to

Job No. GC-M 3875

WHOM IT MAY CONCERN:

Notice is hereby given that Metropolitan Utilities District has, under its construction order procedure, installed a 48" main in the following streets:

On 123rd Street between Shirley Street and Bel Drive

in Omaha, Douglas County, Nebraska, or adjoining said city, abutting the lots or parcels of land described below:

Lots 82, 83, 84, 85, 86, 87, 88, 106, 107, 108, 109, 110, 111, 112, 113 and 114, Bel Air Village

A connection charge of \$ 58¢ per foot will be made as to each of said lots or parcels of land whose owners apply for, and receive, service from said main. This charge is in lieu of an assessment which would have been made if said main had been installed under the statutory procedure for main extensions. The connection charge may be paid in full, or in installments, as provided by the Rules and Regulations of Metropolitan Utilities District.

When the connection charge has been paid in full by the owner of a lot, a receipt will be issued and may be recorded by him. Inquiry may be made of the New Service Section of Metropolitan Utilities District as to whether a connection to said main has been made as to any one of the lots or parcels of land hereinabove described, and the amount of the connection charge remaining unpaid, if any.
