Nothing contained in this instrument shall in any wise be construed as imposing any liability or obligations for its enforcement upon the undersigned.

13. No building shall be erected, constructed, altered, placed or permitted to remain on any lot in said Addition, until the plans and specifications have been approved in writing by LARSEN AND LARSEN, INC., or its assigns for a period of ten (10) years following the platting of the lots in this Addition.

14. All exposed foundations shall be either brick, stone-faced or painted cement blocks.
