Introduce: 11-2-92

ordinance no. 16266

AN ORDINANCE creating a business improvement district under the authority of the Business Improvement District Act (Neb. Rev. Stat. § 19-4015 et seq.) to be known as the Downtown Maintenance District for the purpose of providing maintenance of certain public facilities and improvements in the downtown area of the City of Lincoln, Nebraska; providing a limit of 8 years on the existence of such district; providing for special assessments to be imposed within the district based upon the benefits conferred and providing maximum limits upon such assessments.

BE IT ORDAINED by the City Council of the City of Lincoln, Nebraska:

Public Hearing; Protests to Creation. That a resolution Section 1. entitled "Resolution of Intention to Establish a Business Improvement District for the Provision of Maintenance of Certain Public Facilities and Improvements in the Downtown Area" was adopted by the Lincoln City Council on October 19, 1992 as Resolution No. A-75086; that notice of such Intention was properly made by publication and by mailing a copy of said resolution to each owner of taxable property as shown on the latest tax roles of the County Treasurer within the proposed district; that a public hearing on such Intention was held by the City Council on November 9, 1992 during the regular City Council meeting commencing at 1:30 p.m. in the City Council Chambers on the first floor of the County-City Building, 555 South 10th Street, Lincoln, Nebraska; that at such public hearing, the City Council heard all protests and received evidence for and against the proposed Business Improvement District; that the City Council has ruled upon all written protests to the creation of such district which were received prior to the close of the hearing, and find that protest was not made by the record

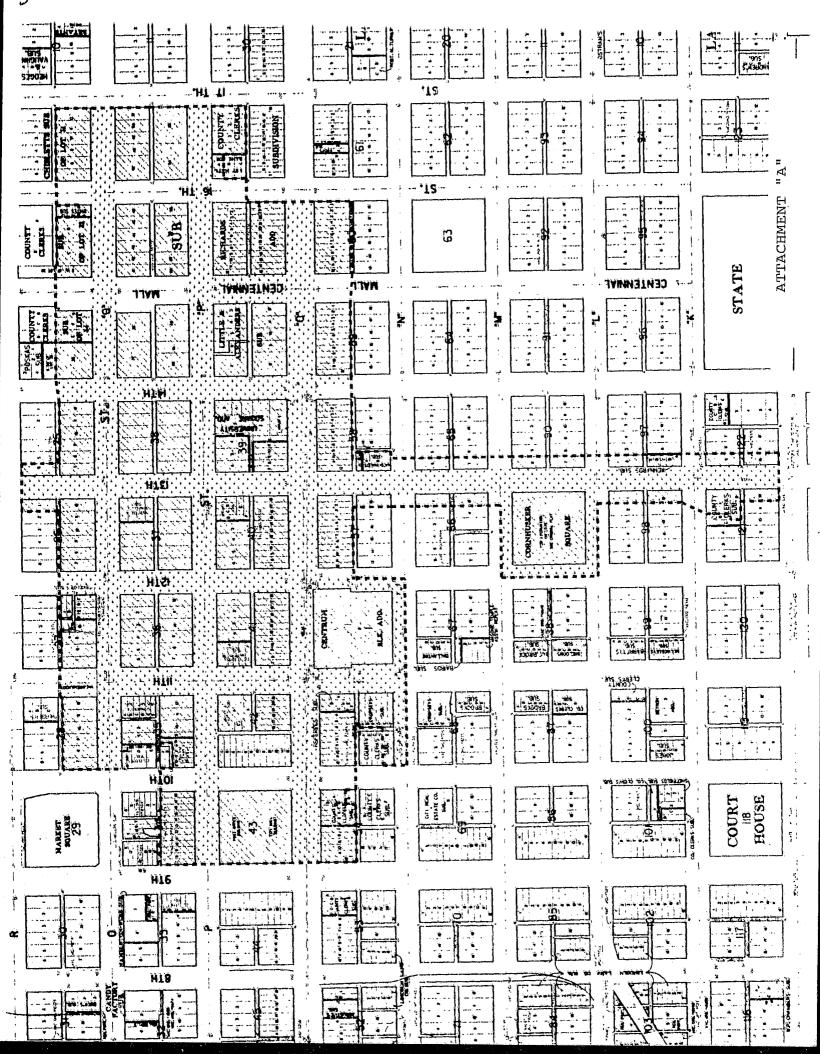

owners of over fifty percent (50%) of the assessable units in the proposed district.

1 ,

Improvements Included. That the Downtown Maintenance District is hereby established and created for a period ending November 30, 2000. The work to be performed within the district shall include maintenance (including watering of landscaping) and replacement of minor street trees, shrubbery, and other plantings, maintenance (not including repair) of public sidewalks, and snow removal from sidewalks located at intersections and handicapped ramps in high traffic areas.

District. The boundaries of the Downtown Maintenance District shall extend generally from 9th Street on the west to 17th Street on the east, and from "R" Street on the north to "N" Street on the south and shall, in addition thereto, include properties abutting upon 13th Street from "J" Street to "R" Street, including all of Cornhusker Square Addition. The specific boundaries and the property included therein are all more particularly shown on the map which is attached hereto, marked as Attachment "A", and made a part hereof by reference.

Section 4. Method of Assessment. For a period of 8 years from and after December 1, 1992, the cost and expenses for the work to be performed within the Downtown Maintenance District shall be levied as special assessments, fairly and equitably based upon the special benefits to the property within the District. Such special assessments shall be levied on a front-foot basis and, for the first 2 years of the existence of said District, shall not exceed \$1.35 per front foot; provided, however, that after the first 2 years, such costs may increase at a rate not to exceed 5% annually for each year thereafter. After
