation. Additional residential property may be annexed to the Properties at the Declarant's sole discretion.

Section 5. Declarant, or its successors or assigns, may assign all or in part of its rights under the Declaration to any entity, including but not limited to the Association. Declarant, or their successors or assigns, may terminate their status as Declarant under this Declaration, at any time, by filing a Notice of Termination of Status as Declarant.
