

AGREEMENT CONCERNING TELEPHONE FACILITIES
INSTALLED IN LAND DEVELOPMENTS AFTER JANUARY 27, 1986

This Agreement entered into by and between Northwestern
Bell Telephone Company (hereinafter "NWB"), and PACSETTER HOMES, INC.
(hereinafter "Developer").

WHEREAS, Developer is currently developing a new
subdivision in Sarpy County, Nebraska, known
as Millard Highlands South and Millard Highlands South Replat II
(hereinafter "Development"); and,

FILED SARPY CO. NE
INSTRUMENT NUMBER
90-10708

WHEREAS, Developer has requested that NWB provide
telecommunications feeder and distribution facilities to the
Development; and,

90 JUL 31 PM 2:27

WHEREAS, NWB has agreed to provide such facilities to the
Development without facility charges being paid by the Developer
prior to the start of the facility placement, if the Developer
complies with certain terms and conditions set forth in NWB's tariff
concerning facility charges for new areas of land development that
is on file with the Nebraska Public Service Commission;

REGISTER OF DEEDS

Now, therefore, pursuant to said tariff the parties hereto
agree as follows:

(1) This Agreement covers a Development which is described
as follows:

Millard Highlands South and Millard Highlands South Replat II

INDEXED
FILED
GRANTOR
GRANTEE
FEE \$
62.00

(2) This Development contains the following number of lots:
565-583, inclusive; 585, 586, 40-80, inclusive; 95-104, inclusive; 109-113, inclusive;
118-144, inclusive.

(3) Developer states that it is the owner of the lots
listed in Paragraph 2 above and that if ninety percent of the lots
in the Development are not improved within five years from the date
the feeder and distribution facilities are installed in the
Development, then the owner at that time of any unimproved lot shall
owe NWB \$450.00 for each lot that is unimproved in payment for NWB's
unused facilities. It is understood that a lot shall be considered
unimproved if construction of a permanent structure has not
commenced on that lot. For purposes of this Agreement, construction
shall be considered as having commenced if a footing inspection has
been made on the lot in question by officials of the city or other
appropriate governmental body.

(4) Developer agrees that it shall cause a declaration of
covenants pertaining to each and every lot in the Development to be
filed with the Register of Deeds in the county where the Development

is located which contains a notice of charge for telecommunications facilities furnished to that Development. It is further agreed that such notice shall state that should construction not be commenced on any lot covered by the declaration within five years from the date NWB files a document with the Register of Deeds giving notice that installation of the feeder and distribution facilities for that Development has been completed, then each such unimproved lot shall be subject to a facility charge payable to NWB or its successors in the amount of \$450.00. It is agreed that such notice shall state that such facility charge shall be due and owing immediately upon the expiration of the five year period, and if such charge is not paid within sixty days after the sending of written notice by NWB or its successors to the owner of an unimproved lot in the Development that such charge is due, then said charge will begin drawing interest commencing upon the expiration of the sixty day period at the rate of twelve percent per annum or the maximum rate allowed by law if said maximum rate is less than twelve percent per annum at that time.

(5) It is agreed that the facility charge described in Paragraph 4 above shall be void and nonassessable in the event construction shall have commenced on at least ninety percent of the lots covered by such declaration of covenants within five years from the date NWB files its notice with the Register of Deeds that the facilities have been installed.

(6) NWB agrees that upon being furnished satisfactory evidence that a declaration of covenants pertaining to each and every lot in the Development has been filed with the Register of Deeds in the county where the Development is located containing a notice of charge for telecommunications facilities described in this agreement, NWB will proceed to install feeder and distribution telecommunication facilities to the new Development without requiring any payment of facility charges by the Developer prior to installation of the facilities.

Dated this 30th day of April 1986.
