REVISED 11 - 88 AGREEMENT CONCERNING TELEPHONE FACILITIES BOOK 926 PAGE 28 INSTALLED IN LAND DEVELOPMENTS AFTER JANUARY 27, 1986

WHEREAS, Developer is currently developing a	ION .
a contract of the contract of	(Hereinafter "Developer"). new subdivision in DOUGLAS
County, Nebraska, known as AUTUMN RIDGE	
WHEREAS, Developer has requested that NWB prodistribution facilities to the Development; and,	
WHEREAS, NWB has agreed to provide such faci. security deposit being paid by the Developer prior	lities to the Development without a
placement, if the Developer complies with certain	terms and conditions set forth in
AWB'S tariff concerning facility charges for the p	new areas of land development that is
on file with the Nebraska Public Service Commission Now, therefore, pursuant to said tariff the	on; parties hereto agree as follows;
(1) This Agreement covers a Development which	ch is described as follows:
Being a platting of part of the southea 14 north, range ll east of the 6th P.M.	st % of section 4, township
(2) This Development contains the following	number of lots: 223
Numbered 1 thru 223 inclusive (3) Developer states that it is the Owner or	f the lete lieted in December 2
and that if hinety percent of the lots in the Deve	elopment are not improved within five
years from the date the feeder and distribution fa	acilities are installed in the
Development, then the owner at that time of any unfor each lot that is unimproved in payment of NWB	nimproved lot shall owe NWB \$450.00 's unused facilities. It is
understood that a lot shall be considered unimprove	ved if construction of a normanant
structure has not commenced on that lot. For purposhall be considered as having commenced if a foots	DOSAS Of this largement construction
lot in question by officials of the city or other	appropriate governmental hody.
(4) Developer agrees that it shall cause a control to each and every lot in the Development to be fit	declaration of covenants pertaining
County where the Development is located which conf	tains a Notice of Charma for
telecommunications facilities furnished to that De that such notice shall state that should construct	tion not be commenced on any lat
covered by the declaration within five years from	the date NWR files a document
with the Register of Deeds giving notice that inst distribution facilities for that Development has h	tallation of the feeder and
diffiployed for shall be subject to a security depo	osit pauable to NWR or its successors
in the amount of \$450.00. It is agreed that such	notice shall state that each committee
deposit shall be due and owing immediately upon the and if such charge is not paid within sixty days a	ifter the sending of written notice
by was of its successors to the owner of an unimpr	COVED lot in the Development that
such charge is due, then said charge will begin dr expiration of the sixty day period at the rate of	awing interest commencing upon the
maximum rate allowed by law if said maximum rate i	s less than twelve percent per annum
at that time.	• • • • • • • • • • • • • • • • • • • •
