TO WHOM IT MAY CONCERN:

The undersigned, Millard Highlands, Inc., a Nebraska corporation, owner of Lots 131 through 342, inclusive, in Millard Highlands, a subdivision in Douglas County, Nebraska, does hereby state, publish and declare that all of said lots are and shall be owned and held under and subject to the covenants, conditions and restrictions set forth below:

1. The covenants, conditions and restrictions are to run with the land and shall be binding upon all owners, present and future, until January 1, 2002, at which time said covenants shall be automatically extended for a successive period of ten (10) years, unless by vote of the majority of the then owners of said lots, it is agreed to change said covenants in whole or in part.

2. If the owners of any lot or their heirs, successors or assigns shall violate or attempt to violate any of the covenants herein, it shall be lawful for any owner of any lot to bring any legal proceeding against such person violating or attempting to violate such covenants either to prevent him or them from so doing or to recover damages or other compensation due for such violation; but this instrument shall not be construed as placing any liability or obligation for its enforcement upon the undersigned. Invalidation of any one of the covenants by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

3. All lots shall be used for residential, recreational, church, school, or park purposes. Model homes constructed by the undersigned developer, its agents and assigns, for the purpose of displaying and selling homes will not in any way be a violation of these covenants.

5. No trailer, basement, tent, shack, garage, barn, or any structure of any kind or character erected on said real estate shall at any time be used as a residence temporarily or permanently. No dwelling constructed in another area or addition may be moved onto or permitted to remain on any lot in this subdivision.

6. owners of lots in said Addition; provided, however, that said side lot line easement is granted upon the specific condition that if both of said utility companies fail to construct cables, conduits or poles along any of said side lot lines within thirty-six (36) months of date hereof or if any pole or wires are constructed but are thereafter removed without replacement within sixty (60) days after their removal, then this side line easement shall automatically terminate and become void as to such unused or abandoned easementways. The sidewalk shall be placed three (3) feet six (6) inches back of street curb line and shall be constructed by the then owner of the lot at the time of completion of the main structure and before occupancy or use thereof.
