Tabitha New Community Home Owners Association (Association) has been incorporated in Nebraska for the purposes of enforcing the Restrictive Covenants established upon the properties and of administering and maintaining the commons.

These Restrictive Covenants are established upon the properties.

1. USE: No lot within the properties shall be used other than for residential purposes.

No person shall occupy any building upon a lot within the properties except:

- A. A person who is at least 50 years of age.
- B. A person who is related to another occupant by marriage.
- C. Not more than two persons, over the age of 16, related to another occupant by consanguinity.
- D. Person eligible to occupy housing for the elderly or handicapped under applicable federal regulations.

2. COMPLETION OF CONSTRUCTION: Any building placed or constructed upon any lot within the properties shall be completed within six months after the commencement of construction.

3. APPROVAL OF PLANS: Plans for any improvement to be placed or constructed upon any lot within the properties shall be submitted to the Association and shall show the design, size and exterior material for the improvement and the plot plan for the lot. One set of plans shall be left on permanent file with the Association. Construction of the improvement shall not be commenced unless written approval of the plans has been secured from the Association. Written approval or disapproval of the plans shall be given by the Association within 30 days after receipt. Approval of the plans shall not be unreasonably withheld, and upon disapproval, a written statement of the grounds for disapproval shall be provided. The Association shall have the exclusive right to disapprove the plans, if in the Association's opinion the plans do not conform to the general standard of development within the properties.

Those lots owned by Tabitha Development Corporation, or any successor as owner of Blocks 6, 10 or 11, Tabitha New Community Addition or of one-half of the then remaining undeveloped lots within the properties, shall not be subject to the provisions of this paragraph.

4. TEMPORARY STRUCTURES: No partially completed dwelling or temporary building and no trailer, tent, shack or garage on any lot within the properties shall be used as either a temporary or permanent residence.

5. NUISANCE: No noxious or offensive activity shall be conducted or permitted upon any lot within the properties, nor anything which is or may become an annoyance or nuisance to the neighborhood or which endangers the health or unreasonably disturbs the quiet of the occupants of adjoining lots.

6. SIGNS: No advertising signs, billboards, or other advertising devices shall be permitted on any lot within the properties. However, the Owners may erect signs advertising lots for sale within the properties, and a sign advertising a single lot for sale may be erected upon any lot.

7. ANIMALS: No animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot within the properties for any commercial purpose.

8. PARTY WALLS: Any wall constructed on any common lot line between two adjoining lots within the properties shall be a party wall. Any expense of structural repair, replacement or reconstruction of a party wall, or of the protection of a party wall against the natural elements, shall be borne equally by the members who are the titleholders of the adjoining lots. The provisions of this paragraph shall not operate to relieve any member from any liability which the member may incur by reason of

negligent or willful acts or omissions resulting in damage to a party wall.

9. COMMON UTILITY LINES: When any utility line shall be constructed on two or more adjoining lots within the properties, each member who is the titleholder of one of the adjoining lots shall have an easement for the maintenance, repair and replacement of the utility line upon all of the adjoining lots, which easement shall be appurtenant to the interest requisite for membership. Any expense of maintenance, repair or replacement of the utility line shall be borne equally by the members who are the titleholders of such adjoining lots. The provisions of this paragraph shall not operate to relieve any member from any liability which such member may incur by reason of negligent or willful acts or omissions resulting in damage to the utility line.

10. HOMEOWNERS ASSOCIATION: Every person or entity who becomes a titleholder of a fee or undivided fee interest in any living unit within the properties, including a condominium or apartment unit, shall be a member of the Association. However, any person or entity who holds such interest merely as security for the performance of an obligation shall not be a member. Only one vote may be cast for each living unit, and the owner of a living unit may authorized the occupant to cast such vote.

11. USE OF COMMONS: Each member of the Association shall have the right to use and enjoy the commons and shall have an easement upon the commons for the use thereof, which shall be appurtenant to the interest requisite for membership.

12. RIGHTS IN COMMONS: The rights and easements of the members of the Association shall be subject to:

- A. The right of the Association to borrow money for the purpose of improving the commons and to mortgage the commons. In the event of default, the mortgagee shall have the right, after taking

possession of the commons, to charge admission and other fees as a condition of the continued use of any recreational facilities within commons by the members, and to open the facilities to a wider public until the mortgage debt is satisfied. Any mortgage of the commons shall be approved by the affirmative vote of two-thirds of the members entitled to vote, present in person or by proxy, at a regular meeting of the members or at a special meeting of the members, if notice of the proposed mortgage is contained in the notice of the special meeting.

- B. The right of the Association to take any steps reasonably necessary to protect the commons against foreclosure.
- C. The right of the Association to suspend the enjoyment of the facilities by any member for any period during which an assessment remains unpaid, and for a period not to exceed 30 days for any infraction of the published rules and regulations governing the use of the facilities.
- D. The right of the Association to charge reasonable admission and other fees for the use of the facilities.
- E. The right of the Association to dedicate or convey all or any part of the commons to any public entity. Any dedication or conveyance shall be approved by the affirmative vote of two-thirds of the members entitled to vote, present in person or by proxy, at a regular meeting of the members or at a special meeting of the members, if notice of the proposed dedication or conveyance is contained in the notice of the special meeting.

13. MAINTENANCE OF COMMONS: The Association covenants and each member of the Association, by the acceptance of a deed by which the interest requisite for membership is acquired, shall be deemed to covenant to maintain the commons, which covenants by the members shall be satisfied by the payment of annual and special assessments for the administration, maintenance or improvement of the commons. Annual and special assessments shall be uniform as to each living unit within the properties. Each assessment shall be the personal obligation of the member who is, or was, the titleholder of the living unit assessed at the time of the assessment, shall bear interest at the rate of ten percent

per annum until paid and, when shown of record, shall be a lien upon the living unit assessed.

14. USE OF COMMON DRIVEWAYS: Each member of the Association, who is the titleholder of a living unit which has access to a street by way of a common driveway, shall have an easement upon such common driveway for ingress and egress from and to the street, which shall be appurtenant to the interest requisite for membership.

15. MAINTENANCE OF COMMON DRIVEWAYS: The Association covenants to maintain each common driveway serving two or more living units. Each member of the Association, who is the titleholder of a living unit which has access to a street by way of a common driveway, shall be deemed to covenant to maintain the common driveway. The covenants by such members may be satisfied by the payment of annual and special assessments for the maintenance of common driveways. Each assessment shall be the personal obligation of the member who is, or was, the titleholder of the living unit assessed at the time of the assessment, shall bear interest at the rate of ten percent per annum until paid and, when shown of record, shall be a lien upon the living unit assessed.

16. MAINTENANCE OF EXTERIORS: The Association may maintain any lot and the exterior of any improvements within the properties, excluding glass surfaces, and shall have the right to enter upon any lot within the properties, at reasonable times, to perform maintenance. The cost of maintenance shall be specially assessed. Each assessment shall be the personal obligation of the member who is, or was, the titleholder of the living unit assessed at the time of the assessment, shall bear interest at the rate of ten percent per annum until paid and, when shown of record, shall be a lien upon the living unit assessed.

17. INSURANCE: Each member of the Association shall be deemed to covenant to maintain fire and extended coverage insurance on improvements in an amount equal to the full insurable value thereof. Any proceeds of insurance shall be applied, to the extent required by the Association, to the repair or reconstruction of the improvements. The Association may maintain such insurance and add the cost thereof to the next annual assessment.

18. LIEN OF ASSESSMENTS: The lien of any annual or special assessment shall be subordinate to the lien of any mortgage placed upon the lot against which the assessment is levied.

19. ANNUAL AND SPECIAL ASSESSMENTS: Annual and special assessments, other than for capital improvements, may be levied by the board of directors of the Association. The total of all assessments for any year shall not exceed 110% of the total for the prior year unless approved in the same manner as a special assessment for capital improvements. Any special assessment for capital improvements shall be approved by the affirmative vote of two-thirds of the members affected and entitled to vote, present in person or by proxy, at a regular meeting of the members or at a special meeting of the members, if notice of a special assessment is contained in the notice of the special meeting.

20. ADDITIONS: Tabitha Development Association may add additional contiguous or adjacent real estate to the properties or the commons, at any time, with the approval of the Association. Any addition shall be approved in the same manner as a special assessment for capital improvements. Additions shall be made by the execution and recordation of Restrictive Covenants upon the additional real estate, making the addition subject to these Restrictive Covenants.

21. AMENDMENTS: These Restrictive Covenants shall run with the land and shall be binding upon and enforceable by the owners and all persons claiming under the owners. These Restrictive

Covenants may be terminated or modified, in writing, by the owners of two-thirds of the lots within the properties, at any time.

22. ENFORCEMENT: The enforcement of these Restrictive Covenants may be by proceedings at law or in equity against any person violating or attempting to violate any provision hereof. The proceedings may be to restrain the violation, or to recover damages and, by the Association, may be to enforce any lien or obligation created hereby.

23. SEVERABILITY: The invalidation of any one of these Restrictive Covenants shall not affect the validity of the remaining provisions hereof.
