

4333

AMENDMENTS TO COVENANTS

All of the undersigned, being the owners of lots which are subject to restrictions, easements and covenants that are governed and enforced through the Tabitha New Community Homeowners Association, hereby amend such Covenants, so as to comply with the federal rules and regulations concerning age limitations imposed upon ownership and occupancy of dwellings within the confines of the Tabitha New Community subdivisions.

Originally Article VII, Use Provisions, read as follows:

Section 1, Age Restriction.

(a) No dwelling place or lot shall be inhabited by any person who is not at least 50 years of age, except as hereinafter provided.

(b) No dwelling place or lot shall be sold, leased, transferred, or conveyed to any person, firm or corporation who is not an individual and who is not at least 50 years of age; provided, however, that this restriction shall not apply if such party agrees in writing on a form satisfactory to declarant that such property shall be inhabited solely by a person or persons who are at least 50 years of age; and provided, further, that such restriction shall not prevent the mortgage of such property to a person, firm, or corporation which does not meet such requirements.

(c) Other provisions herein now withstanding, any one or two persons, but not more, under the age of 50 but age 18 or older, may inhabit any dwelling place or lot provided that such person(s) is related by consanguinity to inhabitant of the same dwelling place or lot who is at least 50 years of age.

(d) The provisions foregoing notwithstanding, nothing herein shall prohibit a spouse from co-inhabiting a dwelling unit with his or her spouse.

These restrictive covenants were amended on or about March 4, 1986 and filed of record on or about that date at Document No. 86-5464. The said use restrictions were amended to read as follows:

1. USE: No lot within the properties shall be used other than for residential purposes.

No person shall occupy any building upon a lot within the properties except:

- A. A person who is at least 50 years of age.
- B. A person who is related to another occupant by marriage.

2

C. Not more than two persons, over the age of 16, related to another occupant by consanguinity.

D. Person eligible to occupy housing for the elderly or handicapped under applicable federal regulations.

WHEREAS, the undersigned, being at least two-thirds of the owners of property in the Tabitha New Community subdivision, wish to amend the covenants of Tabitha New Community subdivisions as amended by adding the following paragraphs as an amendment to the said covenants as amended, and striking all paragraphs previously referred to herein.

NOW, THEREFORE, the undersigned hereby agree that the said covenants as amended, shall be amended as follows:

ARTICLE VII. Use Restriction.

A. No lot within the property shall be used other than for residential property.

B. Ownership and occupancy of each living unit is hereby restricted to parties of the age of 55 years and older provided, however, that one of two or more joint owners may be under the age of 55 provided that the said owner of owners under the age of 55 sign an affidavit acknowledging their understanding that they may not reside in the living unit nor use any of the improvements or common elements until those parties signing the affidavit reach the age of 55.

C. A party under the age of 55 may own and/or reside in a living unit and make use of any and all improvements or common elements in the event that his or her spouse is of the age of 55 or more and is also an owner or resident of the same unit, and such a party, under the age of 55, may continue such ownership or residence of the same unit after the demise of that spouse of age 55 or older.

D. A party under the age of 55 but over the age of 14 may reside in a living unit and make use of any and all improvements or common elements in the event that that individual, provided no more than two such individuals in any one living unit, is related to another permitted occupant of that living unit by consanguinity.

E. The provisions of the foregoing notwithstanding, these age restrictions shall not apply to inhabitants of Lot 1, Block 2, Tabitha New Community Second Addition, if said inhabitants are eligible to occupy the said premises as elderly or handicapped families within the meaning of 12 U.S.C. Paragraph 170 (q) and 24 C.F.R. Part 885, as the same now exists or may hereinafter be amended.

F. This amendment is effective in accordance with the Federal Fair Housing Amendments Act of 1988, and particularly paragraph 100.304, however, shall have no affect upon those parties presently owning a unit or residing in any unit and shall be perspective in enforcement only.

G. These amendments are to be interpreted in such a way as to comply with all Federal and State laws and regulations relating to such matters.

All other covenants, as amended, shall remain in full force and effect and the invalidation of any one of these or any other covenants shall not effect the validity of the remaining provisions hereof.

The following homeowners as members of the Tabitha New Community Homeowners Association do hereby approve of the above amendments to the covenants as set forth herein above by attachments of their signatures hereto as follows:
