1. No lot will be used except for residential purposes.
2. No building or appurtenances shall be erected on any lot or lots except in accordance with the presently existing zoning regulations applicable to said lots.
3. In the case of a single family dwelling, no dwelling shall be permitted on any lot described herein having a main floor square foot area of less than 900 square feet. Main floor area shall be computed from gross outside dimensions of a single floor, exclusive of a garage, open porches, breezeways, basements and living floor area under or above other living floor areas.
4. In any event no buildings shall be located on any lot nearer than 25 feet to front lot line or nearer than 25 feet to any side street line.

No building shall be located nearer than 6 feet to any interior lot line except that a five foot side yard shall be permitted for a garage or other necessary building located 25 feet or more from the minimum building set back line.

No dwelling shall be located on any interior lot nearer than 25 feet to rear lot line. For the purpose of this covenant, eaves, steps, and open porches shall not be considered as a part of the building, provided, however, that this shall not be construed to permit any portion of a building on a lot to encroach upon another lot.

5. Each single family dwelling must have an attached or basement garage.

6. Dwellings constructed or existing in another area or location shall not be moved to any lot within this addition.

7. A ten foot easement across and along the rear boundary line of each of said lots, is hereby reserved for the construction, maintenance and operation and repair of sewer, gas, water, electric and telephone facilities.

8. No trailer, basement, shack, tent, garage, barn or other outbuildings may at any time be erected in this addition for use as a residence, temporarily or permanently.

9. No animals, livestock, or poultry of any kind shall be raised, bred or kept, on any lot, except that dogs, cats or other household pets may be kept, provided they are not kept, bred or maintained for any commercial purpose.

10. No trees, shrubs, hedges, or other plants shall be maintained or permitted in such proximity to any lot line as would interfere with the use and maintenance of any street or sidewalk or the unobstructed view at street intersections and shall be maintained to comply with reasonable requirements to insure the safety of persons using the street and motor vehicles or as pedestrians.

11. Portland cement concrete sidewalks four feet wide by four inches thick shall be constructed in front of each build upon lot and along the side street of each build upon corner lot. The side walk shall be placed four feet back of street curb line. Such walks shall be built by the then owner of the Lot and at the time of the completion of the main structure upon the lot.

12. These covenants are to run with the land and shall be binding on all parties and on all persons claiming under them for a period of 25 years from the date these covenants are recorded, after which time, said covenants shall be automatically extended for successive periods of 10 years, unless an instrument signed by a majority of the then owners of the lots has been recorded agreeing to change such covenants in whole or in part.

13. Each of the provisions hereof is several and separable, and invalidation of any provision shall not effect any other of the provisions hereof. These provisions shall bind and inure to the benefit of the undersigned, their successors and assigns, and to their grantees, both immediate and remote, and the heirs, devisees, personal representatives, successors, assigns and grantees of such grantees, and shall run with the land for benefit and imposed upon all subsequent owners of each of the aforesaid lots in the Southern Park Addition.

14. If any purchaser, owner, lessee, or other person shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons owning any lot or lots in Southern Park Addition to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant, and either

to prevent him or them from so doing or to recover damages for such violation. Nothing contained in the instrument shall in any measure be construed as imposing any liability or obligation for its enforcement upon the undersigned.

15. By accepting a deed to any of the lots in Southern Park the grantee shall hereby bind himself, his heirs, executors, administrators, assigns and grantees to observe and perform all of said covenants as fully and to all intents and purposes as though such grantee had joined in this declaration.
