WHEREAS, said plot plan together with the terms and conditions hereinafter set forth are consistent with the intent and purpose of Title 27, of the Lincoln Municipal Code, to promote the public health, safety, morals, and general welfare.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lincoln, Nebraska:

That the application of F. Pace Woods, hereinafter referred to as "Permittee" under Special Permit No. 634, be and the same is hereby granted under the provisions of Sections 27.40.010 and 27.40.150, of the Lincoln Municipal Code, upon condition that construction, development, and operation of said community unit plan be in strict compliance with the application, the plot plan filed therewith, and the following additional express terms, conditions, and requirements:

1957

1. That Permittee develop and submit a landscape plan to the Planning Director for his approval, and that said landscape plan as approved be implemented within two planting seasons following 60 percent of the total number of dwelling units authorized for this community unit plan receiving initial occupancy permits. In formulating this plan, the Permittee shall give particular emphasis to providing screening along the rear of the lots backing onto streets and commercially zoned property and around the multiple unit areas of said community unit plan.

2. That the Permittee shall prepare and submit to the Planning Director for review and approval a plan for recreational facilities and that said recreational facilities be constructed prior to 60 percent of the total number of dwelling units authorized for this community unit plan receiving initial occupancy permits.

3. That the Permittee prepare and submit a ^{typical} curb cut plan of all possible combinations of drive and curb cut arrangements for the patio units in this community unit plan to the Director of Public Works for his review and approval.

4. That the Permittee provide two offstreet parking spaces per dwelling unit for the multiple dwelling units and the patio units within this community unit plan.

5. That the preliminary plat submitted by the Permittee be approved by the City and that Permittee prepare and submit a final plat and receive approval by the City in accordance with Title 26 of the Lincoln Municipal Code.

6. That the yard area adjustments shown on the community unit plan be approved except that a 10 foot side yard setback shall be required for Lots 10 and 11, Block 15.

7. That the Permittee prepare and submit to the City a site plan showing the location of the buildings and parking areas and other required information for Lot 1, Block 17, prior to the approval of the final plat.

8. That the Permittee prepare and submit to the Planning Director a site plan showing the location of buildings and parking areas and other required information for his review and approval of the 8-plex development on Lots 10 and 11, Block 15, prior to the application by Permittee for building permits in this Block.

19527

9. That construction of this proposed community unit plan shall not proceed until the same has been approved by the Superintendent of Building Inspections for the City of Lincoln, and that said community unit plan shall not be operated or used until said Superintendent of Building Inspections has found that Permittee has complied with all the terms, conditions, and requirements of the City Council set forth in this resolution.

10. That within 30 days from the date of this resolution, Permittee shall properly execute the Letter of Acceptance attached hereto as Appendix "A" and file the same with the City Clerk evidencing its unqualified acceptance of all terms, conditions, and requirements herein set forth, otherwise Special Permit No. 634, herein granted shall be null and void and of no force and effect.

11. That Permittee shall at his expense file a certified copy of this resolution, along with the final plat of Skyline Rolling Hills 1st Addition, with the Register of Deeds.
