I.

All lots above described shall be known as residential lots. No structures shall be erected, altered, placed or permitted to remain on any residential building plot other than one single family dwelling.

VIII.

Enforcements shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

IX.

Invalidation of any one of these covenants by judgment or court order shall in no wise effect any of the other provisions which shall remain in full force and effect.

X.

Nothing contained in this instrument shall in any wise be construed as imposing upon the undersigned any liability, obligation, or requirement for its enforcement.

XI.

Each residence shall have an attached garage, attached carport, attached combination carport and garage or basement garage with minimum accommodation for two cars. In the event a basement garage is constructed, the exposed foundation wall shall be of brick or stone veneer.
