following its election, and shall be maintained in force at all times, the premiums thereon to be paid by assessments. Prior to the organizational meeting, such insurance shall be procured by Declarant. The insurance shall be carried with reputable companies authorized to do business in the State of Iowa in such amounts as the Board may determine. The policy or policies shall name as insured all the owners and the Association. Declarant shall be named as an additional insured on such policy or policies until such time as Declarant shall have conveyed all of the condominium units in the project. The policy or policies shall insure against loss arising from perils in both the common areas and the units and shall include contractual liability coverage to protect against such liabilities as may arise under the contractual exposures of the Association, and/or the Board.

2. Fire and Casualty. Fire and other hazard insurance shall be purchased by the Board as promptly as possible following its election and shall thereafter be maintained in force at all times, the premiums thereon to be paid out of Association assessments. Policies shall provide for the issuance of certificates or such endorsement evidencing the insurance as may be required by the respective mortgagees. The policy, and certificates so issued, will bear a mortgage clause naming the mortgagees interested in said property. The policy or policies shall insure against loss from perils, therein covered, to all of the improvements in the project, except as may be separately insured. Such policy or policies shall contain extended coverage, vandalism, and malicious mischief endorsements. The improvements to be insured under this clause shall be continually insured to value, and the policy or policies shall contain replacement cost insurance. If reasonably available, the policy or policies shall contain a stipulated amount clause, or determinable cash adjustment clause, or similar clause to permit a cash settlement covering specified value in the event of destruction and a decision not to rebuild. The policy or policies shall name as insured all of the owners, the Association and, so long as Declarant is the owner of any of the units in the project, the Declarant. The Declarant shall notify the insurance carrier of any change in ownership of a unit until such time as the organizational meeting of the unit owners is held, at which time it shall be the responsibility of the Association to notify the insurance carrier of a change in the ownership of any unit. The policy or policies shall also cover personal property owned in common, and shall further contain waiver of subrogation rights by the carrier as to negligent owners.

3. Fire and Casualty on Individual Units. Except as expressly provided in paragraph 4 immediately following, no owner shall separately insure his condominium or any part thereof against loss by fire or other casualty covered by the insurance carrier under paragraph 2. Should any owner violate this provision, any diminution in insurance proceeds resulting from the existence of such other insurance, shall be chargeable to the owner who acquired such other insurance, who shall be liable to the Association to the extent of any such diminution and/or loss of proceeds.

4. Personal Liability and Unit Owners Insurance. An owner may carry such personal liability insurance, in addition to that herein required, as he may desire. In addition such fixtures and mechanical equipment located within a unit such as plumbing fixtures, electrical lighting fixtures, kitchen and bathroom cabinets and counter tops,

air-conditioning and water heater together with additions thereto and replacements thereof, as well as the personal property of the unit owner, may be separately insured by such owner, such insurance to be limited to the type and nature of coverage often referred to as "Condominium Unit-Owners Insurance". All such insurance separately carried shall contain waiver of subrogation rights by the carrier as to negligent owners.

5. Additional Coverage. The Board may purchase and maintain in force, at the expense of the maintenance fund, debris removal insurance, fidelity bonds, and other insurance and/or bonds that it deems necessary. The Board shall purchase and maintain workmen's compensation insurance to the extent that the same shall be required by law respecting employees of the Association. The Board shall also maintain "all risk" insurance coverage on the project to insure against water damage and like kind of casualties.

6. Loss Adjustment. The Board is hereby appointed the attorney in fact for all owners to negotiate loss adjustment on the policy or policies carried under clauses 1, 2, 3 and 5 above.

7. Association as Trustee for Proceeds. In the event of damage or destruction by fire or other casualty affecting a unit or units, and/or if any portion of the common elements are damaged or destroyed by fire or other casualty, all insurance proceeds paid in satisfaction of claims for said loss or losses shall be segregated according to losses suffered by each unit or units and/or the common elements, and shall be paid to the Association as trustee for the owner or owners and for the encumbrancer or encumbrances, as their interest may appear. Said insurance proceeds, and the proceeds of any special assessment as hereinafter provided, whether or not subject to liens of mortgages or deeds of trust, shall be collected and disbursed by said trustee through a separate trust account on the following terms and conditions:

- (a) Partial Destruction of Common Elements. If the damage or destruction is to common elements only, the Board of Directors of the Association shall without further authorization contract to repair or rebuild the damaged portion of the common element substantially in accordance with the original plans and specifications thereof.
- (b) Partial Destruction of Units and Common Elements. In the event of damage to, or destruction of, common elements with accompanying damage to any unit or units but the total destruction or damage does not represent sixty percent (60%) or more of a building and the cost of repairing or rebuilding said damaged area does not exceed the amount of available insurance proceeds for said loss by more than \$20,000, the Board of Directors of the Association shall immediately contract to repair or rebuild the damaged portion of the unit or units and the common elements substantially in accordance with the original plans and

specifications. If the cost to repair or rebuild exceeds available insurance by \$20,000, then owners of the individual units, by vote of not less than a majority of those present and entitled to vote, in person or by proxy, at a duly constituted owners' meeting held within 30 days from the date of such damage or destruction, shall determine whether the Board of Directors shall be authorized to proceed with repair or reconstruction, or whether the project shall be sold as in the case of a total destruction according to the provisions of paragraph (c) immediately following.

- (c) Total Destruction. In the event of sixty percent (60%) or more damage to, or destruction of, a building by fire or other casualty, the then owners of the individual units, by vote of not less than a majority of those present and entitled to vote, in person or by proxy, at a duly constituted owners' meeting held within 30 days from the date of such damage or destruction, shall determine whether the Board of Directors shall be authorized to proceed with repair or reconstruction, or whether said project shall be sold; provided, however, that such determination shall be subject to the express written approval of all record owners of mortgages upon any part of the Regime.

In the event of a determination to rebuild or repair, the Board shall have prepared the necessary plans, specifications and maps and shall execute the necessary documents to effect such reconstruction or repair as promptly as practicable and in a lawful and workmanlike manner.

In the event of a determination not to rebuild, the Board shall offer the project for sale forthwith, at the highest and best price obtainable, either in its damaged condition, or after damaged structures have been razed, the net proceeds of such sale, and the proceeds, if any, of insurance carried by the Association, and/or by the owners as a whole on the project, including coverage on the units and the common elements, except for unit coverages under Clause 4 of this Article XI, shall be distributed proportionately to the unit owners in the same proportion that the unit in which they have an interest shares in the common elements, except that where there is a mortgage of record or other valid encumbrance on any one unit then, and in that event, with respect to said unit the Association will distribute said proceeds which would otherwise have been distributable to such unit owner as follows: first to the record owner of mortgages upon units and common elements in the Regime in satisfaction of the balance currently due on said encumbrances and then the remaining proceeds, if any, to the unit owner of record.

- (d) In the event that the common elements are repaired or reconstructed pursuant to the provisions of paragraphs (a), (b) or (c) of this clause and there is any deficiency between the insurance

proceeds paid for the damage to the common elements and the contract price for repairing or rebuilding the common elements, the Board shall levy a special assessment against each owner in proportion to his percentage of ownership in the common elements to make up such deficiency. If any owner shall fail to pay said special assessment or assessments within thirty (30) days after the levy thereof, the Board shall make up the deficiency by payment from the maintenance fund, and the remaining owners shall be entitled to the same remedies as those provided in Article VII of this Declaration, covering a default of any owner in the payment of maintenance charges.

- (e) In the event of a dispute among the owners and/or mortgagees respecting the provisions of this clause, any such party may cause the same to be referred to arbitration in accordance with the then prevailing rules of the American Arbitration Association.

In the event of arbitration, the party requesting the arbitration will give immediate notice thereof to the Board, which shall notify all other owners and mortgagees as promptly as possible after the reference to arbitration is made, giving all such parties an opportunity to appear at such arbitration proceedings. The decision of the arbitrator in this matter shall be final and conclusive upon all of the parties. The arbitrator may include in his determination an award for costs and/or attorney fees against any one or more parties to the arbitration.

8. Abatement of Common Expenses. The Board is authorized to provide coverage for payment of maintenance charges which are abated hereunder on behalf of an owner whose unit is rendered uninhabitable for a peril insured against.

9. Review of Insurance Needs. Insurance coverages will be analyzed by the Board, or its representative, at least every year from the date hereof and the insurance program revised accordingly.

## ARTICLE XI

### Termination

1. Procedure. The condominium may be terminated in the following manner in addition to the manner provided by the Horizontal Property Act:

- (a) Destruction. In the event it is determined in the manner provided in this Declaration that the project shall not be reconstructed because of major damage, the condominium plan of ownership will be thereby terminated in compliance to the provisions of Section 499B.8 of the 2003 Code of Iowa as amended.

- (b) Agreement. The condominium may be terminated at any time by the approval in writing of all of the owners of the condominium and by holders of all liens affecting any of the units by filing an instrument to that effect, duly recorded, as provided in Section 499B.8 of the 2003 Code of Iowa as amended. It shall be the duty of every unit owner and his respective lien holder to execute and deliver such instrument and to perform all acts as in manner and form may be necessary to effect the sale of the project when at a meeting duly convened of the Association, the owners of 100% of the voting power, and all record owners of mortgages upon units in the Regime, elect to terminate and/or sell the project.
- (c) Certificate. The termination of the condominium in either of the foregoing manners shall be evidenced by a certificate of the Association executed by all members of the Association and the respective holders of all liens affecting their interest in the condominium, certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the office of the Johnson County Recorder in Iowa City, Iowa.

2. Form of Ownership after Termination. After termination of the condominium, the project will be held as follows:

- (a) The property (land and improvements) shall be deemed to be owned in common by the owners;
- (b) The undivided interest in the property owned in common which shall appertain to each unit owner shall be the percentage of undivided interest previously owned by such owner in the common elements and facilities;
- (c) Any liens affecting any of the condominiums shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the owner in the property.
- (d) After termination, the net proceeds of sale, together with the net proceeds of the insurance on the property, if any, shall be considered as one fund and shall be divided among all the owners in a percentage equal to the percentage of undivided interest owned by each owner in the common elements; after first paying out of the respective shares of the owners, to the extent sufficient for that purpose, all liens on the undivided interest in the property owned by each owner.

## ARTICLE XII

Except as provided elsewhere, the resolution must be adopted by a vote of not less than 2/3rds of all owners entitled to vote, in person or by proxy; provided, however, no amendment effecting a substantial change in this Declaration or the By-Laws of the Association shall affect the rights of the holder of any such mortgage recorded prior to recordation of such amendment who does not join in the execution thereof and who does not approve said amendment in writing.
  - (iii) By-Laws. In the case of an amendment to this Declaration by reason of an amendment to the By-Laws of the Association, then in the manner specified in such By-Laws.
  - (iv) Execution and Recording. An amendment adopted pursuant to (ii) or (iii) above shall be executed by an officer specifically delegated to do so with the formalities required by Chapter 499B of the 2003 Code of Iowa as amended. Upon the recordation of such instrument in the office of the Linn County Recorder, the same shall be effective against any persons owning an interest in a unit or the regime.

2. Amendment of Ownership Interest. No amendment shall change the percentage of ownership in the common elements appurtenant to a unit, nor increase the owner's share of the common expenses unless the record owner of the unit concerned and

all record owners of mortgages thereon shall affirmatively join in the adoption of such amendment.

3. Severability. The invalidity of any covenant, restriction, agreement, undertaking, or other provisions of any condominium document shall not affect the validity of the remaining portions thereof.

I. MEMBERS AND VOTING RIGHTS

1. The owners of each condominium unit shall constitute the members of the corporation and membership shall automatically cease upon termination of all interests which constitute a person an owner. Declarant shall be and have the rights of members with respect to unsold units. Whenever only one spouse is a record titleholder, the other spouse shall be considered an owner for the purposes of membership, and shall be bound by the provisions of all condominium documents including those provisions relating to the Homestead exemption contained in Article VII of the Declaration.

2. An owner of record shall be recognized as a member without further action for so long as such owner holds an ownership interest. If ownership is acquired but not of record, or if acquired other than by way of conveyance or other formal instrument of transfer (such as by death, judicial act or dissolution), the person acquiring or succeeding to ownership shall present the Board of Directors of the Association evidence satisfactory to it of facts evidencing lawful ownership status prior to exercise of any rights of membership in the Association. (Failure to provide such evidence shall not, however, relieve an owner of his ownership obligations). A fiduciary or other official acting in a representative capacity shall exercise all membership rights and privileges of the owner which he represents.

3. If more than one person is the owner of the same unit, all such owners shall be members and remain jointly and severally liable for all membership obligations. In such cases, or if more than one fiduciary or other official is acting in the premises, the votes entitled to be cast by the owners of that unit shall be cast by the person named for that purpose on a certificate signed by all such owners or fiduciaries or other officials and filed with the Secretary and such person shall be deemed to hold an ownership interest to such unit for purposes of voting and determining the representation of such ownership interest at any meeting or for purposes otherwise provided herein. If such certificate is not executed and filed with the Secretary, such membership shall not be considered in considering a quorum or a vote or for any other purposes until this Bylaw is complied with.

4. The owner of each unit shall be entitled to one vote on all matters to be determined by the members of the Association either as owners or as units or as contemplated by Chapter 499B of the 2003 Code of Iowa, as amended, pursuant to the Declaration, including any supplements or amendments thereto, submitting the property to the regime. Votes of a single unit may not be divided.

## II. MEMBERS' MEETINGS

1. The organizational meeting of the members of the Association to elect successors to the initial Board of Directors shall be held within 60 days of the date on which the Declarant has sold and given possession of at least 2/3rds of all of the units within the project or January 1, 2005, or when called by the Declarant, whichever shall sooner occur. Thereafter the annual and any special meetings shall be held at a time and at a place within Cedar Rapids, Linn County, Iowa, chosen by the Board of Directors and all such meetings, annual or special, shall be held at such particular time and place as is set forth in the notice thereof.

2. A special meeting shall be held whenever called by the President or, in his absence or disability, the Vice President, or by a majority of the Board of Directors, and must be called by such officers upon receipt of a written request from members entitled to cast one-third of the votes of the entire membership.

3. The Secretary or his designate shall give written notice to each member of the annual meeting. The person or persons calling a special meeting pursuant to Paragraph 2 hereof shall be given like written notice of such special meeting. All notices shall set forth the time and place and purpose or purposes for which the meeting will be held. No action shall be taken at a special meeting which is not directly related to the purpose or purposes stated in the notice of such meeting.

4. Notice of members' meetings shall be given by mailing or delivering same not less than ten (10), nor more than thirty (30) days prior to the date of the meeting. Notice shall be deemed to be given if mailed by First Class Mail to the member at the address of his unit within the regime, unless at the time of giving such notice such member has given written direction, delivered to the Secretary, specifying a different

mailing address to be carried on the rolls of the Association. #### VI. FISCAL MANAGEMENT

1. The Board of Directors shall adopt a budget for each fiscal year (which shall be the same as the Association's fiscal year for Income Tax purposes) which shall include the estimated funds required to defray the common expenses and to provide and maintain funds for the following accounting categories according to good accounting practices:

- (a) Current expenses which shall include all funds and expenditures to be made for the year for which the funds are budgeted, including a reasonable allowance for contingencies and working funds, except expenditures chargeable to reserves or to additional improvements. The balance of this fund at the end of each year shall be applied to reduce the assessments for current expense for the succeeding year.
- (b) Reserve for deferred maintenance, which shall include funds for maintenance items which occur less frequently than annually.

- (c) Reserve for replacement which shall include funds for repair or replacement required because of damage, destruction, depreciation or obsolescence.

2. The Board of Directors shall assess against each unit and the owners thereof shall be liable for, a share of the items in the budget adopted pursuant to paragraph 1 equal to such unit's prorata share of common expenses as set forth in the Declaration. Such share shall be assessed annually in advance for the fiscal year for which the budget was prepared and notice of such assessments shall be mailed or delivered not less than fifteen (15) days prior to the first day of such fiscal year. Such assessment shall be due and payable from the respective unit owner or owners in twelve (12) equal installments, each installment being due and payable the first day of each calendar month, within such fiscal year. In the event notice of such assessment is not timely given, the amount of such assessment will not change but the due date for each installment which would otherwise be due and payable, less than fifteen (15) days from the giving of such notice, shall be due and payable on the due date of the first installment which is due after fifteen (15) days from the date such notice was mailed or delivered. In the event the annual assessment proves to be insufficient, the budget and assessments, therefore, may be amended at any time by the Board of Directors. Such amended budget may be adopted at a special directors meeting upon an affirmative vote of a majority of the directors. The additional amount so budgeted shall be assessed to each unit in the same manner as assessments for the annual budget and shall be prorated among the remaining installments due and payable in such year.

3. Assessments for common expenses for emergencies and extraordinary expenditures, which cannot be paid from the annual assessments for common expenses and maintenance funds shall be made only after notice of the need thereof to the unit owners. After such notice and upon approval in writing by persons entitled to cast more than one-half of the votes in the Condominium, the assessments shall become effective, and shall be due in such manner as the Board of Directors may require after fifteen (15) days' notice thereof. In the event any expenditure for repair or replacement of any unit or common elements cannot be paid from annual assessments but can be at least ninety percent (90%) paid from insurance proceeds therefor, such expenditures may be made upon approval of the Board of Directors without approval of the members and an amended budget and assessment may be made therefor if necessary.

4. If an owner shall be in default of a payment of an installment upon an assessment, the Board of Directors may accelerate the remaining installments of the assessment upon notice thereof to such owner, and thereupon the unpaid balance of the assessment shall become due upon the date stated in the notice, but not less than ten (10) days after delivery thereof to such owner either personally or by registered or certified mail. Interest shall be computed and due on balances due under this paragraph but unpaid on such due date at the rate of 10% per annum from the date such balance becomes due and payable in accordance with the preceding sentence; such interest shall be in addition to any other payments for which said owner is liable.

5. The holder of a mortgage on any unit, upon its filing written request with the Association, shall be given written notice by the Association of the nonperformance of a mortgagor's obligations under these By-Laws, the Declaration or other condominium documents, which is not cured within thirty (30) days.

6. All sums assessed but unpaid, including but not limited to, interest with respect to a unit or against a unit owner shall constitute a lien on such unit prior to all other liens except:

- (a) Tax liens on the unit in favor of any assessing unit and special district, and
- (b) All sums unpaid on the first mortgage of record.

Said lien may be foreclosed by the Association in the manner and with the consequences provided in Section 499B.17 of the 2003 Code of Iowa, as amended, in which event the owner shall be required to pay a reasonable rental for the unit. In the event the Association forecloses on any lien, the owner or owners of such unit, by their membership in this Association, specifically waive any rights to delay or prevent foreclosure which he or they may have against the Association by reason of the Homestead Exemption. The Association may sue for money judgment for unpaid assessments and interest or sums due without foreclosing or waiving any lien which it holds.

7. If a mortgagee or purchaser of a unit obtains title as a result of foreclosure of a first mortgage, neither such mortgagee or purchaser nor their successors or assigns shall be liable for the assessments chargeable to such unit, due prior to the acquisition of title, and such unpaid assessments shall thereafter be deemed to be common expenses collectible from all unit owners including the mortgagee or purchaser, and their successors and assigns. The owner of a unit pursuant to a voluntary conveyance or by inheritance or devise shall be jointly and severally liable with the grantor or prior owner for all unpaid assessments against the grantor or prior owner, but without prejudice to the right of such grantee or devisee to recover from the grantor the amounts paid therefor. The grantee or other successor in interest of an individual subject to a levy of an assessment on account of default shall be liable for any such special assessment.

8. The depository of the Association shall be such bank or banks as shall be designated from time to time by the Directors and in which the moneys of the Association shall be deposited. Withdrawal of moneys from the accounts shall only be by checks signed by such persons as are authorized by the Directors.

9. An audit of the accounts of the Association may be made annually by a Certified Public Accountant and if such audit is made a copy of the report shall be furnished to each member not later than sixty (60) days after the close of the fiscal year for which the report is made.

## VII. AMENDMENT

1. These By-Laws may be amended, altered, repealed or new By-Laws adopted by the members at a regular or special meeting of the members upon the affirmative vote of 75% of all votes entitled to be cast; provided, however, no amendment effecting a substantial change in these By-Laws shall affect the rights of the holder of any mortgage recorded prior to recordation of such amendment who does not join in the execution thereof and who does not approve said amendment in writing.

2. No amendment may be adopted at either a special or regular membership meeting not included in the notice thereof, except if notice of the proposed amendment has been given, an amendment relative to the same subject may be adopted by those present, in person or by proxy and possessing the requisite percentage of membership and voting interests, provided further no vote by proxy may be counted unless the proxy expressly provides for such contingency. Notice referred to herein shall be given in the manner prescribed in Article II Section 3 of these By-Laws and shall be given to the persons described in Article II Section 4 and the holder of any first mortgage of record which has notified the Association of its interests not less than thirty (30) days before the date such meeting will be held. More than one proposed amendment may be included in the notice of a meeting.

3. To the extent provided by Section 499B.14 of the 2003 Code of Iowa, as amended, no modification nor amendment to these By-Laws shall be effective unless set forth in an amendment to the Declaration of Condominium, executed and recorded in the manner set forth in the Declaration and an amendment to these By-Laws shall constitute an amendment to the Declaration as provided for by law. Upon such recording said amendment shall be effective against all persons having an interest in a unit or the Regime regardless of whether said person had such interest at the time said amendment was adopted.

## VIII. MISCELLANEOUS PROVISIONS

1. The invalidity of any portion or provision of these By-Laws shall not affect the validity of the remaining provisions or portions hereof.

2. The Association shall not have and employ a corporate seal.

3. The Board of Directors may require fidelity bonds from all directors, officers, or agents handling or responsible for Association funds and the expense of such bonds shall be common expenses of the Association.

The initial Board of Directors shall adopt the initial Rules and Regulations which may be added to, amended, modified or altered by the affirmative vote of the members representing a majority of the units' votes in the Association. Such Rules and Regulations, as amended, shall be binding upon

all members, guests and agents of members. An amendment to the Rules and Regulations shall not constitute an amendment to the Declaration and shall be valid and enforceable upon adoption without recording the same as an amendment to the Declaration.

5. The Association shall at all times maintain separate and accurate written records of each unit and owner and the address of each, and setting forth the status of all assessments, accounts and funds pertinent to that unit and owner. Any person other than a unit owner may rely on a certificate made from such records by an officer or agent of the Association as to the status of all assessments and accounts.

6. Each member shall have the obligations as such member as are imposed on him by the regime documents as an owner, and no member shall have any power or authority to incur a mechanic's lien or other lien effective against the regime property except as the same may attach only against his interest therein.

7. The Board of Directors may, in its discretion, issue written evidence of membership, but the same shall be evidence thereof only and in no manner shall be transferable or negotiable, and the share of the member in the assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as appurtenant to such assignment, hypothecation or transfer of the unit.
