#### ARTICLE IV

##### ASSESSMENTS

Section 1. Covenant to Pay Assessments; Nature of Obligation. The Owner

of each Lot within the Properties, whether owned under a Deed or under a Purchase Agreement therefor, hereby covenants, whether or not it shall be so expressed in said Deed or Purchase Agreement, is deemed to covenant and agrees to pay to the Association assessments for such purposes and in such amounts as hereinafter provided. The assessments, together with interest, court costs, and reasonable attorney fees incurred in the collection thereof, shall be a charge on the land and shall be a continuing lien upon said property against which each such assessment is made. Each such assessment, together with interest, court costs, and reasonable attorney fees shall also be the personal obligation of the record Owner of such property at the time when the assessment falls due. The personal obligation for delinquent assessments shall not pass to successive Owners unless expressly authorized by the Association and expressly assumed by said successive Owners.

Section 2. Classes of Assessments; Purposes of Each Class; Miscellaneous Provisions. The Board of Directors is empowered to impose upon the Lots contained within Oakbrook (excluding the Common Area) the following classes of assessments, for the purposes, in the amounts, and subject to the terms and conditions as hereinafter established.

A. Basic Annual Assessment

(1) Nature of Assessments: The Board of Directors of the Association shall annually impose a basic assessment against each Lot (excluding the Common Area) situated upon the Properties. This assessment shall be made uniformly among the Lots on which dwellings are built and shall commence as to each Lot on the first month following completion of the dwelling, and the Board of Directors shall determine that date. Assessments on vacant Lots that have been transferred from the Declarant to a new Owner shall be assessed 20% of the fee assessed on Lots on which dwellings are complete, and the assessments on these Lots will start on the date the transfer is made. Lots owned by the Declarant (Oakbrook, Inc.) will be assessed an annual fee of \$5.00 per Lot owned by them, and the assessment will start on the date the additional residential property is annexed to the Properties by the Declarant, and the Lots owned by the Declarant will not receive the maintenance services afforded by the Association to the other Members. If a vacant Lot owned by a Member requires more service from the Association than normal weed mowing, the Board of Directors shall determine the proper fee to be assessed.

The Board of Directors of the Association may require the Annual Assessments to be paid monthly, quarterly or semi-annually.

The Board of Directors of the Association may levy in any assessment year, a SPECIAL ASSESSMENT, applicable to that year only, for the purpose of defraying additional general or normal expenses. This Special Assessment can not exceed twenty percent (20%) of the annual fee on each Lot without the approval by two-thirds (2/3) of the votes cast for said special assessment.

The Board of Directors shall fix the amount of the annual assessment against each Lot at least 30 days before each annual assessment period. Written notice of said assessments shall be sent to every Owner subject thereto. The due dates shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors.

(2) Purposes of Assessment. The funds acquired by the Association from the basic annual assessment shall be devoted to maintenance and improvement of the Common Area; payment of taxes and insurance on the Common Area; employment of personnel to discharge such security and maintenance functions as shall be directed by the Board of Directors, such as lawn care for all Lots, except Lots owned by Declarant, and the Common Area; snow removal from driveways and sidewalks; and such other expenses as may be incurred in the interest of the health, safety, welfare and social and recreational interest of the residents of Oakbrook, as determined by the Board of Directors to be consistent with the Articles and By-Laws of Oakbrook Home Association.

B. Insurance Assessment

(1) Coverage Requirements. It shall be the responsibility of each Owner to procure and maintain on his dwelling unit, fire and extended coverage insurance. Individual Owners shall obtain such insurance coverage in such amounts and through such carriers as they desire. It is strongly recommended that all Owners of part of a multiple-family structure obtain their insurance coverage from the same carrier. This will minimize difficulties which may arise in the settlement of a claim for damage to the property.

C. Special Assessment for Capital Improvements

(1) Application of Funds; Approval Required. The Association may levy in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes cast for such assessment, either in person or by proxy at a meeting duly called for this purpose. The term "capital improvements" shall include recreation-oriented facilities

(swimming pool, tennis courts, club house and similar amenities), as well as other buildings and physical improvements of a cost in excess of \$200.00, constructed, erected or placed upon the Common Area for the general benefit and enjoyment of the residents of Oakbrook.

(2) Rate of Assessment. Special assessments for capital improvements shall be fixed at a uniform rate for all Lots.

D. Default Assessments

(1) Definition. Default assessments shall consist of any charges, liens or assessments, including but not limited to basic annual assessments, insurance assessments and special assessments for capital improvements, for which timely payment is not made by the Owner to the Association. Any assessment not paid within thirty (30) days after the due date shall be deemed a default assessment and shall bear interest from the date due until paid at the rate of nine percent (9%) per annum.

(2) Rights of the Association. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property when, in its discretion, it deems such action appropriate. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 3. Notice and Quorum Requirements. Written notice of any meeting called for the purpose of taking any action authorized under Sections 2A or 2C shall be sent to all Members not less than fifteen (15) days nor more than thirty (30) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast fifty-one (51%) percent of all the votes shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 4. Collection of Assessments; Certificate of Payment.

A. Collection. These assessments may be collected on a monthly, quarterly, semi-annual or annual basis, as designated by the Board of Directors.

B. Certificate of Payment; Conclusiveness of Contents. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. Such certificate shall be conclusive evidence of the facts stated therein.

Section 5. Exempt Property. The Common Area shall be exempt from the assessments established herein.

ARTICLE V

ARCHITECTURAL CONTROL

Section 1. No building, fence, wall, sign, structure, items of landscaping or other improvement of any type or description shall be constructed, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein, including window-mounted air handling or cooling equipment, be made until the plans and specifications showing the size, nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural control committee composed of three (3) or more representatives appointed by the Board.

Section 2. In the event said Board of Directors, or its designated architectural control committee, fails to approve or disapprove such design and location within sixty (60) days after said plans and specifications have been submitted to it, approval will not be required and this Article shall be deemed to have been fully satisfied.

Section 3. A majority vote of the Board of Directors or its designated committee is required for approval or disapproval of proposed improvements.

Section 4. The said Board or its designated committee shall maintain written records of all applications submitted to it and of all actions taken by it.

ARTICLE VI

USE RESTRICTIONS AND EASEMENTS

Section 1. All Lots covered by this Declaration, with the exception of the Common Area, shall be known and described as residential Lots, and shall be used only as residential Lots for single family cluster townhouses, duplexes or single family houses, of conventional construction methods and materials.

Section 2. No noxious or offensive trade or activity shall be carried on upon any Lot covered by this Declaration, nor shall anything be done thereon which may be or become an annoyance or a nuisance to the neighborhood.

Section 3. No house trailer, modular house, basement, tent, shack, barn or other out-building shall be built, erected or placed upon any Lot covered by this Declaration.

Section 4. No camping trailer, travel trailer, boat trailer, motorboat, houseboat, sailboat, canoe, rowboat, motorhome, or other recreational vehicle may be maintained, stored or kept on any of the Lots covered by this Declaration for

for more than fifteen (15) days in any one calendar year, unless housed completely within a structure allowed on said Lots by other provisions contained herein.

Section 5. No animals of any kind shall be kept or maintained on any Lot covered by this Declaration, without the express approval of the Association.

Section 6. No outdoor antenna of any type and for any purpose shall be erected or placed on any Lot covered by this Declaration.

Section 7. Section 8. The grounds of each Lot and the dwelling located thereon shall be maintained in a neat and attractive manner. Garage doors shall be kept closed at all times except when vehicles are entering or exiting. Snow removal from driveways and sidewalks and care and maintenance of lawn areas within the individual Lot boundaries shall be provided by the Association, provided however, that maintenance of plants, shrubs and similar vegetation placed thereon shall be the obligation of the individual Owner, who shall maintain the same in a neat and orderly condition. Upon the Owner's failure so to do, the Board of Directors of the Association, or its designated architectural control committee may, at its option, and after giving the Owner fifteen (15) days' written notice sent to his last known address, perform such maintenance functions when, and as often as, the same is deemed necessary in its judgment.

Section 9. The cost of such maintenance referred to in Section 8 of this Article, except the cost of the snow removal and lawn care and maintenance such costs being included in the Basic Annual Assessment made pursuant to Article IV, Section 2, subparagraph A, shall be charged against the Lot upon which such maintenance is done and shall be added to and become part of the periodic assessment to which such Lot is subject under Article IV hereof.

#### ARTICLE VII

#### PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as part of the original construction of the homes upon the Properties and placed on the dividing line between the Lots shall constitute a party wall, and to the extent not inconsistent with the provisions of this Article, the general rules of law regarding

party walls and of liability for property damage due to negligent or willful acts or omissions shall apply thereto.

Section 2. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, the Association shall restore it in accordance with the insurance provision hereof, without prejudice, however, to the right of the Association to call for contribution from the Owner or Owners responsible under any rule of law regarding liability for negligent or willful acts or omissions.

Section 3. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, the Board of Directors shall act as arbitrators of such dispute and the decision of a majority of the directors shall be final and conclusive of the question involved.

#### ARTICLE VIII

##### MAINTENANCE OF EXTERIOR OF STRUCTURES ON LOTS

The Owner of each Lot shall be responsible for and shall provide for maintenance and repair of all exterior surfaces of the buildings, party walls and fences located on the individual residential Lots included within the Properties, at such Owner's cost. Such maintenance shall include, but not be limited to, painting or staining of wood surfaces, tuckpointing of mortar, maintenance of exterior doors, repair and replacement of gutters, downspouts, shingles, siding panels and bricks, and exterior glass.

In the event the Owner refuses or fails to provide such maintenance as set out above, the Board of Directors of the Association, or its designated architectural control committee, may, at its option, and after giving the Owner fifteen (15) days' written notice sent to his or her last known address, perform such maintenance functions when, and as often as, the same is deemed necessary in its judgment. The cost of such maintenance referred to in this Article shall be charged against the Lot upon which such maintenance is done, and shall be added to and become a part of the periodic assessment to which such Lot is subject under Article IV hereof.

#### ARTICLE IX

##### GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Rental and Occupancy. An Owner shall not permit individuals or families to occupy his Lot and the dwelling situated thereon in his absence or in

BOOK 1015 PAGE 676

the absence of the adult members of his immediate family, during a period in excess of one week, without the prior express written consent of the Board. An Owner shall not lease or rent his Lot and the dwelling unit situated thereon without the prior express written consent of the Board. The written consent contemplated in the foregoing sections shall not be arbitrarily or unreasonably withheld, the purpose of this section being rather to protect the Owner and other Owners of Lots situated upon the Properties from misconduct of persons other than Owners occupying individual Lots, which misconduct could give rise to punitive measures by the Board against the Owner of record of the Lot involved.

Section 3. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 4. Notices. Any notice required to be sent to any member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, post-paid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 5. Maintenance Easement. The Association shall retain an easement upon the exterior surfaces of each dwelling unit, and over any portion of the residential Lots not covered by buildings for purposes of maintenance and repair of exterior building surfaces and yard care and snow removal.

Section 6. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date of recording of this Declaration, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the period from the date of this Declaration to Oct. 1, 1994 by an instrument signed by Owners of not less than ninety percent (90%) of the Lots, and thereafter by an instrument signed by Owners of not less than seventy-five percent (75%) of the Lots. Any amendment must be recorded.

Section 7. No additional property or common areas may be annexed to the property.
