Job. No. WC-C 1262

WHOM IT MAY CONCERN:

Notice is hereby given that Metropolitan Utilities District has, under its construction order procedure, installed a water main, in the following streets:

On 93rd Street from a point approximately 183 feet north of the north property line of Leavenworth Street to a point 390 feet south of the south property line of Leavenworth Street

in Omaha, Douglas County, Nebraska, or adjoining said city, abutting the lots or parcels of land described below:

West 88 feet of Lot 21, Hillsboro Addition

East 132 feet, except street, of the south 100 feet of the northwest 1/4 of the southwest 1/4 of Section 22-15-12 east

East 132 feet, except street, of the north 420 feet of the southwest 1/4 of the southwest 1/4 of Section 22-15-12 east

A connection charge of \$ 2.28 per foot will be made as to each of said lots or parcels of land whose owners apply for, and receive, service from such main. This charge is in lieu of an assessment which would have been made if said main had been installed under the statutory procedure for main extensions. The connection charge may be paid in full, or in installments, as provided by the Rules and Regulations of Metropolitan Utilities District.

When the connection charge has been paid in full by the owner of a lot, a receipt will be issued and may be recorded by him. Inquiry may be made of the New "Services" Section of Metropolitan Utilities District as to whether a connection to said main has been made as to any one of the lots or parcels of land hereinabove described, and the amount of the connection charge remaining unpaid, if any.
