LETTER OF AFFIDAVIT

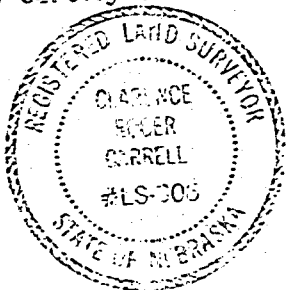

NOVEMBER 16, 1978

TO WHOM IT MAY CONCERN:

The building restriction line, as shown on the plat of Turtle Creek (Lots 1-109 and Sublots 1-3), an Addition in Douglas County, is in error. The building restriction line should coincide with the West line of the Northern Natural Gas Company Easement, as shown on said plat. This building restriction line involves Lots 36 thru 44, as shown on said plat.

The center line of the Northern Natural Gas Company Easement is the East line of Lots 36 thru 44, Turtle Creek.

I hereby certify to above statements.
