5. Fences and Dog Runs. Fences shall not be located on any Lot nearer to the street than the structure located on said Lot. Any fence installed on any Lot by the Developer shall be maintained by the Owner (defined below) of such Lot, at the Owner's sole expense and the Owner shall keep such fence in good order and repair and replace the same with the same style and equal quality fence when and if reasonably necessary. Fencing shall be wood, vinyl or black chain link. Unless specifically approved by Declarant in writing, no other type of fencing, including chain link and wire fencing, shall be permitted in any instance. No dog runs shall be permitted.

In addition, notwithstanding anything herein to the contrary, no fencing which runs parallel to Schram Road (east-west) shall be constructed on Lots 25 -30; Lots 199 – 202; Outlots B and K, inclusive, Southern Pointe, it being the understanding that a uniform fence will be constructed on the rear property line of Lots 25 -30; Lots 199 – 202; Outlots B and K, inclusive, Southern Pointe, at some point in the future, as required by the City of Papillion. “Side yard” fencing shall be permitted on Lots 25 -30; Lots 199 – 202; Outlots B and K, inclusive, Southern Pointe so long as such fencing meets the requirements set forth herein. A perpetual easement is further reserved in favor of Declarant and the Association, and their successors and assigns to, at their option, create, install, repair, reconstruct, paint, maintain, the rear-yard fencing, and related accessories, located on, over and upon the rear most ten (10) foot wide strip of land abutting the rear boundary lines of all Lots which back to Schram Road (including Lots 25 -30; Lots 199 – 202; Outlots B and K, inclusive, Southern Pointe).

8. Conform to Zoning; Additional Requirements. All structures, including driveways, sidewalks and patios placed upon the above property shall conform to the zoning requirements of the applicable governmental authority and the building code requirements of the applicable governmental authority.

The maximum driveway slope on any Lot shall be constructed in compliance with ADA/PROWAG guidelines. Each Lot grants to each and every other Lot a mutual benefit drainage easement over each Lot and agrees that no Owner of a Lot shall construct any improvement, ditch, dam or other thing or device which affects or alters the natural flow of surface waters from, upon, or across any Lot, or which affects or alters the flow of any waters in any natural or artificial stream, wash, or drainage channel from, upon, or across any Lot, and any Lot, without the express written approval of the Association.

In addition, the driveway constructed on each Lot that is located on a public street which is susceptible to street creep, including but not limited to curved streets, steeply sloped streets, T intersections, and cul-de-sacs, shall be constructed to accommodate for street creep. The construction measures taken to accommodate for street creep may include, by way of illustration, larger expansion joints in areas susceptible to creep, placing full-depth expansion material at additional locations throughout the driveway and at the edge along any foundation or other concrete slab, such as a garage floor or sidewalk. In addition, the Owner of a Lot abutting a section of public street susceptible to street creep may address the street creep issue by placing two inches of full-depth expansion material between the street curb and the private driveway.

9. Signs/Model Homes. No sign, billboard or other structure for advertising or the display of advertising material of any kind shall be erected, altered, placed or permitted to remain on any Lot except that real estate signs shall be permitted temporarily. Model homes may be maintained by the Declarant notwithstanding the fact there are no longer any vacant Lots within the subdivision for sale.

10. Boats and Trailers. With the exception of temporary sales offices operated by the Declarant, its successors or assigns, no boat, camper, trailer or similar chattel will be maintained on any Lot, other than in an enclosed structure, for more than seven (7) days within any calendar year; and no automobile, motorcycle, truck or other vehicle will be repaired, torn down or stored on any Lot,

The approval or disapproval of the undersigned Developer, or its designee as required in these Covenants shall be in writing. Failure of the Developer or its designee to give either written approval or disapproval of a submitted plan within thirty (30) days after the submittal of said plan, by mailing such written approval or disapproval to the last known address of the applicant for approval as shown on the submitted plan, shall operate as disapproval of the plan as submitted. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust as collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessments lien.

xviii. Additional Lots. Declarant reserves the right, without consent or approval of any Owner or Member, to expand the Association or amend these Covenants to include additional residential lots in any subdivision which is contiguous to any of the Lots. Such expansion(s) may be affected from time to time by the Declarant or Declarant's assignee by recordation with the Register of Deeds of Sarpy, Nebraska of an amendment to these Covenants and/or a separate Protective Covenants Agreement, executed and acknowledged by Declarant or Declarant's assignee, setting forth the identity of the additional residential lots (hereinafter the "Subsequent Phase Declaration").
