As a further consideration for this grant, the grantee herein agrees as follows:

All connections required, shall be furnished and paid for by Grantor with the exception of the meter, which is to be furnished and owned by the Grantee. Said tap will be provided by grantee from a convenient point on its main line or some lateral as the grantee may determine, and gas to be taken under this provision shall be measured and furnished to the grantor at the rates and upon the terms as may be established by grantee, or by any vendee of grantee, from time to time.
- (4) That grantee will replace or rebuild to the satisfaction of grantor or of his representative any and all damaged parts of all drainage systems, the damage to which shall be occasioned by the construction of said pipe lines under and through the above described premises.
