**MODIFICATION TO THE SECOND AMENDMENT AND
RESTATEMENT OF DECLARATION OF
PROTECTIVE COVENANTS, CONDITIONS
& RESTRICTIONS OF THE RIDGE ADDITION**

WHEREAS, the undersigned, constituting owners of at least two-thirds (2/3) of the "Lots" located on the "Property" described in and covered by the Second Amendment and Restatement of Declaration of Protective Covenants, Conditions & Restrictions of The Ridge Addition dated December 28, 1989 and filed of record with the Lancaster County Register of Deeds as Instrument No. 91-4993 ("Second Amendment") as amended by an Amendment filed with the Register of Deeds as Instrument No. 2000-016486, desire to amend the Protective Covenants, Conditions & Restrictions of The Ridge Addition by this document (herein "Modification").

NOW, THEREFORE, the undersigned do hereby agree to amend the Second Amendment and Restatement of Declaration of Protective Covenants, Conditions & Restrictions of The Ridge Addition, as previously amended, as follows:

1. Paragraph 6 of the Second Amendment is hereby amended to read as follows:

"6. Prior to completion of the construction of any single family residence on any Lot, a landscape plan signed by the Lot owner shall also be submitted to the Architectural Review Committee for approval. Any landscape plan must include at a minimum, to-wit: (i) a landscape plan for the entire Lot; (ii) show a minimum planting schedule of, to-wit: (a) 4 four-inch caliber deciduous trees, (b) 4 two-inch caliber deciduous trees, (c) 6 evergreens of a minimum 6-foot height, and (d) 50 one-gallon containers of plantings in the area described at (i) above; (iii) meet the screening requirements of paragraph 14 herein; (iv) contain a written certification by the Lot owner that, to-wit: (a) all of the plantings required pursuant to this paragraph will be installed at the completion of the construction of the single family residence to be constructed on such Lot, and that such Lot will be seeded or sodded prior to occupancy of the single family residence, (b) that an underground sprinkler system will be installed on such Lot by the Lot owner prior to any seeding or sodding of such Lot, all in accordance with paragraph 3 of these Covenants, and (c) that the landscape plan, the plantings and the underground sprinkler system required to be installed on the Lot pursuant to these Covenants will be continually maintained (and replaced if necessary) by the Lot owner, or the Lot owners' successors or assigns (see paragraph 26). If a residence is constructed on a Lot or Lots which in any current or prior Ridge subdivision plat was two lots, the planting requirements shall be increased by fifty percent (50%). If a residence is constructed on a Lot or Lots which in any current or prior Ridge subdivision plat was more than two lots, the planting requirements shall be increased by one hundred percent (100%). To the extent such requirements exceed the requirement of the Second Amendment, they shall only apply to residences constructed subsequent to this Modification. Written approval or disapproval of such landscape plan shall be given by the Architectural Review Committee within 30 days from and after receipt of such plans by the Architectural Review Committee. Approval of such landscape plan shall not be unreasonably withheld; provided, however, that the Architectural Review Committee shall have the sole and exclusive right, in its sole discretion, to approve or reject any such landscape plan if, in its opinion, such landscape plan does not conform to the general standard and character of other Lots located within the Property. The minimum plantings described above do not include trees required by the City between the sidewalk and the street.

2. Paragraph 7 of the Second Amendment is hereby amended in its entirety to read as follows:

"7. No dwelling or other structure of any kind or type (not including an open porch) shall be located on any Lot within 40 feet of the front Lot line or within 15 feet of any side or rear Lot line, with measurement to be from the foundation of the dwelling or structure."

3. Paragraph 8 of the Second Amendment is hereby amended in its entirety to read as follows:

"8. All garages for any single family residences constructed on any Lot must, at a minimum, have three (3) stalls and be attached to the dwelling; no doors for any vehicular traffic entering any such garage may face the front Lot line of such Lot. The front of any corner Lot shall be determined by the location of the mailbox serving such residence. All mailboxes located on any Lot shall be constructed of brick or masonry material identical to the brick or masonry material utilized in the construction of the single family residence located on such Lot, and shall be designed and constructed in accordance with standard specifications established by the Architectural Review Committee."

4. Paragraph 9 of the Second Amendment is hereby amended by adding the following sentence to it:

"No swimming pool may be constructed or placed on any Lot without the prior written approval of the Architectural Review Committee. Any back-washing or drainage of a swimming pool must be to the appropriate city drainage pipes, and not directly on a Lot. A satellite T.V. dish not exceeding 24 inches in diameter is excepted from the approval process."

5. Paragraph 10 of the Second Amendment is hereby amended in its entirety to read as follows:

"10. No single family residence shall be constructed on any Lot, unless such single family residence has a minimum floor area, exclusive of terraces, patios, porches, car ports, garages, basements, walk-out basements, day-light basements, and lower levels, whether finished or not, of to-wit: (i) 3,000 square feet in the case of a one-story ranch style single family residence; or (ii) 3,400 square feet in the case of a one and one-half story or split-level single family residence; or (iii) 3,400 square feet in the case of a full two-story or three-story single family residence."

6. Paragraph 11 of the Second Amendment is hereby amended in its entirety to read as follows:

"11. The exterior of any single family residence constructed on any Lot must be faced with siding, stucco, stone or brick; provided, however, that in no event shall any such single family residence be faced with less than 60% brick or stone. Cultured stone may be permitted by written approval of the Architectural Review Committee. All exposed foundation walls of any single family residence constructed on any Lot shall be faced with brick, stucco, stone or siding. Chimneys of all fireplaces on the exterior of any single family residence constructed on a Lot shall be faced with brick or stone, not stucco or siding."

7. Paragraph 13 of the Second Amendment is hereby amended in its entirety to read as follows:

"13. Except as set forth in paragraph 12 above, and except for appropriate gutter and down spout systems, all single family residences constructed on any Lot shall have a roof consisting of #1 cedar shake shingles, #1 wood shingles or slate. In addition to the cedar and wood shingles set forth above, any roof located on any such single family residence may be constructed of concrete or faux slate shingles which are approved in writing by the Architectural Review Committee."

8. Paragraph 16 of the Second Amendment is hereby amended in its entirety to read as follows:

"16. No trailer, mobile home, tent, shack, barn or any other outbuilding erected in or on any Lot shall at any time be used as a residence, temporarily or permanently; nor shall any structure of a temporary character be used as a residence. No trailer, mobile home, motor coach, boat or heavy equipment (e.g. tractor, front end loader, etc.) may be stored or parked in any front or side yard. If the provisions of paragraph 9 of these Covenants are deemed to be in conflict with this paragraph, then the provision of paragraph 9 shall be deemed as the controlling provisions."

9. Paragraph 18 of the Second Amendment is hereby amended by adding the following sentence:

"This paragraph shall not prevent nor prohibit those companies involved in the construction of a home from placing on the construction site a sign advertising the company's name during home construction, provided such sign shall not exceed 36 inches by 24 inches and shall be removed upon substantial completion of the home and prior to occupancy."

10. Paragraph 19 of the Second Amendment is hereby amended in its entirety to read as follows:

"19. The Architectural Review Committee shall establish all grades, slopes and/or contours on all Lots and fix the grade upon which any single family residence hereafter is erected or placed on such Lot. Once such grades, slopes and/or contours have been established by the Architectural Review Committee, they will not be changed in connection with the construction of a single family residence on any Lot more than two (2) feet from the grades, slopes and/or contours established by the Architectural Review Committee, without prior written permission of the Architectural Review Committee, but in no event will any such Lot be graded or sloped so as to change the flow of surface waters to or from any adjoining Lots. All Lot owners must have their plans reviewed by an engineering firm and approved by the Architectural Review Committee before building in order to ensure conformity with the established grades, slopes and/or contours. The engineering firm must be one approved by the Architectural Review Committee."

11. Paragraph 21 of the Second Amendment is hereby amended in its entirety to read as follows:

"21. No walls, fences or hedges may be constructed, placed, planted or maintained within the 40 foot front yard set back required to be maintained pursuant to paragraph 7 of these Covenants. The design height, nature, materials and location of all walls and fences must be approved in writing by the Architectural Review Committee prior to construction, and shall not consist of wood, but shall be of brick, iron, stone, or steel or aluminum with the appearance of iron, or other material approved by the Architectural Review Committee. Approval of the design shall not be unreasonably withheld, provided, that the Architectural Review Committee shall have the sole and exclusive right, in its discretion, to approve or reject any fence design, if, in its opinion, such fence design does not conform to the general standard or character of fence designs for other Lots located within the Property or would conflict with the design of a fence or wall on adjoining Lots, or otherwise would be out of harmony with the surrounding structures and topography. Notwithstanding the above, the undersigned Lot owners hereby acknowledge and unconditionally waive any violation or breach of the above in connection with wood fences existing as of the date this paragraph was added to the Covenants."

12. Paragraph 23 of the Second Amendment is hereby amended in its entirety to read as follows:

"23. Once construction of any single family residence is begun on any Lot, such single family residence shall be completed, in accordance with the building and landscaping plans approved by the Architectural Review Committee, within 18 months, unless additional time is granted in writing by the Board of Directors of the Homeowners Association."

13. Paragraph 24 of the Second Amendment is hereby amended in its entirety to read as follows:

"24. All outdoor wiring for any Lot shall be placed underground. No wires for electric power, telephones, radios, televisions or for any other use shall be placed or permitted above the ground on any Lot except inside a residence. No aerials, antennas, televisions, satellite dishes exceeding 24 inches in diameter, poles, towers or other devices shall be placed or permitted above the ground on any Lot except when placed inside the single family residence constructed on such Lot below the roof line."

14. Paragraph 26 of the Second Amendment is hereby amended by deleting the last sentence thereof and adding to said paragraph 26 the following sentences:

"Vacant Lots and Lots under construction must be mowed and trimmed at least monthly and sprayed for broadleaf at least two times per growing season. The lawns of completed homes must be continually maintained with regular mowing, trimming and necessary weed control."

15. Paragraph 27 of the Second Amendment is hereby amended in its entirety to read as follows:

"27. No dirt from grading, excavation or resulting from any other activity on any Lot may be removed from the property without the prior written permission of the Board of Directors of the Homeowners Association. The Board of Directors of the Homeowners Association shall designate an area or areas within the property for stockpiling dirt and those placing dirt in such areas will level it so as to allow for mowing and maintenance."

16. Paragraph 29 of the Second Amendment is hereby amended by deleting the last sentence thereof and adding the following sentence:

"Any assessment not paid within 30 days after notice of such assessment has been mailed by the Homeowners Association shall bear interest at the rate of 16% per annum, until paid in full, and upon filing of a notice of non-payment of such assessment with the Register of Deeds of Lancaster County, Nebraska, shall constitute a lien on the Lot or Lots of such non-paying Lot owner; provided, however, that the lien of any such assessment shall be subordinate to the lien of any first mortgage or deed of trust filed of record against such Lot, but shall be superior to any other mortgage or deed of trust filed of record against such Lot."

17. Paragraph 30 of the Second Amendment is hereby amended by adding the following sentence thereto:

"Amendments to these Covenants may also be made during the initial term or any other subsequent 20 year term by the approval in writing by a two-thirds (2/3) affirmative vote of the number of votes entitled to be cast at any meeting of the Homeowners Association, provided such change is also first approved in writing by the City of Lincoln, Nebraska."

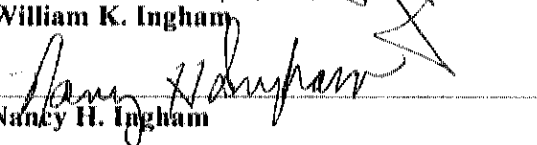

All other terms and conditions of the Second Amendment, except as amended herein, remain in full force and effect.

This Amendment shall be effective and dated as of the date of filing with the Register of Deeds of Lancaster County, Nebraska.
