

EASEMENT FOR ELECTRIC LINES AND/OR UNDERGROUND ELECTRIC FACILITIES

KNOW ALL MEN BY THESE PRESENTS:

That Mark A. Hansen and Anne E. Hansen, his wife, of Lancaster County, Nebraska, in consideration of \$1.00, receipt of which is hereby acknowledged, and the further payment of a sum to make total payment of \$1.00 for all poles and all anchors and other necessary equipment when set on the following described property, do hereby grant and convey unto the LINCOLN ELECTRIC SYSTEM

The Lincoln Telephone & Telegraph Company
T.V. Transmission, Inc.

its (their) lessees, successors and assigns, the permanent right, privilege and easement right-of-way to construct, operate, maintain and remove all necessary poles, wires, guys, underground electric facilities and other necessary equipment in connection therewith, on and across the following property situated in Lancaster County, Nebraska, more particularly described as follows,

A tract of land in the South One-Half of the Northwest Quarter of Section 27, Township 9 North, Range 7 East of the 6th P.M., Lancaster County, Nebraska more fully described by metes and bounds as follows:

Referring to the West One Quarter corner of Section 27, Township 9 North, Range 7 East of the 6th P.M.; thence North 89°40'58" East (an assumed bearing) on the South line of the Northwest Quarter of said Section 27 a distance of 50.00 feet and being the point of beginning; thence North 00°00'00" East and parallel to the West line of the Northwest Quarter a distance of 662.65 feet; thence North 89°40'58" East and parallel to the South line of said Northwest Quarter a distance of 1315.38 feet; thence South 00°00'00" West and parallel to the West line of the said Northwest Quarter a distance of 662.65 feet, said point being on the South line of the said Northwest Quarter; thence South 89°40'58" West on the South line of said Northwest Quarter a distance of 1315.38 feet to the point of beginning.

The electric line and underground electric facilities herein contemplated shall be located on the property approximately as follows:

The West Ten (10) feet.

The Grantee shall also have the privilege and easement of ingress and egress across the property to its (their) officers and employees for any purpose necessary in connection with the construction, operation, maintenance, inspection and removal of said line and underground electric facilities.

The Grantee shall also have the right at any time to trim or remove such trees and underbrush as may in any way endanger or interfere with the safe operation of the lines, underground electric facilities and equipment used in connection therewith.

The Grantee shall at all times exercise all due care and diligence to avoid injury or damage to the crops, livestock and other personal property of the Grantor, and the Grantee shall indemnify and save harmless the Grantor from any such damage and loss arising or occurring to such property solely by reason of the construction, operation, maintenance and removal of any overhead electric lines, however, in the event that all or part of the underground electric facilities which may be installed on said easement right-of-way becomes defective or unserviceable in the sole judgment of the Grantee, the Grantee shall have the right, without additional payment or consideration to the Grantor or their successors in title for any damage or loss occasioned thereby, to maintain, repair or replace such underground facilities; provided, if improvements to the property make the installation of such replacements impractical at the location of the original easement granted hereby, the Grantor or their successors in title shall grant and convey to the Grantee, for the same consideration as given herein, an easement for such further installation at a location on said property which is mutually satisfactory to the parties. If the parties fail to agree upon any such new location for the underground electric facilities, the Grantee shall have the right to determine the most suitable location for the easement therefor and the Grantor agrees to convey such easement; and if the parties fail to agree upon any such new location for underground electric facilities, the Grantee shall have no obligation to replace or provide the underground electric facilities across or to any such property. In determining the locations for further installation the Grantee shall at all times exercise due care and diligence to avoid injury or damage to the property of the Grantor or their successors.

The Grantee agrees that should the lines and underground electric facilities constructed hereunder be abandoned for a period of five years, the right-of-way or easement hereby secured shall then cease and terminate, and this contract shall be of no further force and effect.
