PRIVATE LINE EXTENSION AGREEMENT

This Agreement, between METROPOLITAN UTILITIES DISTRICT OF OMAHA ("District"), and James R. Maly ("Owner"), witness:

For valuable consideration, an extension of the agreement dated May 9, 1988, and recorded at Book 848 Page 633 of the Register of Deeds for Douglas County, Nebraska, granting a permit for a private water line to serve the following described real estate in Douglas County, Nebraska:

North 45 ft Lots 13 & 14 Block 11, West End Addition

more commonly known as 111 N 35th St. (Street Address) is granted under the following terms and conditions.

In the event that the real estate shall be included in a Water Main District and become subject to assessment for the extension of a water main, Owner and Owner's successors shall waive and hereby waive all objections to the creation of the Water Main District and to the levy and assessment of a special tax against the real estate to pay the cost of the extension of a water main.

This extension shall continue until a water main abutting the property is constructed, at which time Owner shall abandon the private water line in accordance with District Rules and Regulations. Owner may connect to the main after payment of all applicable fees. The District may revoke this permit at its sole discretion and for any reason it deems appropriate. All terms of the original private line agreement not inconsistent with this extension agreement shall remain in effect.

This agreement shall run with the real estate and be binding upon the parties, their successors, grantees, heirs or representatives.
