We, George P. (or Company) of Omaha, Nebraska. We state that said co-partnership came into existence on the 28 day of November, 1946, and that ever since that date has continued to exist and do business with us as the sole partners.

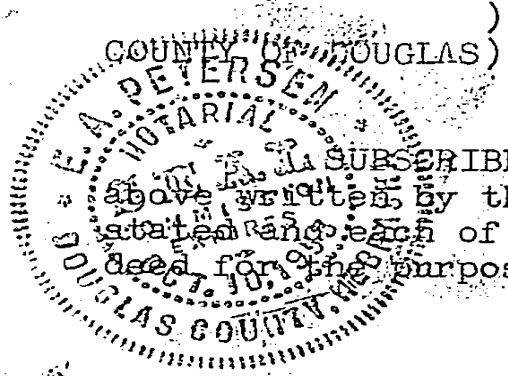

We further state that whenever any property, real or personal has been transferred to the said North Side Construction Co. (or Company) as a co-partnership or to the said North Side Construction Co. (or Company) as a co-partnership consisting of George P. Wiley, Carroll Latch and Otto Jensen, that said transfer has been made to the North Side Construction Co. (or Company) as a co-partnership consisting of us as the sole partners and the only persons interested in said partnership or said property; and that the same facts exist as to any and all transfers of property by or from the North Side Construction Co. (or Company) made by us as partners or by any of us in the name of said co-partnership or by us and our wives by joint instruments of conveyance.
