ARTICLE II ARCHITECTURAL CONTROL

A. No dwelling, fence, other than fences constructed by Developer, wall,

pathway, driveway, patio, patio cover or enclosure, deck, rock garden, garden, treehouse, swimming pool, television or radio antenna, satellite dishes, flag pole, solar collecting panels or equipment, tool sheds, or other external improvements, above or below the surface of the ground shall be built, erected, placed, planted, altered, or otherwise maintained or permitted to remain on any Lot, nor shall any grading, excavation, or tree removal be commenced without express written prior approval of the Developer through its Architectural Control Committee, or its permission by implied approval procured in the manner set forth below.

B. The Developer, through its Architectural Control Committee, shall consider general appearance, exterior color or colors, architectural character, harmony of external design and location in relation to surroundings, topography, location within the Lot boundary lines, quality of construction, size and suitability for residential purposes as part of its review procedure. The Architectural Control Committee specifically reserves the right to deny permission to construct or place any of the above-mentioned improvements which it determines will not conform to the general character, plan and outline for the development of the Properties.

C. Documents submitted for approval shall be clear, concise, complete, consistent and legible. The persons submitting such documents shall have the obligation to obtain a receipt from the Architectural Control Committee setting forth the date of the receipt of such documents by the Architectural Control Committee (the "Receipt"). All drawings shall be to scale. Samples of materials to be included in the improvement may be required of the applicant at the discretion of the Architectural Control Committee. Submittals for the approval shall be made in duplicate and the comments and actions of the Architectural Control Committee will be identically marked on both copies of said submittals. One copy will be returned to the applicant, and one copy will be retained as part of the permanent records of the Committee. Failure of the Architectural Control Committee to give either written approval or disapproval of submitted plans within thirty (30) days after the date set forth in the Receipt, by personal delivery of the approval or disapproval letter with a receipt from the person submitting the documents or, by United States registered or certified mail to the last known address of the

applicant as shown on the submitted plans, shall operate as a waiver of the requirements for approval by the Architectural Control Committee for the submitted plans. The date the approval or disapproval letter is deposited in the United States mail shall be the date of the approval or disapproval.

E. No trees shall be removed from any Lot unless and until a plan for the removal thereof has been submitted to and approved by the Architectural Control Committee.

ARTICLE III

B. No building shall be created, altered, placed or permitted to remain on any Lot other than the One (1) structure (single family or duplex) referred to above, and said structure shall conform to the following minimum requirements:

1. One-story structure with attached garage	1,200 sq. ft.	On the main floor, exclusive of garage area (garage must be approximately at the same level as the main floor)
2. One-story structure with basement garage	1,300 sq. ft.	On the main floor
3. One and one-half story structure	1,500 sq. ft.	Total area above the basement level; minimum 900 sq. ft. on the main floor.

5. Split entry (bi-level) structure	1,300 sq. ft.	On the main floor.
6. Multi-level (split level) structure	1,700 sq. ft.	Total area above grade
7. Duplex	1,000 sq. ft.	Finished space total area above grade per side.*

*Except for Lots 14 & 15. These Lots will require a minimum of 800 sq. ft. finished area above grade per side.

C. For the purposes of these restrictions, two-story height shall, when the basement is exposed above finish grade, be measured from the basement ceiling on the exposed side(s) to the eave of the structure on the same side(s). Area means finished habitable space, measured to the exterior of the enclosing walls, and does not include porches, stoops, breezeways, courtyards, patios, decks, basements, garages or carports. The maximum height of the dwelling shall be two (2) stories. The basement is not considered a story even if it is one hundred percent (100%) above grade on one side, and essentially below grade on the other three (3) sides. All dwellings shall have attached, enclosed, side-by-side, two (2) car garages minimum which must contain area of not less than four hundred (400) square feet.

D. All buildings on all Lots shall comply with the set back requirements of the Zoning Code of the City of Omaha as the same may be amended from time to time.

No full or partial subterranean dwellings or log houses shall be constructed or erected on any Lot. No dwelling shall be moved from outside of the Properties onto any of said Lots.

F. Exposed portions of the foundation on the front of each dwelling are to be covered with clay-fired brick or stone, even if a portion of those exposed foundations may be perpendicular to the affronting street.

G. No primary flat or mansard roof shall be permitted on any dwelling.

H. The original developer has created a water drainage plan by grading the Properties and installing improvements and easements for storm drainage in accordance with accepted engineering principles. No building shall be placed, nor any Lot graded, to interfere with such water drainage plan nor cause damage to the building or neighboring buildings or Lots.

I. No stable or other shelter for any animal, livestock, fowl or poultry shall be erected, altered, placed or permitted to remain on any Lot. No animals, livestock, fowl or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats, or other household pets maintained within the dwelling may be kept, provided that they are not kept, bred or maintained for any commercial purpose and, provided, that they are kept confined to the Lot of their owner and are not permitted to run loose outside the Lot of the Owner.

J. No incinerator or trashburner shall be permitted on any Lot. No garbage or trash can or container shall be permitted to remain outside of any dwelling unless completely screened from view from every street and from all other Lots in the subdivision. No garden, lawn or maintenance equipment of any kind whatsoever shall be stored or permitted to remain outside of any dwelling except while in actual use. No garage door shall be permitted to remain open except when entry to and exit from the garage are required. No clothesline shall be permitted outside of any dwelling at any time. Detached accessory buildings are not permitted.

K. All repair or maintenance work on automobiles, boats, camping trailers, van-type campers, auto-drawn trailers of any kind, mobile homes, motorcycles, snowmobiles or other self-propelled vehicles done on the premises must be done in the garage. The dedicated street right-of-way shall not be used for the parking of any vehicle, boat, camper or trailer. Automobiles and other self-propelled vehicles parked out-of-doors within the premises above-described, must be in operating condition.

L. All Lots shall be kept free of rubbish, debris, merchandise and building material; however, building materials may be placed on Lots when construction is started on the main residential structure intended for such Lot. In addition, vacant Lots where capital improvements have not yet been installed shall not be used for dumping of earth or any waste materials, and shall be maintained level and smooth enough for machine mowing. No vegetation on vacant Lots where capital improvements have not yet been installed shall be allowed to reach more than a maximum height of twelve (12) inches.

M. Except for the purpose of controlling erosion on vacant Lots, no field crops shall be grown upon any Lot at any time.

N. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be, or may become, an annoyance or nuisance to the neighborhood, including, but not limited to, odors, dust, glare, sound, lighting, smoke, vibration and radiation. Further, home occupations, as defined in the Zoning Code of the Municipal Code of the City of Omaha, Nebraska, shall not be permitted to take place within any of the residential dwellings.

O. A dwelling on which construction has begun must be completed within one (1) year from the date the foundation was dug for said dwelling.

P. Vegetable gardens shall be permitted only if maintained in the designated rear yard of any Lot, behind the dwelling on said Lot. Further, vegetable gardens and

Q. No residential dwelling shall be occupied by any person as a dwelling until the certificate of occupancy has been obtained.

R. No advertising signs or posters of any kind shall be erected or placed on any of said Lots, except the residential "For Sale" or "For Rent" signs, not exceeding six (6) square feet in size, shall be permitted.

S. All driveways will be constructed to meet the latest versions of the City of Omaha Standard Specifications for Street and Sewer Construction, City of Omaha Standard Plates for Street and Sewer Construction, and the Guidelines and Regulations for Driveway Approach.

T. None of said Lots shall be subdivided, split or in any manner combined with any other Lot, or portion of any other Lot, without approval of the Architectural Control Committee in writing.

U. The front, side and rear yards of all Lots shall be sodded, landscaped, and maintained. All yards shall be sodded within one (1) year from the date the foundation for the residence on the Lot was completed.

V. No lot improvements may encroach on any other Lot, common area, or Outlot.

ARTICLE IV EASEMENTS AND LICENSES

A. All telephone, cable television and electric power service lines from property line to dwelling shall be underground.

B. All utility connections or crossing within the street right of ways will be done according to the latest versions of the City of Omaha Standard Specifications for Street and Sewer Construction and City of Omaha Standard Plates for Street and Sewer Construction. Excavations being backfilled shall meet 95% standard density and tested every one foot of depth. Final reports showing passing tests shall be submitted to the Board of Directors for their records.

ARTICLE V GENERAL PROVISIONS

A. The Declarant, or its assigns, or any Owner of a Lot within the Properties, shall have the right to enforce by proceeding at law or in equity, all restrictions, conditions, covenants, and reservations, now or hereafter imposed by the provisions

of this Declaration, either to prevent or restrain any violation of same, or to recover damages or other dues for such violation. Failure by the Declarant or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

B. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty-five (25) years from the date this Declaration is recorded. This Declaration may be amended by an instrument signed by the Owners of not less than sixty-six (66%) percent of the Lots in the Properties.

C. Invalidation of any one of these covenants by judgment or court order shall in no way effect any of the other provisions hereof which shall remain in full force and effect.

D. This document may be signed in counterpart signatures. When the signature pages with signatures and the acknowledgment pages with signatures are attached to a single document, said single document shall be as legally effective as if all of the parties hereto signed said single document and had their signatures acknowledged on said single document.

ALL SUBSEQUENT PURCHASERS SHALL TAKE TITLE TO THE LOT SUBJECT TO SAID LIEN AND SHALL BE BOUND TO INQUIRE OF THE ASSOCIATION AS TO THE AMOUNT OF ANY UNPAID ASSESSMENTS. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person(s) who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by such a person, but the lien shall continue on the Lot and the personal liability of the person who owned the Lot when the lien was created shall continue.

Section 2. Purpose of Assessments.

The assessments by the Association shall be used exclusively for the following purposes: (a) to maintain, repair, and operate the Common Area as defined in the Covenants, including but not limited to, the improvements, structures, facilities and fixtures thereon and the grounds thereof, and personal property used in connection therewith; (b) to exercise the rights reserved to the association in the Covenants; (c) to acquire, construct, reconstruct, or replace new or existing capital improvements, structures, facilities and fixtures on the Common Area as defined in the Covenants, including personal property used in connection therewith; and (d) to pay the costs and expenses of enforcing the provisions of the Covenants, including the fees of attorneys hired to represent the Association, court costs, witness fees, and related costs.

Section 4. Special Assessments for Capital Improvements.

In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a new or existing capital improvement, structure, facility, or fixture on the Common Area, including but not limited to, personal property related thereto. b. When Assessed and Notice to Members. The Board of Directors shall fix the amount of the annual assessment to be assessed against each Lot at least twenty (20) days prior to the due date of the assessment, including the due dates and amounts thereof. The failure of the Board to so notify each Member in advance shall not, however, relieve any Member of the duty and obligation to pay such assessment or any installment thereof. The Board shall have the authority, in its discretion, to require that all Members pay the annual assessment in one payment due at such time or times during the assessment year and payable in such manner as determined by the Board. Any assessment not paid within the thirty (30) days after the due date shall bear interest from the due date at the rate of twelve (12%) per cent per annum. The Association may bring an action at law against the Member personally obligated to pay the same or foreclose the lien against the property in the same manner as provided by law for the foreclosure of mortgages. No member may waive or otherwise escape liability for the assessments provided herein by non-use of the Common Properties, or other Common Properties, or abandonment of his Lot.

Section 7. Subordination of the Lien to Mortgages or Deeds of Trust.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a mortgage foreclosure or the exercise of power of sale under a deed of trust shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer, but the person who owned the Lot at the time when the lien attached remains personally liable for payment of the amount of the lien.

Section 1. Amendment of Bylaws.

These Bylaws can only be amended by a vote of qualifying voting members representing sixty-six percent (66%) or more of all Lots voting in favor of the amendment at a special or annual meeting (including proxies).

Section 2. Examination of Books.

Each Member and each mortgagee of a Lot shall be permitted to examine the books of account of the Association at reasonable times, by appointment, but not more often than once every month.

ARTICLE VIII. MISCELLANEOUS.

In the absence of such notice, the Association shall be free from any liability or responsibility to such party or parties arising by reason of performing its duties hereunder.
