

RESTRICTIVE COVENANTS

The undersigned, whose interests appear following our respective names, being owners and mortgage holders of all of the lots in Northridge Farms, a subdivision of Douglas County, Nebraska, as surveyed, platted and recorded, do hereby revoke, rescind and cancel Restrictive Covenants dated February 28, 1973, and recorded February 28, 1973, in Book 519 at Page 357 of Miscellaneous in the office of the Register of Deeds of Douglas County, Nebraska, and do hereby state, declare, and publish that each and all of the lots in said subdivision are and shall be owned, used and conveyed under and subject to the following covenants, conditions, easements, and restrictions, to wit:

(1) No lot shall be used other than for residential and farming purposes. Livestock farming of any nature for commercial purposes shall not be permitted. The number and kinds of animals permitted shall be limited to those expressed in paragraph (6) hereof.

(2) Before the commencement of any building, an application form provided by the Developer, Southwoods, Inc., must be filled out and submitted with building plans and approved by the Architectural Control Committee to be named by the Developer. Said Committee shall use reasonable criteria with respect to design, material, structure, and workmanship to determine approval.

(3) Each residential dwelling erected in the subdivision shall have a minimum of 1,200 square feet of living space on the ground floor, exclusive of any basement area, or any garage areas.

(4) In regard to all buildings other than residential dwellings, the following provisions are to be made and adhered to:

(a) Any buildings, other than the aforementioned residential, necessary for useful and enjoyable ranchette ownership shall be of good design, painted, and constructed

with materials approved by the Architectural Control Committee. No express square footage of area is required for these buildings; however, they should exceed in size the classification of "Outbuilding" and generally be kept clean, well-painted and in a good state of maintenance and repair. Upon failure to meet the conditions of repair and appearance, as stated above, it shall be lawful for the Community Association, referred to hereinafter at Paragraph 11, to clean up or repair said property and recover the cost thereof from the owner.

(b) All trash and garbage shall be contained and enclosed in metal or plastic containers.

(c) No building shall be erected on any lot nearer than 100 feet from the front property line, 20 feet from the side lot lines, and 35 feet from the back lot line.

(d) No trailer, mobile home, modular home, basement, garage, tent, barn or outbuilding shall be erected on a tract at any time for use as a residence.

(e) Any and all living quarters for servants, trainers, or worker-assistants must be approved by the Architectural Control Committee.

(5) No lot or lots shall be subdivided, resubdivided, altered, or changed, so as to produce less than 87,120 square feet (2 acres).

(6) Household pets may be kept and maintained on the premises for the use, benefit and pleasure of the owner of the tract, his guests and servants. In no case shall the number of animals, excluding horses or ponies or both, number more than four (4) per tract. The number of horses or ponies or both permitted on each lot shall not exceed two (2) per acre.

(7) No objectional, unlawful, or offensive trade or activity shall be carried on upon any tract nor shall anything be done thereon which may be or become a nuisance or annoyance to the neighborhood.

(8) Each lot owner shall comply with all county and state health requirements and permits, and observe all rules and regulations of all lawfully constituted authorities in the use and ownership of his tract.

(9) If the parties hereto, or any of them, or their heirs or assigns, shall violate any of the covenants herein, it shall be lawful for any other person or persons owning any real property situated in said Subdivision to prosecute any proceedings against the person or persons violating or attempting to violate any of the covenants herein, and either to prevent them or him from committing any violation or to recover the damages for such violation. Any failure or neglect on the part of any owner of any tract or parcel of land in said Subdivision to demand or insist upon the observance of any covenants or provisions contained herein, or to proceed for the restraint of violation thereof shall not be deemed a waiver of such violation or operate as an estoppel to restrain a continuance thereof. Any covenant or provision herein may be enforced at any time, notwithstanding violations thereof that may have been suffered or permitted theretofore, and no waiver of any covenants or provision herein in any particular shall be deemed a waiver of any other default hereunder, whether of the same or of a different nature.

(10) Invalidation of any of these covenants by judgement of any court of competent jurisdiction shall in no way affect any of the provisions which shall remain in full force and effect.

(11) A Community Association is hereby authorized to be created at any future date for the owners of the lots in said Subdivision. The owner or owners of each lot shall be entitled

to one voting membership in said Association. The purpose of the Association shall be for the upkeep, promotion and maintenance of said Subdivision.

(12) Southwoods, Inc., its successors or assigns, are hereby given the right to enter upon any vacant or unattended lot for the purpose of improving its general appearance, to mow weeds, etc., should such become necessary without being classified as a trespasser, provided, however, that the owner of the lot shall pay any expense incurred on this account.

(13) These restrictions and covenants may be amended or rescinded by written instrument signed by the then owners of fifty-one percent (51%) of the lots in this Subdivision. These restrictive covenants shall be binding upon all persons claiming under and through Southwoods, Inc. until January 1, 1996.
