Parcel No. 5

Lots 8, 9, 10, 11, 12 and 13, Block 7, in Westmont, a subdivision in Sarpy County, Nebraska.

5. Name of Condominium. This condominium shall be known as "The Westmont Condominium Property Regime."

6. Definitions. The definitions set forth in Section 76-802, of the Condominium Act shall govern this Master Deed and the attached By-Laws, unless the context otherwise requires. Apartment as defined in said statute is hereinafter referred to as unit.

7. Area of Land. The land which consists of Lots 1 and 2 of Block 7, Lots 1, 2, 5 and 6, of Block 8, and Lot 1 of Replat Lot 1 of Block 9, all in Westmont, a subdivision in Sarpy County, Nebraska, has an area of approximately 195,592 square feet.

8. Buildings. The condominium regime consists of twelve (12) buildings. Each building is a two-story fourplex. The buildings contain a total forty-eight (48) units. The total ground floor area of each of the buildings is 3,109 square feet. The total ground floor area of all of the buildings aggregates 37,308 square feet.

9. Units. Annexed hereto and made a part hereof as Exhibit "A" is a list of all the units in the buildings and their unit designations, approximate area, number of bedrooms, limited common elements to which each has exclusive use (all as shown on the floor plans of such buildings, certified by Architectural Research & Engineering Company, architects, attached to the Master Deed and Declaration of Westmont Condominium Property Regime No. 1 and of Westmont Condominium Property Regime No. 2, both filed in the office of the Registrar of Deeds of Sarpy County, Nebraska, Papillion, Nebraska, on the 16th day of April, 1973.

10. Ownership of Condominium Units. Each condominium unit shall be conveyed and treated as an individual property capable of independent use and fee absolute ownership, and the owner or

owners of each condominium unit shall own, as an appurtenance to the ownership of each condominium unit, an undivided interest in the common elements and have exclusive easement to use certain of the limited common elements and the undivided interest appurtenant being that which is hereinafter specifically assigned thereto. The percentage of undivided interest in the common elements assigned to each condominium unit shall not be changed without the unanimous consent of the owners of all of the condominium units.

11. Dimensions of Units. Each unit consists of the area measured horizontally from the unit side of the exterior structural wall of the building to the unit side of the structural wall and/or partitions; and in the case of carports, from the unit side of the structural column or posts. Vertically each unit consists of the space between the surface of the concrete floor of the lower level and the plane of the lowest structure of the roof; and in the case of garages and carport areas, from the surface of the concrete floor to the plane of the lowest structure of the roof.

12. Use of Units. Each of the units is restricted to residential use only.

13. Common Elements. Common elements being the general common elements and the limited common elements as defined in Section 14 below shall consist of the entire property including all parts of the building other than the units, and including, without limitation, the following:

- (a) The land on which the building is erected;
- (b) All roofs, foundations, columns, beams and supports;
- (c) All exterior walls of the building; all walls and partitions separating units from other common elements; all walls and partitions separating units;
- (d) The ground and all landscaping, roads and walkways, exterior lighting, recreational facilities, and driveways and parking areas;
- (e) All other parts of the property and all apparatus and installations existing in the building or on the property for common use or necessary or convenient to the existence, maintenance or safety of the property.

Air conditioning compressors or units are not common elements but are part of each unit and shall be maintained and replaced as needed by each owner. Each unit owner shall be responsible for the repair, maintenance and replacement of all exterior windows and doors, including garage doors; it being understood that the only common area maintenance of exterior windows and doors shall be the painting or finishing for the exterior surface thereof. If any unit owner fails to repair, maintain or replace the exterior of his unit as required in this Master Deed and in the By-Laws described below, the Association may perform such work, invoice the owner therefor, and secure and enforce a lien therefor against the owner and his unit in like manner as a delinquent assessment for common expense.

14. Limited Common Elements. "Limited Common Elements," as used herein, means those common elements designed in Exhibit A attached hereto and made a part hereof, reserved for the use of certain units to the exclusion of the other units.

6703
104

15. Determination of Percentages in Common Elements. The percentages of interest of the respective units in the common elements (hereinafter sometimes called the "common interests") have been determined upon the basis of the proportion which the value of each unit bears to the value of the property, and such values and percentages are set forth in Exhibit A attached hereto and made a part hereof.

16. Encroachments. In the event Section 76-310(2) of the Condominium Act is not applicable, then if any portion of the common elements encroaches upon any unit, or if any unit now encroaches upon any other unit, or upon any portion of the common elements, as a result of the construction of the building, or if any such encroachment shall occur hereafter as a result of settling or shifting of the building, a valid easement for the encroachment and for the maintenance of the same so long as the building stands, shall exist. In the event the building, the unit, any adjoining unit, or any adjoining common element shall be partially or totally destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings, and then rebuilt, encroachments of parts of the common elements upon any unit or of any unit upon any other unit or upon any portion of the common elements due to such rebuilding, shall be permitted, and valid easements for such encroachments and the maintenance thereof shall exist so long as the building shall stand.

17. Pipes, Ducts, Cables, Wires, Conduits, Public Utility Lines and Other Common Facilities Located Inside of Units. Each unit owner shall have an easement in common with the owners of all other units to use all pipes, wires, ducts, cables, conduits, public utility lines and other common facilities located in any of the other units and serving his unit. Each unit shall be subject to an easement in favor of the owners of all other units to use the pipes, ducts, cables, wires, conduits, public utility lines and other common facilities serving such other units and located in such unit.

18. Power of Attorney to Board of Directors. Each unit owner shall grant to the persons who shall from time to time constitute the Board of Directors, an irrevocable power of attorney, coupled with an interest, to acquire title to or lease any unit whose owner desires to surrender the same, or to sell or lease the same to the Board of Directors, or which may be the subject of foreclosure or other judicial sale, in the name of the Board of Directors or its designee, corporate or otherwise, on behalf of all unit owners, and to convey, sell, lease, mortgage, vote the votes appurtenant thereto or otherwise deal with any such unit so acquired or to sublease any unit so leased to the Board of Directors.

19. Person to Receive Service. Mr. David J. Cullan, Suite 220 U.S. National Bank-Regency, 10010 Regency Circle, Omaha, Nebraska, is hereby designated to receive notice of process in any action which may be brought against the Condominium.

20. Units Subject to Master Deed, By-Laws and Rules and Regulations. All present and future owners, tenants and occupants of units shall be subject to, and shall comply with the provisions of this Master Deed, the By-Laws, and Rules and Regulations, as they may be amended from time to time. The acceptance of a deed or conveyance or the entering into of a lease or the entering into occupancy of any unit shall constitute an agreement that the provisions of this Master Deed, the By-Laws and the Rules and Regulations as they may be

amended from time to time, are accepted and ratified by such owner, tenant or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such unit, as though such provisions were recited and stipulated at length in each and every deed or conveyance or lease thereof. No person, irrespective of the nature of his interest, shall bring any action or proceeding for partition or division of the property or any part thereof except as may be specifically permitted by the provisions of the Condominium Act, by the provisions hereof or by the By-Laws.

21. Amendment of Master Deed. This Master Deed may be amended only by the unanimous consent of all unit owners, cast in person or by proxy at a meeting duly held in accordance with the provisions of the By-Laws; provided, however, that any such amendment shall have been approved in writing by all mortgagees.

No amendment shall be effective until recorded in the Office of the Register of Deeds, Sarpy County, Papillion, Nebraska.

22. Reconstruction or Repair of Casualty Damage. In the event that two-thirds (2/3) or more of the total number of units are substantially damaged or destroyed, a decision not to reconstruct or repair such damage or destruction may be made within one hundred twenty (120) days of the date of such damage or destruction by the vote of at least seventy-five (75%) percent in number and in common interest of all unit owners, cast in person or by proxy at a meeting duly held in accordance with the provisions of the By-Laws. If less than two-thirds (2/3) of the total number of units are damaged or destroyed, it shall be mandatory that such damage be repaired and restored. All reconstruction and repairs must be made according to substantially the same plans, specifications, design and total cubic area, pursuant to which the building was initially constructed.

23. By-Laws, Rules and Regulations. Annexed hereto as Exhibits B and C respectively, are true copies of the By-Laws and Rules and Regulations governing the administration of the property. No modification of or amendment to the By-Laws shall be valid unless adopted in accordance with the provisions thereof and such modification or amendment is duly recorded.

24. Invalidity. The invalidity of any provision of this Master Deed shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Master Deed and, in such event, all of the other provisions of this Master Deed shall continue in full force and effect as if such invalid provision had never been included herein.

25. Waiver. No provision contained in this Master Deed shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

26. Captions. The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of this Master Deed nor the intent of any provision hereof.

27. Gender. The use of the masculine gender in this Master Deed shall be deemed to refer to the feminine gender and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

All such unpaid common charges and assessments shall constitute a lien on such unit prior to all other liens except those specified in Section 76-817 of the Condominium Act. The Board of Directors shall have the right and duty to attempt to recover such common charges and assessments together with interest thereon, and the expenses of the proceeding, including attorney fees, in an action to recover the same brought against such unit owner, or by foreclosure of the lien on such unit granted by Section 76-817 of the Condominium Act.

Section 7. Foreclosure of Liens for Unpaid Common Charges and Assessments. In any action brought by the Board of Directors to foreclose a lien on a unit because of unpaid common charges or assessments, the unit owner shall be required to pay a reasonable rental for the use of his unit, and the Plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Board of Directors, acting on behalf of all unit owners, shall have power to purchase such unit at the foreclosure sale, and to acquire, hold, lease, mortgage, vote the votes appurtenant to, convey or otherwise deal with the same. A suit to recover a money judgment for unpaid common charges or assessments shall be maintainable without foreclosing or waiving the lien securing the same.

Section 8. Statement of Common Charges. The Board of Directors shall promptly provide any unit owner so requesting the same in writing, with a written statement of all unpaid common charges or assessments due from such unit owner.

Section 9. Abatement and Enjoining of Violations by Unit Owners. The violation of any rule or regulation adopted by the Board of Directors or the breach of any of these By-Laws contained herein, or the breach of any provisions of the Master Deed, shall give the Board of Directors the right, in addition to any other rights set forth in these By-Laws: (a) to enter into the unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting unit owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and the Board of Directors shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach, or (c) to deny partially or wholly access to, benefit from, or use of all or any unit facilities, functions, or services, or suspend, partly or wholly of all or any rights or privileges of membership or any other disciplinary action directed by the Board of Directors.

Section 10. Maintenance and Repair.

- (a) Subject to the terms of the Master Deed, all maintenance of and repairs to any unit, structural or non-structural, ordinary or extraordinary (other than maintenance of and repairs to any common area, limited common area, and facilities contained therein, except as provided in Section 10(c) hereof, and not necessitated by the negligence, misuse or neglect of the owner of such unit) shall be made by the owner of such unit. Each unit owner shall be responsible for all damage to any and all other units and/or to the common areas and facilities, that his failure so to do may engender.
- (b) All maintenance, including lawn maintenance and snow removal, repairs and replacements to the common areas and facilities, and to the limited common areas and facilities, whether located inside or outside of the units, shall be made by the Association and be charged to all the unit owners as a common expense, unless such maintenance, repair, or replacement is necessitated by the negligence, misuse or neglect of a unit owner, in which case, such expense shall be charged to such unit owner.
- (c) All unit owners shall have the right to make improvements in the limited common areas pertaining to their unit at their sole cost and expense. The maintenance and repair of said improvements shall be at the unit owner's expense. In the event said improvements are not kept in good repair, the Board of Directors may cause such repairs to be made as are necessary, and charge same to the unit owner. Any such charges shall become a lien on said unit, and be subject to the provisions of Article V, Section 6 hereof.

Section 11. Restriction on Use of Units. In order to provide for congenial occupancy of the Property and for the protection of the value of the units, the use of the property shall be restricted to and shall be in accordance with the following provisions:

- (b) The common areas and facilities, including the limited common areas and facilities, shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of the units.
- (c) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the Property by its residents.
- (d) No improper, offensive or unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning laws and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property shall be corrected, by and at the sole expense of the unit owners or the Board of Directors, whichever shall have the obligation to maintain or repair such portion of the Property.

Section 12. Additions, Alterations or Improvements by Unit Owners. No unit owner shall make any structural addition, alteration or improvement in or to his unit, or the limited common areas pertaining thereto, including any exterior painting or exterior alteration or addition (including awnings, grills, etc.) without the prior written consent thereto of the Board of Directors. The Board of Directors shall have the obligation to answer any written request by a unit owner for approval of a proposed structural addition, alteration or improvement in such owner's unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Directors to the proposed addition, alteration or improvement. Any application to any governmental authority for a permit to make an addition, alteration or improvement in or to any unit shall be executed by the Board of Directors only, without, however, incurring any liability on the part of the Board of Directors or any of them to any contractor, subcontractor or material-man on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom.

Section 13. Right of Access. In case of an emergency, such right of entry shall be immediate, whether the unit owner is present at the time or not.

Section 14. Rules of Conduct. Rules and regulations concerning the use of the units and the common areas and facilities, including the limited common areas and facilities, may be promulgated and amended by the Board of Directors with the approval of a majority of the unit owners. Copies of such rules and regulations shall be furnished by the Board of Directors to each unit owner prior to the time when the same shall become effective. Initial rules and regulations, which shall be effective until amended by the Board of Directors with the approval of a majority of the unit owners, are annexed hereto and made a part hereof.

Gas shall be supplied by the public utility company serving the area directly to each unit through a separate meter and each unit owner shall be required to pay the bills for gas consumed or used in his unit. Notwithstanding the foregoing, a unit owner may convey or sell his unit, subject to all other provisions of these By-Laws, to a purchaser who in writing assumes all unpaid common charges and assessments and who agrees to take such unit subject to all unpaid liens against same.
