1. The Easements, as set forth in the Initial Covenants, shall remain in full force and effect, according to the term and conditions set forth therein.

2. Other easements as granted and provided for in the final plat of Armbrust Acres Fourth Addition which have been filed with the Register of Deeds of Douglas County, Nebraska (Book 1736, Page 186) shall remain in full force and effect, according to the term and conditions set forth therein.

3. All utility service lines from each Lot line to a dwelling or other Improvement shall be underground.

ARTICLE III DUES AND ASSESSMENTS

1. Imposition of Dues and Assessments. The Association may fix, levy and charge the Owner of each Lot with dues and assessments (herein referred to respectively as "dues and assessments") under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the times and in the manner prescribed by the Board.

2. Liens and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

3. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purposes of the Association as described in the bylaws thereof, and to otherwise accomplish the purposes of this Declaration.

4. Maximum Annual Dues. The aggregate dues which may become due and payable in any year shall not exceed the greater of:

(a) One Hundred Twenty-Five and 00/100 Dollars (\$125.00) per Lot; or

(b) In each calendar year beginning on January 1, 2009, one hundred ten percent (110%) of the aggregate dues charged in the previous calendar year.

5. Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.

6. Effect of Nonpayment of Assessments-Remedies of the Association. Any installment of dues or assessments which is not paid by March 31 of each calendar year shall be delinquent and shall be a lien on the subject property. Delinquent dues or assessment shall bear interest from the due date at the rate of eight percent (8%) per annum, compounded annually. The Association may, but shall not be required to, bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of common areas or abandonment of his Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

ARTICLE IV GENERAL PROVISIONS

1. The Association or any Owner of a Lot named herein shall have the right to enforce by a proceeding at law or in equity, all reservations, restrictions, conditions and covenants now or hereinafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other dues of such violation. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

2. The covenants and restrictions shall run with and bind the land for a term of sixty (60) years from the date this Declaration is recorded. This Declaration may be amended by an instrument signed by the owners of not less than Sixty Percent (60%) of the Lots covered by this Declaration.

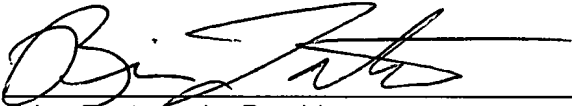

3. Invalidation of any covenant by judgment or court order shall in no way affect any of the other provisions hereof, which shall remain in full force and effect. Waiver of any covenant in any instance shall in no way constitute an ongoing waiver with respect to the same covenant in any other instance, or any other covenant.

4. For purposes of this Declaration, terms not otherwise defined herein shall have the meaning given to such terms in the initial recitals.

THE REMAINDER OF THIS PAGE IS INTENTIONALLY BLANK.

IN WITNESS WHEREOF, the parties have executed this Amendment effective as of the day and year first written above.
