KNOW ALL MEN BY THESE PRESENTS that WILLIAMS PIPE LINE COMPANY, (formerly Williams Brothers Pipe Line Company), a Delaware corporation with its principal place of business in Tulsa, Oklahoma, party of the first part, (hereinafter called "WPL"), for and in consideration of One Dollar (\$1.00) in hand paid by Heartland Acreage Developers, Inc. party(ies) of the second part, (hereinafter called "Landowner", whether one or more) and the covenants hereinafter contained to be kept by Landowner, WPL does hereby release and forever quit claim, with the intent to extinguish, all of its right, title and interest acquired by that certain Right of Way Agreement executed by Minnie May Allen Lazure and Joe Lazure, her Husband, on the 25th day of February, 19 41, and filed for record in the office of the County Clerk of Washington County, Nebraska on the 4th day of April, 19 41, in Book J at Page 147, in and to the following and no other described land in the County of Washington and the State of Nebraska, which Landowner represents and warrants to be the present owner of:

AND FURTHER EXCEPTING AND RESERVING unto WPL, the right of ingress and egress and the right to use temporary work space as desired, on, over, and across Landowner's Land.

It is strictly understood that nothing herein contained shall in anywise diminish WPL's right, title and interest, in and to the Easement Tract above excepted unto WPL.

It is further understood and agreed that the Landowner will not erect, construct, plant or create any building, improvement, roads, structure, trees, shrubs or obstruction of any kind either on, above, or below the surface of the ground on the Easement Tract, or change the grade or elevation thereof, or cause or permit these things to be done by others, without the prior written permission of WPL. Landowner further agrees not to perform or allow to be performed by others any such construction or mining activities which would endanger lateral support for the ground within the Easement Tract. The Landowner shall assume, indemnify, save harmless, and at WPL's option, defend WPL, its affiliated companies and their directors, officers, employees, and agents, and their successors and assigns, from all cost, loss, damage, expense, or claim of any nature arising from any acts of Landowner, permitted by WPL or otherwise, or from the existence of any construction or mining so permitted.

In consideration of One Dollar and other consideration paid by WPL to Landowner, the receipt and sufficiency of which is hereby acknowledged, the aforementioned Right of Way Agreement is hereby amended by Landowner in that Landowner hereby grants, sells and conveys to WPL the free, uninterrupted, perpetual and commercial right, privilege and easement to lay, construct, maintain, inspect, operate, repair, replace, change the size of, protect and remove (a) existing and future pipelines for the transportation of liquids, gases or other materials which can be transported through a pipeline, with fittings, valves, cathodic protection equipment and related appurtenances, and (b) existing and future lines, cables, conduits and related equipment and appurtenances for telecommunications or other purposes, whether or not related to pipelines (all the foregoing being sometimes hereinafter collectively called "WPL's Lines") over, through, under and across the Easement Tract, together with the right of ingress and egress across Landowner's Land for all purposes incident to the exercise of the aforesaid rights, the right to environmentally remediate Landowner's Land if a release should occur from WPL's Lines and the right to place on Landowner's Land incidental equipment to facilitate the exercise of the aforesaid rights. No additional compensation shall be payable to Landowner for the aforesaid rights or any damage resulting to the property of Landowner, Landowners successors or assigns, except where expressly provided for in the aforementioned Right of Way Agreement; provided, however, WPL shall have the right to keep the Easement Tract clear of trees, undergrowth, brush, ornamental or other vegetation. The aforementioned Right of Way Agreement is restated accordingly.

674

The covenants contained in this Agreement shall constitute covenants running with the land and shall be binding upon and inure to the benefit of the parties hereto, their personal representatives, heirs, successors and assigns. WPL shall have the right to assign the rights granted herein or in the aforementioned Right of Way Agreement in whole or in part. WPL executes this Agreement solely on its own behalf. WPL does not represent, through this Agreement or otherwise, any other entity other than WPL and its future successors and assigns.

It is further understood and agreed that WPL is hereby released from the covenants contained in the aforesaid Right of Way Agreement as to the lands herein released from the burdens thereof.
