CONTRACT.

File NO. _____

This indenture made this 17th day of April, 1930, by and between NEBRASKA POWER COMPANY, a corporation hereinafter called "The Company" and Fred J. Hagedorn and Antonette E. Hagedorn, husband and wife of the County of Sarpy State of Nebraska, hereinafter called "Grantor":

WITNESSETH: That for and in consideration of \$5.00, receipt whereof is hereby acknowledged by the Grantor, and the further payment of a sum to make a total payment of \$10.00 per pole for each and every pole set on the following described property, said sum to be paid as hereinafter provided, and mutual covenants and agreements herein contained the Grantor does hereby grant and convey unto the Company, its lessees, successors, and assigns, the perpetual right, privilege, easement, authority and right of way to construct, operate and maintain its poles, electric transmission lines, wires, guys and other fixtures and appliances, over, upon along and above the following described property, situated in Sarpy County, State of Nebraska, to-wit: South Half (S1) of North West Quarter (NW1) Section Twenty (20), Township Fourteen (14) North Range Twelve (12) East of the 6th P.M.

The electric transmission line shall be built of double pole construction, commonly called "H" frame construction, with a spacing between structures generally approximately 600 feet and not less than 300 feet. The poles of the individual "H" frames shall be set on ten foot centers, the center line of said "H" frames being the east and west center lines of said section Twenty (20) aforementioned. ~~the east and west center lines of said section Twenty (20) aforementioned.~~ This making one pole five feet north of and one pole five feet south of said east and west center line of said section twenty (20).

The Grantor does hereby further grant unto the Company, its lessees, successors and assigns, the right, privilege and authority to enter upon and pass over said property and the property of the Grantor adjacent thereto for the purpose of construction, repairing, operating and maintaining said lines and equipment upon the property above described.

The Grantor does hereby further grant unto the Company, its lessees, successors and assigns the permanent right, privilege and authority to cut down or trim trees under or within Twenty-five (25) feet of the Company's lines, and to cut down or trim any trees or limbs of trees on either side thereof as would be a hazard to said lines in breaking off and falling over or against said lines. All refuse or debris resulting from such tree trimming shall be disposed of in the following manner, to-wit: Clean up and burn all wood and brush.

The Company shall at all times exercise all due care and diligence to avoid any injury or damage to the crops, livestock and other personal property of the Grantor and the Company agrees to indemnify and save harmless the Grantor from any and all such damage and loss arising or occurring to such property solely by reason of the construction, operation, and maintenance of said transmission lines.

The Company agrees that should the transmission lines constructed hereunder be abandoned for a period of five years, the right of way or easement hereby secured shall then cease and terminate, and this contract shall be of no further force and effect against the property hereinabove described.

It is expressly agreed that in the event the Company is unable to obtain a right of way by purchase, easement or otherwise over and across all of the intervening property, commencing at East line of section 22-14-12 and ending at Center section 23-14-11 so as to
