A. An owner desiring to erect an Improvement shall deliver two sets of construction plans, landscaping plans and plot plans to Declarant (herein collectively referred to as the "plans"). Such plans shall include a description type, quality, color and use of materials proposed for the exterior of such Improvement. The purchaser of a Lot under a land contract or similar instrument shall be considered to be the "Owner" of the Lot for purposes of this Declaration. Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.

The Owner of each Lot, whether one or more persons and entities, shall be entitled to one (1) vote on each matter properly coming before the Members of the Association.

3. Additional Lots. Declarant reserves the right, without consent or approval of any Owner or Member, to expand the property to which this Declaration is applicable to include additional residential lots in any subdivision which is contiguous to any of the Lots. Such expansion may be affected from time to time by the Declarant by recordation with the Register of Deeds of Sarpy County, Nebraska, of an Amendment of Declaration, executed and acknowledged by Declarant, setting forth the identity of the additional residential lots which shall become subject to this Declaration.

Upon the filing of any Amendment to Declaration which expands the property subject to this Declaration, the additional residential lots identified in the Amendment shall be considered to be and shall be included in the "Lots" for all purposes under this Declaration, and the Owners of the additional residential lots shall be Members of the SouthCrest Hills Homeowners Association with all rights, privileges and obligations accorded or accruing to Members of the Association.

5. Imposition of Dues and Assessments. The Association may fix, levy and charge the Owner of each Lot with dues and assessments (herein referred to respectively as "dues and assessments") under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the times and in the manner prescribed by the Board.

6. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

7. Liens and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

8. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purposes of the Association described in Section 1 of this Article, and to perform the Powers and Responsibilities of the Association described in Section 3 of this Article.

9. Maximum Annual Dues. Unless excess dues have been authorized by the Members in accordance with Section 10, below, the aggregate dues which may become due and payable in any year shall not exceed the greater of:

A. Sixty Dollars ($60.00) per Lot.

B. In each calendar year beginning no earlier than January 1, 2005, one hundred twenty-five percent (125%) of the aggregate dues charged in the previous calendar year.

10. Assessments for Extraordinary Costs. In addition to the dues, the Board of Directors may levy an assessment or assessments for the purpose of defraying, in whole or in part, the costs of any acquisition, construction, reconstruction, repair, painting, maintenance, improvement, or replacement of any Common Facility, including fixtures and personal property related thereto, and related facilities. The aggregate assessments in each calendar year shall be limited in amount to Two Hundred Dollars ($200.00) per Lot.

11. Excess Dues and Assessments. With the approval of seventy-five percent of the Members of the Association, the Board of Directors may establish dues and/or assessments in excess of the maximums established in this Declaration.

12. Uniform Rate of Assessment. Assessments and dues shall be fixed at a uniform rate as to all Lots, but dues may be abated as to individual Lots, as provided in Section 6, above.

13. Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.

14. Effect of Nonpayment of Assessments-Remedies of the Association. Any installment of dues or assessment which is not paid when due shall be delinquent. Delinquent dues or assessment shall bear interest from the due date at the rate of fifteen percent (15%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Facilities or abandonment of the Owner's Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, cots and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be sub-rogated to any rights of the Association.

15. Subordination of the Lien to Mortgagee. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessment lien.

The Class A and Class B Members may be sometimes collectively referred to as "Members".

K

the votes entitled to be cast. Any such subsequent meeting shall be held within sixty (60) days following the preceding meeting.

9. Rate of Assessment. The monthly assessments shall be paid pro rata by the Owners of all Assessable Lots based upon the total number of Assessable Lots; provided, however, the Board of Directors of the Townhome Association may equitably adjust such prorations if it determines that certain Assessable Lots on which all of the improvements are not yet completed do not receive all of the benefits for which such assessments are levied. The monthly assessments may be collected on a monthly or other periodic basis by the Townhome Association. The Board of Directors of the Townhome Association shall fix the amount of the monthly or other periodic assessments against each Assessable Lot. Written notice of the assessment shall be sent to every Owner subject thereto. The dates payments are due shall be established by the Board of Directors. The special assessments for capital improvements shall only be assessed against the Assessable Lot for which the costs of such construction, reconstruction, repair or replacement of any capital improvements occurs. The Townhome Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Townhome Association, setting forth whether or not all assessments on a specified Assessable Lot have been paid. A properly executed certificate of the Townhome Association as to the status of assessments, on a particular Assessable Lot shall be binding upon the Townhome Association as of the date of its issue by the Townhome Association.

10. Effect of Nonpayment of Assessment; Remedies of the Townhome Association. Any assessment not paid within thirty (30) days after the due date shall be deemed delinquent an shall bear interest at the maximum legal rate allowable by law in the State of Nebraska, which at the time of the execution of these Declarations, is sixteen (16) percent per annum. Should any assessment remain unpaid more than sixty (60) days after the due date, the Townhome Association may declare the entire unpaid portion of said assessment for said year to be immediately due and payable and thereafter delinquent. The Townhome Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien of such assessment against the property through proceedings in any Court having jurisdiction of actions for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provided herein by abandonment or title transfer of such Owner's Lot.

11. Subordination of the Lien to Mortgages. The lien on the assessments provided for herein shall be subordinate to the lien of any first mortgage, first deed of trust, or other initial purchase money security device, and the holder of any first mortgage, first deed of trust, or other initial purchase money security device, on any Lot may rely on this provision without the necessity of the execution of any further subordination agreement by the Townhome Association. Sale or transfer of any Lot shall not affect the status or priority of the lien for assessments made as provided herein. The Townhome Association, if authorized by its Board of Directors, may release the lien of any delinquent assessments on any Lot as to which the first mortgage, first deed of trust or initial purchase money security device thereon is in default, if such Board of Directors determines that such lien has no value to the Townhome Association. No mortgagee shall be required to collect any assessments due. The Townhome Association shall have the sole responsibility to collect all assessments due.

12. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

13. Monthly Assessments. Monthly assessments may be assessed for, but not limited to, the following:

A. Care and maintenance of trees and shrubs, lawns, and other exterior landscaping improvements as originally installed by the Declarant or builder, except such improvements as may be within the confines of any fenced in area on any Assessable Lot or installed by or at the direction of the Owner, which improvements shall be the responsibility of the Owner. The Owner understands that the original landscape as installed by the Declarant or builder is warranted for a period of one year from the time of planting. The Owner is responsible for replacement of all dead landscaping improvements after the one year warranty period expires and the Owner agrees to allow the Townhome Association to replace such dead landscape improvements at the expense of the Owner of record at the time of replacement and the Owner shall reimburse the Townhome Association on demand.

B. Operation and maintenance of an underground watering system, including the water costs.

C. Snow removal from drives, front walks and stoops only as to be determined by the guidelines set forth by the Board of Directors.

A. The Townhome Association may but shall not be obligated to, purchase and provide physical property coverage insurance with respect to the improvements (residential and related structures) in any amount equal to at least ninety percent (90%) of the full replacement value of the original improvements against losses by fire, lightning, wind storm and other perils covered by standard extended coverage endorsements. The full replacement value of the original improvements is defined as the base price of the original structure excluding, but no limited to, custom finished basements and any other improvements over the base original price. Insurance premiums are assessed uniformly based upon the base price of the original structures. Betterments done to the original structure and additional custom improvements shall not be covered by the Townhome Association's policy. The intent is to provide only

coverage based only upon the basic purchase price excluding any custom betterments.

The Townhome Association shall also purchase and provide comprehensive general liability coverage insurance against any other hazards and in such amounts as shall be determined from time to time by the Board of Directors of the Townhome Association. The Townhome Association, in addition to the foregoing, shall provide Directors and Officers liability coverage insurance for the Townhome Association, for its Officers, and members of the Board of Directors. Finally, if the Townhome Association has any employees of any nature, the Townhome Association shall purchase and provide Workers' Compensation Insurance for all employees who may come within the scope of Nebraska Workers' Compensation laws.

The above insurance shall not cover the personal property of any Owner of any Lot, it being the Owner's responsibility to provide such insurance coverage for the Owner's protection. In addition, the Townhome Association may purchase such additional insurance against other hazards which may be deemed appropriate by the Board of Directors.

B. The Townhome Association is hereby irrevocably appointed as agent for each Owner of each and every Lot and for the holder of any Mortgage on any Lot, to adjust any and all claims arising under insurance policies purchased by the Townhome Association on the improvements on the Lots, joinder by any such Owner or mortgagee. All insurance proceeds shall be applied by the Townhome Association toward repairing the damage covered by such insurance, provided that reconstruction or repair shall not be compulsory where the damage exceeds two-thirds (2/3) of the value of all the buildings and improvements on all of the Lots covered by such insurance.

The deductible portion of the applicable master insurance policy shall be borne equally by those Lots which have suffered the loss. Should the Owners so elect not to rebuild, the insurance proceeds, along with the insurance indemnity, if any, shall be credited to each Owner in accordance with such Owner's pro rata share of the loss as sustained from the casualty for which the proceeds shall be payable. Such sums shall be first applied towards satisfaction of any recorded first mortgage, first deed of trust, initial purchase money security device against such Lots, next applied towards satisfaction of junior recorded liens in order of their priority, next toward the cost of razing the improvements or any remnants thereof from said Properties, and the filling and leveling of any of said Lots, as needed, and the remainder shall then be paid to such Owner of such razed properties on a pro rata basis.

In case the insurance proceeds do not equal the cost of repairs or rebuilding, the excess cost shall be considered a maintenance expense to be assessed and collected by the Townhome Association from the Owner of the damaged improvements. In any case of over insurance, any excess proceeds of insurance received shall be credited towards the working fund of the Townhome Association.

C. Each Lot Owner may obtain such additional insurance for the individual Owner's benefit and at such Owner's own expense as may be deemed necessary by the Lot Owner, including coverage for specific improvements and betterments in the Owner's unit, personal liability, specific personal property items, the ten percent (10%) co-insurance provision of the full replacement cost of the base price of the original structure, and any exclusions of insurance

coverage from the master policy provided by the Townhome Association.

16. Access. The Townhome Association, its officers, employees and agents, contractors and repairmen designated by the Townhome Association, shall have the right to go on any Lot for the purpose of performing the duties of the Townhome Association hereunder, and the Townhome Association is hereby granted a specific easement for such purposes.

17. Utility Meters and Service Lines. In order to facilitate the installation, operation, maintenance and repair of an underground watering system, such Lots as shall be designated from time to time by the Townhome Association may have a dual metering system for water so as to permit the drawing of water for watering of the lawns, shrubs, trees and other vegetation located upon the Lots. It is understood that the amount of water metered for the residential use on any such Lot shall be paid for by the Owner of each Lot receiving water, and the Owner shall be responsible for the meter servicing solely the Owner's Lot. Utility meters may be located within the Owner's residence.

ARTICLE IV.
EASEMENTS

1. A perpetual license and easement is hereby reserved in favor of and granted to the Omaha Public Power District, Qwest Corporation, any company which has been granted a franchise to provide a cable television system within the Lots, and the City of Springfield and Sanitary and Improvement District No. 248 of Sarpy County, Nebraska, their successors and assigns, to erect and operate, maintain, repair and renew buried or underground sewers, water and gas mains and cables, lines or conduits and other electric and telephone utility facilities for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message service and for the transmission of signals and sounds of all kinds including signals provided by a cable television system and the reception on, over, through, under and across a five (5) foot wide strip of land abutting the front and the side boundary lines of the Lots; an eight (8) foot wide strip of land abutting the rear boundary lines of all interior Lots and all exterior lots that are adjacent to presently platted and recorded Lots; and a sixteen (16) foot wide strip of land abutting the rear boundary lines of all exterior Lots that are not adjacent to presently platted and recorded Lots. The term exterior Lots is herein defined as those Lots forming the outer perimeter of the Lots. The sixteen (16) foot wide easement will be reduced to an eight (8) foot wide strip when such adjacent land is surveyed, platted and recorded.

2. A perpetual easement is further reserved for the City of Springfield and/or the Metropolitan Utilities District, their successors and assigns to erect, install, operate, maintain, repair and renew pipelines, hydrants and other related facilities, and to extend thereon pipes, hydrants and other related facilities and to extend therein pipes for the transmission of gas and water on, through, under and across a five (5) foot wide strip of land abutting all cul-de-sac streets; this license being granted for the use and benefit of all present and future owners of these Lots; provided, however, that such licenses and easements are granted upon the specific conditions that if any of such utility companies fail to construct such facilities along any of such Lot lines within thirty-six (36) months of date hereof, or if any such facilities are constructed but are thereafter removed without replacement within sixty (60) days after their removal, then such easement shall automatically terminate and become void as to such unused or abandoned easementways. No permanent buildings, trees, retaining walls or loose rock walls shall be placed in the easementways but same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforementioned uses or rights granted herein.

3. In the event that ninety percent (90%) of all Lots within the subdivision are not improved within five (5) years after the date on which Qwest Corporation files notice that it has completed installation of telephone lines to the Lots in the subdivision (herein the "Subdivision Improvement Date"), then Qwest Corporation may impose a connection charge on each unimproved Lot in the amount of Four Hundred Fifty and no/100 Dollars ($450.00). A Lot shall be considered as unimproved if construction of a permanent structure has not commenced on a Lot. Construction shall be considered as having commenced if a footing inspection has been requested on the Lot in question by officials of the City or other appropriate governmental authority.

Should such charge be implemented by Qwest Corporation and remain unpaid, then such charge may draw interest at the rate of twelve percent (12%) per annum commencing after the expiration of sixty (60) days from the time all of the following events shall have occurred: (1) the Subdivision Improvement Date, and (2) Qwest Corporation sends each owner of record a written statement or billing for Four Hundred Fifty and no/100 Dollars ($450.00) for each unimproved Lot.

4. Other easements are provided for in the final plat of Lots 53 through 104, inclusive, and Outlots B and C, SouthCrest Hills which is filed in the Register of Deeds of Sarpy County, Nebraska (Instrument No. 2003-58754).
