**SUBORDINATION, NONDISTURBANCE, ATTORNMENT
AND ESTOPPEL AGREEMENT**

THIS SUBORDINATION, NONDISTURBANCE, ATTORNMENT AND ESTOPPEL AGREEMENT ("Agreement") is entered into as of September 19, 2016, by and among CAPITOL DISTRICT PARKING, LLC, a Nebraska limited liability company, whose address is 1111 N. 13th Street, Suite 101, Omaha, NE 68102 ("Licensor"), CAPITOL DISTRICT HOTEL, LLC, a Nebraska limited liability company, whose address is 1111 N. 13th Street, Suite 101, Omaha, NE 68102 ("Licensee"), and FIRST NATIONAL BANK OF OMAHA, a national banking association, whose address is 1620 Dodge Street, Omaha, Nebraska 68102 ("Lender").

RECITALS:

A. Licensee is the present licensee, and Licensor is the current licensor, under a certain Parking License Agreement dated September 18, 2015, as amended by the First Amendment to Parking License Agreement dated on or about the date hereof (the "Parking License"), between Licensor, as licensor, and Licensee, as licensee, which provides for an exclusive right by Licensee to use and operate 212 reserved parking spaces (the "Parking Spaces") within a parking facility to be constructed on certain real property legally described on Exhibit A (the "Parking Facility").

B. Licensee has been advised that the Parking License has been or will be assigned by Licensor to Lender as security for a loan (the "Loan") with an original principal balance of up to \$10,350,000, subject to increase to \$11,050,000 upon satisfaction of certain conditions (the "Loan"), secured by, among other things, a Construction Deed of Trust, Security Agreement and Assignment of Rents (the "Security Instrument") to be recorded contemporaneously herewith covering the Parking Facility.

C. A condition precedent to Lender's disbursement of Loan proceeds is that Licenser obtain this Agreement from Licensee in order to confirm certain matters and to subordinate the Parking License and Licensee's interest in the Parking Facility to the lien of the Security Instrument.

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Licensee represents and warrants to Lender as follows:

(a) The Parking License is in full force and effect.

(b) Within ten (10) days of the date that the Parking Facility has been completed and the Parking Spaces are available to Licensee, Licensee shall execute an estoppel in the form of Exhibit B hereto.

(c) Licenser has done everything that it promised to do in order to induce Licensee to enter into the Parking License. There are no concessions or inducements which have been promised by Licenser or any other party to Licensee other than as set forth in the Parking License.

(d) The Parking License as described above has not been further modified, altered or amended.

(e) Licensee has no notice of a currently effective assignment, hypothecation or pledge of rents on the Parking License to any party other than Lender. Licensee has not assigned any of its rights, title or interest under the Parking License except to Lender, as lender to Licensee (in such capacity, "Licensee's Mortgagee") and to CMB Nebraska Infrastructure Investment Group 47, LP, a Delaware limited partnership, as subordinate lender to Licensee ("Licensee's Subordinate Mortgagee").

(f) The Parking License does not contain, and Licensee does not have, an outstanding option to extend or renew the term of the Parking License.

(g) Licensee has no claim to or interest in the Parking Facility, legal or equitable, or any contract or option therefor other than as a licensee under the Parking License.

(h) Licenser is not in default of any of its obligations under the Parking License, and, to the best of Licensee's knowledge, no event has occurred which, with notice, the passage of time or both, would constitute a default in any of Licenser's obligations under the Parking License.

(i) Licensee has not paid Licenser a security or similar type deposit.

2. Licensee shall promptly provide Lender at its address first shown above with a written notice of any default on the part of the Licenser under the Parking License. Lender shall

have the option to cure such default within the time allotted to Licensors under the Parking License plus 15 business days in the case of a monetary default and 30 business days in the case of a non-monetary default. Licensee shall not terminate the Parking License or withhold any license fee that has accrued and is due and payable pursuant to the Parking License during any period referenced in this Section 2 that Lender is proceeding to cure any such default with due diligence or (if possession of the Parking Facility is necessary for such cure to be effectuated) during any period that Lender is taking steps with due diligence to obtain the legal right to enter the Parking Facility and cure any such default.

3. Without the prior written consent of Lender, Licensee shall not (a) modify or in any manner alter the terms of the Parking License in any manner, including (without limitation) to reduce the license fee payable under the Parking License, increase or decrease the number of parking spaces licensed under the Parking License, increase or decrease the term of the Parking License, alter the provisions of the Parking License regarding assignment, subletting, management, maintenance and encumbrance of the Parking License or Parking Spaces or increase the material economic obligations of Licensors under the Parking License; (b) pay the rent or any other sums becoming due under the terms of the Parking License more than one month in advance; (c) accept Licensors' waiver of or release from the performance of any material obligation under the Parking License; (d) assign the Parking License; (e) sublet the Parking Spaces to any party other than an Authorized User (as defined in the Parking License); (f) assign the Parking License as collateral security or mortgage or otherwise encumber its rights under the Parking License except to Licensee's Mortgagee and Licensee's Subordinate Mortgagee; or (g) agree with Lensors to terminate the Parking License.

4. In the event Lender notifies Licensee in writing that Lensors is in default under the Security Instrument and demands that payment of all future license fees be made directly to Lender, Licensee shall honor such demand and pay the full amount of all license fees and all other sums due and payable under and in accordance with the Parking License directly to Lender or as otherwise instructed by Lender pursuant to such notice, beginning with the payment next due after such notice of default. Lensors hereby consents to such payment and agrees that Licensee shall not be liable to Lensors for any license fees actually paid to Lender pursuant to this Section 4.

5. Subject to the nondisturbance provisions in Section 12 below, the Parking License and all right, title and interest of Licensee in, to and under the Parking License are now, and shall at all times until the Security Instrument is terminated and released continue to be, unconditionally subject and subordinate in each and every respect to the Security Instrument and to any and all renewals, modifications, extensions, substitutions, replacements and/or consolidations of the Security Instrument.

6. Pursuant to the Parking License, Licensee has agreed to operate the Parking Facility. In connection therewith, Licensee has entered into a Management Agreement dated as of May 29, 2015, as amended by the First Amendment to Management Agreement dated on or about the date hereof (as amended, the "Management Agreement"), with Marcus Omaha, LLC ("Manager"). In connection therewith:

(a) Licensee and Manager shall provide Lender with a copy of any notice of default received or distributed under the Management Agreement. Manager agrees that Lender shall be entitled, without obligation to do so, to perform any obligation of Licensee under the Management Agreement on behalf of Licensee or to cure any default or purported default in the obligations of Licensee. Licenser agrees that any cost incurred by Lender in connection with such cure or attempt to cure shall constitute an additional advance as a demand obligation of Licenser under the Security Instrument and shall be secured thereby.

(b) Licensee and Manager, each for itself only, represent to Licenser and Lender that:

(i) The Management Agreement has been executed, has not been modified and is in full force and effect without default by either party thereto.

(ii) There are no other agreements other than the Management Agreement, written or oral, between Licensee and Manager or any of their respective affiliates regarding the operation and management of the Parking Facility except as set forth in Licensee's Operating Agreement.

(iii) The Management Agreement constitutes the valid and binding agreement of the parties thereto, enforceable in accordance with its terms, and Licensee and Manager have full authority under all state or local laws and regulations to perform all of their obligations under the Management Agreement.

(iv) All fees, expense reimbursements and payments due from Licensee under the Management Agreement to the date hereof have been paid in full.

(c) Lender shall have the option at any time upon at least 24 hours' prior written or telephonic notice to Licensee or Manager to inspect and examine all books and records of Licensee or Manager relating to the Parking Facility, and Licenser and Manager shall, at Lender's request, furnish such further information relating to the Parking Facility as Lender may request. Licensee and Manager shall furnish to Lender all reports and statements at the times and in the forms required to be provided to Licenser under the Management Agreement.

(d) Licensee and Manager agree that in the event of a transfer of title of real estate interests included in the Parking Facility to Lender or its designee after a default by Licenser under the Loan Agreement (as defined in the Security Instrument) or the Security Instrument or to any transferee after foreclosure or acceptance of a deed in lieu thereof, such transferee shall take title to such real estate interests free and clear of any interest of Licensee or Manager in the Management Agreement.

(e) Licensee and Licenser shall cause Manager to enter into an Acknowledgment of Manager, in the form attached hereto as Exhibit E.

(f) Upon any termination or expiration of the Management Agreement, Licensee shall, within 30 days thereof, enter into a new management agreement for the

management of the Parking Facility, in form and substance acceptable to Lender, with a manager, acceptable to Lender. Licensors acknowledges and agrees that the failure of Licensee to do so shall constitute an immediate event of default under the Security Instrument, provided that if Licensee is diligently working toward the execution of the new management agreement with a specific entity at the end of such 30-day period, Licensors shall not be in default under the Security Instrument if Licensee enters into a new management agreement within a time period not to exceed 15 days following the end of such 30-day period.

7. No provision of this Agreement may be changed, waived, discharged or terminated except by an instrument in writing signed by the party against whom enforcement of the change, waiver, discharge or termination is sought. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, successors and permitted assigns, including without limitation Licensee's Mortgagee or Licensee's Subordinate Mortgagee in the event it succeeds to Licensee's interest in the Parking License. Upon recorded satisfaction of the Security Instrument, this Agreement shall become null and void and be of no further effect.

8. This Agreement shall be construed under the laws of the State of Nebraska.

9. This Agreement may be executed in any number of counterparts all of which taken together shall constitute one and the same instrument, and any of the parties or signatories hereto may execute this Agreement by signing any such counterpart.

10. Licensee shall not, nor knowingly allow any of its tenants or invitees to, use, produce, store, release, dispose of or bring into the Parking Facility any hazardous waste or materials or knowingly allow any other entity or person to do so except as incidentally related to the use of the Parking Facility. As used herein, the term "hazardous waste or materials" includes any substance, waste or material defined or designated as hazardous, toxic or dangerous (or any similar term) by any federal, state or local statute, regulation, rule or ordinance now or hereafter in effect including, without limitation, petroleum products and byproducts, asbestos, polychlorinated biphenyls, chlorinated solvents and urea formaldehyde. Licensee shall indemnify and hold harmless Licensors and Lender against any and all actual losses, liabilities, suits, obligations, fines, damages, judgments, penalties, claims, charges, cleanup costs, remedial actions and actual and reasonable costs and expenses (including, without limitation, attorneys' fees and disbursements) which may be imposed on, incurred or paid by or asserted against Licensors and/or Lender directly or indirectly arising from or attributable to any misrepresentation or breach of any warranty, covenant or agreement by Licensee under this Section. The provisions of this Section shall survive expiration or termination of the Parking License.

11. If Lender shall become the owner of the Parking Facility, or if the Parking Facility shall be sold by reason of foreclosure or other proceedings brought to enforce the Security Instrument, or if the Parking Facility shall be transferred by deed in lieu of foreclosure, then (a) the Parking License shall continue in full force and effect as a direct license between Licensee and the then owner of the Parking Facility (including Lender or the grantee under any deed given as a result of any foreclosure or in lieu of foreclosure), upon and subject to all of the terms, covenants and conditions of the Parking License for the balance of the term thereof

remaining and any extensions or renewals thereof which may be effected in accordance with any option therefor in the Parking License, and (b) Licensee shall attorn to Lender or any other such owner as its Licensor, said attornment to be effective and self-operative without the execution of any further instruments. From and after Lender's or other such owner's succession to the interest of Licensor under the Parking License, Licensee shall have the same remedies against Lender or such other owner for the breach of any covenant contained in the Parking License that Licensee might have had under the Parking License against Licensor, except that neither Lender nor any other such owner shall be:

(i) liable for any act or omission of, or for performance of any obligation of, any prior licensor (including Licensor), including any obligation to repair or restore the Parking Facility, except to the extent that Licensee shall have given Lender or such other owner notice of default and opportunity to cure pursuant to Section 2 above;

(ii) subject to any offsets or defenses which Licensee might have against any prior licensor (including Licensor) except to the extent that Licensee shall have given Lender or such other owner notice of default and opportunity to cure pursuant to Section 2 above;

(iii) bound by any prepayment of rent or additional rent which Licensee might have paid for more than the current month or by payment of any security deposits to any prior Licensor (including Licensor), except such security deposits as have actually been received by Lender or such other owner;

(iv) bound by any amendment or modification of the Parking License or by any waiver or forbearance on the part of any prior licensor (including Licensor) made or given after the date hereof without the written consent of Lender or any subsequent holder of the Security Instrument, to the extent that such consent is required pursuant to Section 3 above; or

(v) bound by any representations or warranties of Licensor under the Parking License.

12. So long as Licensee is not in default (beyond any notice and cure period given Licensee by the terms of the Parking License to cure such default) in the payment of rent or additional rent or in the performance of any part of the terms, covenants or conditions of the Parking License on Licensee's part to be performed, Licensee's use and possession of the Parking Facility and powers, rights and interests under the Parking License, or any extensions or renewals thereof which may be effected in accordance with any option therefor in the Parking License, shall not be diminished or interfered with by Lender, and Lender will not join Licensee as a party defendant in any action or proceeding for the purpose of terminating Licensee's interest and estate under the Parking License because of any default under the Security Instrument or the Loan Agreement.

13. Other than the right to seek a separate award for loss of business resulting from its inability to use the Parking Spaces due to the exercise of the power of eminent domain (as set

forth in Article 7 of the Parking License), Licensee hereby waives any rights it may have to an award for a taking by eminent domain.

14. If any provision of this Agreement or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provisions to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

15. Any and all notices, elections, demands or requests permitted or required to be made under this Agreement shall be in writing, signed by the party giving such notice, election, demand or request, and shall be delivered personally, or sent by registered, certified or Express United States mail, postage prepaid, or by Federal Express or similar service requiring a receipt, to the other party at the address stated above, or to such other party and at such other address within the United States of America as any party may designate in writing as provided herein. The date of receipt of such notice, election, demand or request shall be the earliest of (a) the date of actual receipt, (b) three business days after the date of mailing by registered or certified mail, (c) one business day after the date of mailing by Express Mail or the delivery (for redelivery) to Federal Express or another similar service requiring a receipt or (d) the date of personal delivery (or refusal upon presentation for delivery).

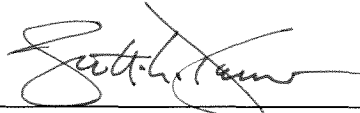

16. Lender acknowledges and agrees that this Agreement does not provide for any lien in favor of Lender on any proceeds obtained by Licensee as a result of Licensee's use and operation of the Parking Spaces. The foregoing provision shall not limit any lien that Lender (in its capacity as Licensee's Mortgagee) may have on assets of Licensee under any agreement (other than this Agreement) or any proceeds in connection with any parking spaces (other than the Parking Spaces) in the Parking Facility.

17. Licensee shall cause (a) Licensee's Mortgagee to execute and deliver the Licensee's Mortgagee Consent attached hereto as Exhibit C, and (b) Licensee's Subordinate Mortgagee to execute and deliver the Licensee's Subordinate Mortgagee Consent attached hereto as Exhibit D.
