From that point on, the Declarant membership shall cease and the Declarant shall have one (1) vote per Lot in the same manner as "Resident Members."

### ARTICLE IV

#### COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation for Assessments. Each owner and contract purchaser of a Townhome Lot within Clifton Place Townhomes, by acceptance of a deed therefore or by executing a contract to purchase, whether or not it shall be so expressed in such deed or contract, is deemed to covenant and agree to pay to the Association:

(a) Regular, annual assessments or charges; and

(b) Special assessments for insurance on the property. The regular and special assessments, together with interest, costs, and reasonable attorney fees, shall be and constitute until paid, a continuing charge against and lien upon the Townhome Lot against which each such assessment is made. Each such assessment, together

with interest, costs and reasonable attorney fees, shall also be the personal obligation of the owner of such property at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to the owners' successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively without any part of the net earnings inuring to the private benefit of its members, to promote and sustain their social welfare, and otherwise provide for their health, pleasure, recreation, safety and other non-profit making interests; to maintain any and all retaining walls, lawn and walk areas, landscaping and trees; to provide and maintain private and public pedestrian walkways; to provide weed and other actual or potential nuisance abatement or control; to provide for exterior non-structural maintenance on the Townhomes located within Clifton Place Townhomes; to provide and maintain private and public sewers and utilities, conduits, connections, lines, maintenance and services to the extent that the same are exterior to any Townhome; and to undertake such other activity appropriate, convenient, or necessary to promote or sustain any such interest.

Section 3. Regular Assessments. Before each fiscal year, the Board of Directors of the Association shall adopt and fix in reasonably itemized detail, an annual budget of the working fund for the then anticipated fiscal affairs and general operations of the Association for the coming year, and shall levy and collect monthly assessments from each Townhome Lot within the property, which assessment shall be sufficient to fund the budget for the coming fiscal year. The regular assessment shall be uniform in amount as to each Townhome Lot.

Section 4. Special Assessments for Insurance. In addition to the regular assessments authorized above, the Association shall levy special assessments on each Townhome Lot for the portion of the insurance premium due with respect to said Townhome Lot as hereinafter provided in Article IX hereof, which special assessments shall be paid each month along with the regular assessments with respect to said Townhome Lot.

Section 5. Date of Commencement of Annual Assessments - Due Dates. The regular annual assessments provided for herein shall commence on the first day April, 1984. As provided in the By-Laws of the Association, the first regular annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessments against each Lot at least thirty (30) days in advance of annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. Failure of the Association to timely fix or send notice of assessments shall not affect the right of the Association to later

assess and collect the same. The due date shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certification signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 6. Effect of Non-Payment of Assessments - Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of sixteen percent (16%) per annum. The Association may bring an action at law against the owner personally obligated to pay the same, or may foreclose the lien against the property in the same manner as provided by law for the foreclosure of mortgages. Any such action, whether at law or by way of foreclosure, shall be brought within three (3) years after the last day of the year or period in which the delinquent assessment became due and payable. No owner may waive or otherwise escape liability for the assessments provided herein by abandoning or vacating his Townhome.

Section 7. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any bona fide mortgage or deed of trust of record prior to the filing of any lien notice therefor filed by the Association. The sale or transfer of any Townhome Lot shall not affect the assessment lien. However, the sale or transfer of any Townhome Lot pursuant to mortgage foreclosure, sale under power of sale in a deed of trust, or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Townhome Lot from liability for any assessments thereafter becoming due or from the lien thereof, nor relieve the prior owner from personal liability for prior unpaid assessments.

Section 8. Recording. The Association, at its option, may record in the office of the Register of Deeds of Douglas County, Nebraska, a duly acknowledged statement or document setting forth the lien claimed for unpaid assessments. Failure to record the statement of lien or a similar document shall in no way affect the lien created herein.

## ARTICLE V

### MAINTENANCE ON TOWNHOMES

The Association shall provide exterior non-structural maintenance upon each Lot and Townhome which is subject to assessment for exterior maintenance hereunder, including but not limited to the painting, repair, replacement and care of roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, driveways and other improvements. The Association shall provide all services necessary for cleaning and removing ice, mud, snow or other debris or matter from driveways and walkways. Exterior maintenance shall not include the painting, repair,

... and care of windows, doors, decks, fences, structural elements of a townhome nor any exterior mechanical equipment such as air-conditioning condensers and related appliances. In the event that the need for maintenance or repair is caused through willful or negligent act of the owner, his family, guests or invitees, the cost of such maintenance or repairs shall be added to and become a part of the regular assessment to which such Lot is subject. The Association, its employees and agents shall have a general easement over and upon any Lot and shall have the right to go into or upon any Townhome within the subdivision for the purpose of performing the maintenance provided by this Article. The Association shall also have the right and easement to use any portion of that area described in Article II, Section 2, for the location of a trash receptacle or receptacles for the designated use of Declarant and other owners.

ARTICLE VI

ARCHITECTURAL CONTROL

No Townhome will be altered, built, constructed or otherwise maintained on any Townhome Lot within Clifton Place Townhomes without an express written approval executed by the Association or its permission by implied approval secured in the manner set out in its Articles of Incorporation or its By-Laws, as from time to time amended, as to general appearance, exterior color or colors, harmony of external design and location in relation to surroundings and topography and other relevant architectural factors, location with Townhome Lot boundary lines, quality of construction, size, and suitability for clustered townhome residential purposes of such Townhomes; and no exterior air-conditioning equipment, antenna, ditch, fence, flag pole, wall, or other structure or associated structures, and no trees or other landscaping in any location within public view will be altered, built, constructed, erected, installed, planted, or otherwise maintained or undertaken on any Townhome Lot without such approval by the Association so secured as to general appearance, composition, design, exterior color or colors, and suitability for clustered townhome residential purposes.

ARTICLE VII

PARTY WALLS

Section 1. General Rules of Law to Apply. Each dividing wall between separate Townhome dwellings upon the Townhome Lots, as part of the original construction of Townhomes upon the Property, shall constitute a party wall to be used by the adjoining owners as such, notwithstanding the fact that the wall, through error in plotting, construction or settling of the wall, may not be located precisely on the dividing line between the Lots. To the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Destruction by Fire or Other Casualty. In the event of the damage or destruction of a party wall from fire or other casualty, other than the negligence of either adjoining owner, the owners shall, at joint expense, repair or rebuild said party wall, and each owner, his successors and assigns, shall have the right to full use of said party wall so repaired or rebuilt. If either owner's negligence shall cause damage to or destruction of said party wall, such negligent party shall bear the entire cost of repair or reconstruction to the extent not covered by insurance proceeds. If either party shall neglect or refuse to pay his share, or all of such cost in case of negligence, the other owner may have such wall repaired or restored and shall be entitled to have a mechanic's lien on the Townhome Lot owned by the owner so failing to pay for the amount of such defaulting owner's share of the repair or replacement cost.

Section 3. Maintenance, Use and Alterations.

(a) The cost of maintaining the party wall shall be borne equally by the owners on either side of said party wall.

(b) Neither owner adjacent to said party wall shall have the right to add to or detract from the said party wall in any manner whatsoever, it being the intention that said party wall shall at all times remain in the same position as now existing.

(c) Each party to the party wall shall have a perpetual easement in that part of the premises of the other on which said party wall is located for party wall purposes.

(d) The expense of maintaining, repairing and replacing that portion of the roof which covers the party wall shall be shared proportionately by both adjoining owners.

Section 4. Right to Contribution Runs with the Land.

The right of any owner to contribution from any other owner under this Article shall be appurtenant to the land and shall pass to such owners, successors in title.

ARTICLE VII

Section 6. Recreational Equipment. No basketball hoop, slide, swing, or other play or recreational equipment will be installed or maintained on any Townhome Lot, other than in a location out of public view, without an express written approval executed by the Association in the manner set out in its Articles of Incorporation or its By-Laws, as from time to time amended; and no garden implements, lawn mower, or other maintenance equipment not in actual use will be kept or otherwise maintained on any Townhome Lot, other than in a location out of public view.

Section 7. Signs. No advertising sign or other poster, except any sign or signs belonging to the Declarant as owner of a Townhome Lot, will be maintained on any Townhome Lot, other than a sign of an area not more than four (4) square feet advertising such Townhome Lot or Townhome for sale.

No clothes lines or clothes hangers may be constructed or used unless completely concealed within enclosed areas. Automobiles shall be parked only in designated parking areas.

Section 12. Outbuildings. No outbuildings or other attached structure appurtenant to a Townhome may be erected on any of the Townhome Lots without written consent of the Association.

## ARTICLE IX

### INSURANCE

Section 1. Basic Coverage. Insurance policies upon the property including the structures but excluding the furnishings of individual Townhomes shall be purchased by and in the name of the Association for the benefit of the Association and the owners of each Townhome Lot as their interest may appear. Provision shall be made for the issuance of certificates of insurance to holders of mortgages, as loss payees, upon individual Lots.

Section 2. Additional Coverage. The Association may also procure, if requested by the owner of any Lot, insurance upon the personal property, furnishings and improvements located on the premises by said owner as well as coverage for personal liability and such other risks as are ordinarily protected and covered under homeowners' insurance policies. The Association is further empowered to procure such other insurance as the Association may deem advisable from time to time.

Section 3. Special Assessment. The cost of insurance premiums shall be considered in the nature of a special assessment, as hereinbefore provided, and the Association shall annually, in advance, specially assess against each lot the premium attributable to coverage procured on said Lot under Sections 1 and 2 of this Article by the Association.

Section 4. Additional Insurance. Each owner of a Townhome may obtain additional insurance at his own expense, provided, however, that the additional insurance does not in any way impair, limit or restrict the effectiveness of the basic coverage carried by the Association.

## ARTICLE X

### ACCESS

Section 1. Rights of the Association. The Association shall have the right of access to each Townhome dwelling at reasonable hours to inspect and to perform any necessary or emergency work upon all exterior pipes, wires, conduits, ducts, cables, utility lines and any utilities accessible from within any dwelling, and to insure compliance by the owner with all of the duties of the owner of the Townhome Lots under this Declaration.

Section 2. Access by Utility Companies. Each of Northwestern Bell Telephone Company, Metropolitan Utilities District, Omaha Public Power District, and their respective successors and assigns is granted an easement, together with rights of ingress, egress and other access thereto, for purposes of constructing, installing, maintaining, operating, renewing or repairing their respective telephone, gas, water, electric, public sewer, private sewer, or other utility conduits, lines, or other facilities in, over, under, and upon such strip or strips of any Townhome Lot which may be necessary or required to carry out the purposes set forth above, provided, however, that the easement shall not interfere with any structural element of any Townhome and further provided that the grantees shall at all times restore the easement area to its pre-existing condition or better. Such easements are more particularly described in the Plat to the Property.

## ARTICLE XI

### GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, charges now or thereafter imposed by the provisions of this Declaration. Failure by the Association or by any owner to enforce any covenants or restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Amendment. The Association will have the right by an express written permit for the purpose of avoiding undue hardship to waive partly or wholly the application to any

Townhome Lot of any covenant or easement granted to it; and the Association will have the right in the manner set out in its Articles of Incorporation and By-Laws, as from time to time amended, at any time or from time to time, to extend, modify or terminate all or any part or parts of this Declaration other than easements granted to other grantees.
