5. Fences and Dog Runs. Fences shall not be located on any lot nearer to the street than the structure located on said lot. Any fence installed on any Lot by the Developer shall be maintained by the owner of such Lot, at the owner's sole expense and the owner shall keep such fence in good order and repair and replace the same with the same style and equal quality fence when and if reasonably necessary. No dog runs shall be permitted.

6. Moved Dwellings. Existing houses from other locations or houses built in another location may not be moved or placed on any lot within this subdivision without the written consent of the Developer or its designee.

7. Weeds. The title holder of each lot, vacant or improved, shall keep his/her lot or lots free from weeds and debris.

8. Sidewalks. Portland Cement Concrete public sidewalks four feet wide by four inches thick shall be constructed in front of each building lot and along the street side of each corner lot. The sidewalks shall be placed four feet back of the street curb line.

plans and specifications with regard to type, quality and use of exterior materials, exterior design, location of improvements upon the building plot, and proposed finished grades; provided that Developer and its designee specifically reserve the right to deny permission to construct any type of structure, or improvement which it determines will not conform to the master plan for development of the subdivision. Failure of the Developer or its designee to give either written approval or disapproval of a submitted plan within thirty (30) days after the submittal of said plan, by mailing such written approval or disapproval to the last known address of the applicant for approval as shown on the submitted plan, shall operate as approval of the plan as submitted.
