MEMORANDUM OF EASEMENT

Catellus Fiber Optics Parcel No.50, County of Sarpy, State of Nebraska

WHEREAS, BNSF RAILWAY COMPANY, a Delaware corporation (formerly known as The Burlington Northern and Santa Fe Railway Company and formerly known as Burlington Northern Railroad Company), ("Grantor") and CATELLUS FIBER OPTICS, LLC, a Delaware limited liability company ("Grantee") entered into that certain Agreement for Sale of Certain Telecommunications Easements ("Agreement") dated December 18, 1998. Grantor agreed to grant Grantee subject to the terms and conditions hereinafter set forth, a permanent, perpetual and exclusive Telecommunications Easement over, under and across all land (including, but not limited to, surface rights and subsurface rights) in which Grantor has an ownership interest (fee, easement or other interest) that is located within the outside boundaries of all such land that is subject to the fiber optic leases, right of way agreements, licenses, and easements. Grantor did grant to Grantee an Easement dated December 30, 1998 ("Master Easement") to multiple parcels in various states that would not be in recordable form for such state. An individual easement ("Underlying Easement") within one foot on either side of the outside boundaries of the area encumbered by the installation as conveyed by the Master Easement has been established under the Agreement with respect to the property described on the attached Exhibit A consisting of 4 page(s) with the beginning point, end point and any crossing of railroad tracks shown on the attached Exhibit B, consisting of 2 page(s), ("Property") for the purpose of maintenance and use for Telecommunication purposes only.

WHEREAS, Grantor is executing this Memorandum of Easement to evidence the Easement with respect to the Property.

NOW, THEREFORE, for Ten and No/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, in confirmation of and pursuant to the terms of the Agreement and the conveyance by the Master Easement, an individual easement ("Easement") has been established under the Agreement and Grantor has and does hereby grant, transfer, sell, convey, release, quitclaim and remise to Grantee a permanent, exclusive easement in, over, under and across the Property. The grant of easement rights as evidenced hereby shall be subject to all of the terms, conditions, limitations and provisions contained in the Agreement. In
