A. Developer's Activities: Developer is irrevocably and perpetually empowered, notwithstanding any use restriction or other provision hereof to the contrary, to sell, lease or rent Units and shall have the right to transact on the condominium Property any business relating to construction, repair, remodeling, sale, lease or rental of Units, including but not limited to, the right to maintain signs, employees, independent contractors and equipment and materials on the premises, and to use Common and Limited Elements to show Units. All signs and all items and equipment pertaining to sales or rentals or construction and any Unit furnished by the Developer for sales purposes shall not be considered Common Elements and shall remain its separate property. Developer retains the right to be and remain the Unit Owner of completed but unsold Units under the same terms and conditions as other Unit Owners, including membership in the Association, but retains its right to sell, rent or lease the same on such terms as the Developer desires.

B. Modifications to Plans and Specifications: The Developer contemplates that it may be necessary for adjustments to be made in the Plans and Specifications during the course of construction and reserves the right to do so and shall, so long as the same do not materially change the integrity and appearance of the Building, make any such adjustments. The Developer will document any changes permitted herein by filing a supplement to the Condominium Declaration.

C. Easements: Developer expressly reserves perpetual easements for ingress, egress and utility purposes as may be required across and under the Property submitted hereby.

D. Designation of Association Directors: Developer shall have the right to name all members of the Board of Directors of the United Center Condominiums Association until the first annual members' meeting of said Association which shall be held as provided for in the Bylaws. For so long as Developer owns at least 3,000 square feet in one or more Units, one member may be selected by Developer and such member need not be a Unit Owner.

E. Disclaimer: The Developer specifically disclaims any intent to have made any warranty or representation in connection with the Property or the Condominium Documents except as specifically set forth in them and no Person shall rely upon any warranty or representation not so specifically made. The estimates of Common Expenses are deemed accurate, but no warranty or guaranty is made nor intended, nor may one be relied upon.

F. Authority to Delegate: In order to maintain high standards and to assure the proper development of the Condominium, the Developer reserves for a period of ten (10) years, or when the Developer owns less than twenty five percent (25%) of the total regime, whichever is sooner, from the date of recording of this Declaration, the power to contract with persons, firms, or corporations of its choice for the management of the Condominium, and to delegate to such managing agent, which may be Developer or either of them, all powers of the Association in regard to maintenance, repair,

management, and operation of the Association. The management costs and fees as may be contained in such management contract shall be Common Expenses.

ARTICLE NINE: MANAGEMENT OF THE REGIME

A. Association: The operation of the Condominium shall be by the Association. The name of the Association shall be "United Center Condominiums Association". Copies of its Bylaws are attached hereto as Exhibit "A". Whenever a vote or other action of Unit Owners as a group is required the mechanics of conducting such a vote or taking such action shall be under the control and supervision of the Association. The action of the Association shall constitute the action of the Unit Owners whenever such action is permitted or required herein or by Chapter 499B of the Code of Iowa.

B. Compliance: All Unit Owners, tenants, families, guests, business invitees, agents, lessees and other persons using or occupying the Condominium Regime shall be bound by and strictly comply with the provisions of the Bylaws of the Association and applicable provisions of other Condominium Documents and all agreements, regulations and determinations lawfully made by the Association and its directors, officers or agents shall be binding on all such Unit Owners and other persons. A failure to comply with the Bylaws or the provisions of the other Condominium Documents or any agreement or determination thus lawfully made shall be grounds for an action to recover sums due for damages on the part of the Association or any Unit Owners, as applicable or injunctive relief without waiving either remedy.

1. All Unit Owners shall be liable for the expense of any maintenance, repair, or replacement rendered necessary by his, her or its act, neglect or carelessness or by that of any employees, invitees, agents, or lessees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in fire insurance rates occasioned by use, misuse, occupancy, or abandonment of any Unit or its appurtenances. Nothing contained in this Declaration, however, shall be construed so as to modify any waiver by insurance companies of rights of subrogation.

2. In any proceeding arising because of an alleged default by a Unit Owner, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees as may be determined by the Court.

3. The failure of the Association or of a Unit Owner to enforce any right, provision, covenant, or condition which may be granted by the Condominium Documents shall not constitute a waiver of the right of the Association or Unit Owner to enforce such right, provision, covenant, or condition in the future.

4. All rights, remedies, and privileges granted to the Association or a Unit

Owner pursuant to any terms, provisions, covenants, or conditions of the Condominium Documents shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies, or privileges as may be granted to such party by the Condominium Documents or at law or in equity.

C. Interpretation: In interpreting deeds, mortgages, and plans, the existing physical boundaries of the Unit or of a Unit reconstructed in substantial accordance with the original plans shall be conclusively presumed to be its boundaries rather than the metes and bounds expressed in the deed, mortgage, or plan, regardless of settling or lateral movement of the Building and regardless of minor variance between boundaries shown on the plan or in the deed and those of the Building.

D. Powers of Association: Each Unit Owner agrees that the Association has and shall exercise all powers, rights and authority granted unto it and the Unit Owners as a group by Chapter 499B of the Code of Iowa as amended, and such as are more particularly set forth in the Condominium Documents, including but not limited to the making of assessments chargeable to Unit Owners and the creation of a lien on Units thereof, and to acquire a Unit at foreclosure sale and to hold, lease, mortgage or convey the same. Each Unit Owner hereby waives any rights to delay or prevent such foreclosure by the Association which he, she or it may have by reason of a homestead exemption. The Association is vested with the power to delegate its powers, duties, and authority granted by this Declaration, by entering into a management contract with such persons or organization or corporations, and upon such conditions and terms as the Board of Directors may elect except as provided in Article Eight of this Declaration. The management costs and fees as may be contained in any management contract shall be Common Expenses.

E. Partition: All Unit Owners shall be deemed to have waived all rights of partition, if any, in connection with such acquisition.

F. Membership Voting Rights: The members of the Association shall consist of all the record Unit Owners. After receiving the approval of the Association elsewhere required, change of membership in the Association shall be established by recording in the public records of Woodbury County, Iowa, a deed or other instrument establishing a record title to a Unit in the Condominium and the membership of the prior Unit Owner shall be thereby terminated. Each member of the Association shall be entitled to the number or fractional share of votes for each Unit owned by such member as set forth in Exhibit "E" hereafter. For purposes of electing the Association's Board of Directors, each member of the Association is entitled to the number of votes as governed by the Bylaws of the Association.

G. Restraint upon Assignment: The share of a member in the funds or assets of the Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to his, her or its Unit.

H. Board of Directors: The affairs of the Association shall be conducted by a Board of five (5) initial Directors who shall be designated in the manner provided by the Bylaws and Paragraph D of Article Eight.

I. Discharge of Liability: The Association shall not be liable to Unit Owner(s) for any injury or damage to property caused by Unit Owner(s) or person(s) in the Building or by any other means unless caused by the gross negligence of the Association. No diminution or abatement of Common Expense Assessments shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or improvements of the Common Elements or from any action taken to comply with any law, ordinance or orders of a governmental authority.

J. Indemnification of Directors and Officers: Every director and every officer of the Association shall be indemnified by the Association against all expenses and liabilities, including legal counsel fees, reasonably incurred by or imposed in connection with any proceeding to which he or she may be a party, or in which he or she may become involved, by reason of being or having been a director or officer of the Association, or any settlement thereof, whether or not he or she is a director or officer at the time such expenses are incurred, except in such cases wherein the director or officer is adjudged guilty of willful misfeasance or malfeasance in the performance of his or her duties; provided that in the event of a settlement the indemnification herein shall apply only when the Board of Directors approves such settlement and reimbursement as being in the best interests of the Association. The foregoing rights of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer may be entitled.

#### ARTICLE TEN: MAINTENANCE AND REPAIR OF UNITS

A. Responsibility of the Association: The Association, at its expense, shall:

1. be responsible for the maintenance, repair and replacement of all portions of the Unit which contribute to the support of the Building, excluding, however, interior wall, ceiling and floor surfaces, and including, but not limited to, outside walls of the Building, structural slabs, roof, interior boundary walls of Units, and load-bearing columns;
2. be responsible for the maintenance, repair and replacement of all conduits, ducts, plumbing, wiring, and other facilities for the furnishing of utility services which may be contained in the Unit but excluding appliances, office machinery, and plumbing fixtures;
3. be responsible for the maintenance, repair and replacement of all incidental damage caused to a Unit by such work as may be done or caused to be done by the Association in accordance with this Article;
4. cause the Building, appurtenances, and grounds of the Condominium to be

maintained according to reasonably acceptable standards, including, but not limited to, lawn care, exterior cleaning, exterior painting, plumbing, carpentry, and such other normal maintenance and repair work as may be necessary;

5. make contracts for sewer, water, exterior lights, refuse collection, exterior electric service, vermin extermination, and other necessary services. Also place orders for such equipment, tools, appliances, materials, and supplies as are necessary to properly maintain the Condominium; and

6. cause to be placed and kept in force necessary insurance needed adequately to protect the Association, its members and mortgagees holding mortgages covering Condominium parcels, as their respective interests may appear (or as required by law), including, but not limited to, elevator maintenance contracts, if applicable, public liability insurance, fire, and extended coverage insurance, as is more particularly set forth in this Declaration of Condominium.

Funds for the payment of the above and foregoing shall be assessed against the Unit Owners as a Common Expense. If, however, such payment is for the maintenance or repair of a Limited Common Element, then those funds shall be assessed against the beneficial Unit Owners with an ownership share in such Limited Common Element. The funds assessed against the Common Elements and the funds assessed against the Limited Common Elements will be maintained in separate accounts.

B. Responsibility of the Unit Owner: The responsibility of the Unit Owner shall be as follows:

1. to maintain, repair, and replace at Owner's expense, all portions of the Unit except the portions of each to be maintained, repaired, and replaced by the Association;

2. to perform Owner's responsibilities in such manner so as not unreasonably to disturb the rights of other persons occupying within the Building;

3. not to paint or otherwise decorate or change the appearance of any portion of the Building not within the walls of the Unit, unless the written consent of the Association is obtained;

4. to promptly report to the Association or its agent any defect or need for repairs or maintenance, the responsibility for the remedying of which is with the Association; and

5. not to make any alterations in the portions of the Unit or the Building which are to be maintained by the Association or remove any portion of the same or make any additions to the same or do anything which would or might jeopardize or impair the safety or soundness of the Building without first obtaining the written consent of the Association; and

6. not to place any liens against the Unit other than a first mortgage and to supply to

the Association the names of all first mortgagees of individual Units; and

7. not to impair any easement without first obtaining the written consent of the Association and of the Unit Owner or Unit Owners for whose benefit such easement exists.

C. No Contractual Liability: Nothing contained in this Declaration, however, shall be construed so as to impose a contractual liability upon the Association for maintenance, repair, and replacement, but the Association's liability shall be limited to damages resulting from negligence.

#### ARTICLE ELEVEN: CONVEYANCES

The selling or leasing of Units shall be subject to the following provisions until this Declaration is terminated in accordance with provisions elsewhere contained in this Declaration, or until the United Center Building is no longer tenantable, whichever first occurs:

1. Notice to Association: A Unit Owner intending to make a sale or lease of a Unit or any interest in the Unit shall give written notice to the Association of such intention, together with the name and address of the intended purchaser or lessee, such other information as the Association reasonably may require and the terms of the proposed transaction. The giving of such notice shall constitute a warranty and representations by the Unit Owner to the Association and any purchaser or lessee produced by the Association as provided below in this Declaration, that the Unit Owner believes the proposal to be bona fide in all respects.

2. Election of Association. Within ten (10) days after receipt of such notice, the Board of Directors of the Association shall either approve the transaction with the proposed buyer or furnish a purchaser or lessee approved by the Association (and give notice to the person desiring to sell or lease a Unit) who will accept the transaction upon terms as favorable to the seller as the terms stated in the notice, except that a purchaser or lessee furnished by the Association may have not less than ten (10) days subsequent to the date of approval within which to close the transaction, and except that the approval of a corporation may be conditioned as elsewhere stated. The approval of the Board of Directors of the Association shall be in recordable form, signed by any officer of the Board, and shall be delivered to the purchaser or lessee. The failure of the Association to act within such ten (10)-day period shall be deemed to constitute approval, following which the Association nevertheless shall prepare and deliver written approval in

recordable form. The Unit Owner giving such notice shall be bound to consummate the transactions with such purchaser or lessee as may be approved and furnished by the Association. The right of election shall not be exercised so as to restrict alienation, conveyance, sale, leasing, purchase, ownership, and occupancy of Units because of race, creed, color, national origin, sex, mental or physical disability, familial status, gender identity, or sexual orientation.

B. Revision in Commercial Units: The Unit Owner of the commercial units may revise their size and create new Units; however, any change in the square footage size of the Units shall not alter the total percentage of such altered Units ownership in the regime. The percentage of expense obligations and the voting rights of said modified or subunits shall be proportionately adjusted so as to total the same percentages or rights as the original Unit which has been divided or altered. In the event of an alteration as permitted by this paragraph, a supplement to the Condominium Declaration reflecting said revisions shall be filed. All costs for doing same shall be paid by the Unit Owner.

#### ARTICLE TWELVE: INSURANCE

The insurance which shall be carried upon the Property shall be governed by the following provisions:

A. Authority to Purchase: Except for Builder Risk and other required insurance furnished by Developer during construction, all insurance policies upon the Property (except as allowed below) shall be purchased by the Association for the benefit of the Unit Owners and their respective mortgagees as their interests may appear and shall provide for the issuance of certificates of insurance mortgage endorsements to the holders of first mortgages on the Units or any of them, and, if insurance companies will agree, shall provide that the insurer waives its rights of subrogation as to any claims against Unit Owners, the Association and their respective employees, agents, and invitees. Such policies and endorsements shall be deposited with the Association, who must first acknowledge that the policies and any proceeds of the policies will be held in accordance with the terms of this Declaration.

B. Unit Owners: Each Unit Owner may obtain insurance, at Owner's expense, affording coverage upon improvements and betterments to his, her or its Unit, their personal property and for personal liability and as may be required by law, but all such insurance shall contain the same waiver of subrogation as that referred to in Article Twelve, paragraph A of this Declaration (if the same is available) and must be obtained from an insurance company from which the Association obtains coverage against the same risk, liability, or peril, if the Association has such coverage. Purchase of this coverage shall be the sole and direct responsibility of the Unit Owner thereof, and the Board of Directors, the Association and/or Developer shall have no responsibility therefor. Similarly, Unit Owners, their guests, employees, agents and invitees shall be responsible for insuring any automobiles, motorcycles, or other vehicles, any bicycles, any parts and contents of any of the foregoing and any other personal property, which are

parked or stored in any parking stalls located either underground or aboveground and the Board of Directors, the Association and/or Developer shall have no responsibility therefor.

C. Coverage:

1. Casualty. The exterior and interior walls of the Building and all other insurable improvements to the Common Areas upon the land and all personal property as may be owned by the Association shall be insured in an amount equal to the maximum insurable replacement value of the same (exclusive of excavation and foundations) as determined annually by the insurance company affording such coverage. Such coverage shall include the underground parking facility subject to that certain Parking License Agreement dated May 21, 2007 by and between the City of Sioux City and the Developer. Such coverage shall afford protection against:

a. loss or damage by fire and other hazards covered by the standard extended coverage endorsement; and

b. such other risks as from time to time customarily shall be covered with respect to buildings similar in construction, location, and use as the Building, including but not limited to, vandalism, malicious mischief, windstorm, and water damage.

2. Public Liability and property damage in such amounts and in such forms as shall be required by the Association including but not limited to water damage, legal liability, hired automobile, non-owned automobile, and off-premises employee coverages.

3. Worker's Compensation policy to meet the requirements of law.

4. All liability insurance shall contain cross-liability endorsements to cover liabilities of the Unit Owners as a group to a Unit Owner.

5. Flood. If required, the necessary flood coverage will be provided to meet the requirements of law.

D. Premiums: Premiums upon insurance policies purchased by the Association shall be paid by the Association and charged as Common Expenses.

E. Insurance Proceeds: All insurance policies purchased by the Association shall be for the benefit of the Association and the Unit Owners and their mortgagees as their respective interests may appear and shall provide that all proceeds payable as a result of casualty losses shall be paid to the Association, to receive such proceeds as are paid and to hold the same in trust for the purposes elsewhere stated in this Declaration, and for the benefit of the Association, the Unit Owners and their respective mortgagees, in the following shares:

1. Common Elements. Proceeds on account of damage to Common Elements shall

be paid for the undivided share for each Unit Owner and Owner's mortgagee, if any, which is set forth in Exhibit "E" of this Declaration.

2. Units. Proceeds on account of Units shall be held in the following undivided shares:

(a) partial destruction when the Building is to be restored—for the Unit Owners of damaged Units in proportion to the cost of repairing the damage suffered by each damaged Unit. The Association shall certify the appropriate proportions and the Unit Owners shall be bound by such certification.

(b) total destruction of the Building or where the Building is not to be restored for all Unit Owners, the share of each being that share set forth in Exhibit "E".

3. Mortgages. If a mortgagee endorsement has been issued as to a Unit, the share of the Unit Owner shall be held in trust for the mortgagee and the Unit Owner as their interests may appear.

F. Distribution of Proceeds: Proceeds of insurance policies received by the Association shall be distributed to or for the benefit of the beneficial Unit Owners in the following manner:

1. Reconstruction or Repair. If the damage for which the proceeds were paid is to be repaired or reconstructed, the proceeds shall be paid to defray the cost of such repair or reconstruction as elsewhere provided. Any proceeds remaining after defraying such costs shall be distributed to the beneficial Unit Owners, all remittances to Unit Owners and their mortgagees being payable jointly to them. This is a covenant for the benefit of any mortgagee of a Unit and may be enforced by him, her or it.

2. Failure to Reconstruct or Repair. If it is determined in the manner elsewhere provided, that the damage for which the proceeds are paid shall not be reconstructed or repaired, the proceeds shall be distributed to the beneficial Unit Owners, remittances to Unit Owners and their mortgagees being payable jointly to them. This is a covenant for the benefit of any mortgagee of a Unit and may be enforced by the mortgagee.

ARTICLE THIRTEEN: RECONSTRUCTION OR REPAIR OF CASUALTY  
DAMAGE

A. If any part of the Common Elements or the Limited Common Elements shall be damaged by casualty, the determination of whether or not to reconstruct or repair the same shall be made as follows:

1. Re-building of the Common Elements and Facilities made necessary by fire or other casualty loss shall be carried out in the manner set forth in the Condominium Documents dealing with the necessary work of maintenance, repair, and replacement,

using common funds, including the proceeds of any insurance, for that purpose, provided such casualty loss does not exceed 80% of the value of the Condominium prior to the casualty.

2. If the casualty loss exceeds 80% of the value of the Condominium prior to the casualty, and

(a) if 90% of the beneficial Unit Owners do not agree within 30 days after the date of the casualty to proceed with repair or restoration, the Condominium, including all Units, shall be subject to partition at the suit of any Unit Owner. Such suit shall be subject to dismissal at any time prior to entry of an order to sell if an appropriate agreement to rebuild is filed. The net proceeds of a partition sale together with any common funds shall be divided in proportion to the beneficial Unit Owners' respective undivided interest as determined by Exhibit "E". Upon such sale, the Condominium shall be deemed removed from the provisions of Iowa Code Chapter 499B.

(b) if 90% of the beneficial Unit Owners agree to proceed with the necessary repair or restoration, the cost of the rebuilding of the Condominium, in excess of any available common funds, including the proceeds of any insurance, shall be a Common Expense, provided, however, that if such excess cost exceeds 80% of the value of the Condominium prior to the casualty, any Unit Owner who did not so agree may apply to the District Court of Woodbury County, Iowa, on such notice to the Association as the court shall direct, for an order directing the purchase of his, her or its Unit by the Association at the fair market value of the Unit as approved by the court. The cost of any such purchase shall be a Common Expense.

3. Any such reconstruction or repair shall be substantially in accordance with the Plans and Specifications.

4. Encroachments upon or in favor of Units which may be created as result of such reconstruction or repair shall not constitute a claim or basis of a proceeding or action by the Unit Owner upon whose property such encroachment exists, provided that such reconstruction was either substantially in accordance with the Plans and Specifications or as the Building was originally constructed. Such encroachments shall be allowed to continue in existence for so long as the Building stands.

B. Responsibility: If the damage is only to those parts of one Unit for which the responsibility of maintenance and repair is that of the Unit Owner, then the Unit Owner shall be responsible for reconstruction and repair after casualty. In all other instances, the responsibility of reconstruction and repair after casualty shall be that of the Association.

1. Estimate of Costs. Immediately after a casualty causing damage to property for which the Association has the responsibility of maintenance and repair, the Association shall obtain reliable and detailed estimates of the cost to place the damaged property in condition as good as that before the casualty. Such costs may include professional fees and premiums for such bonds as the Board of Directors desires.

2. Assessments. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association (including the above-mentioned fees and premiums, if any), Assessments shall be made against the Unit Owners who own the damaged property in sufficient amounts to provide funds to pay the estimated costs. If at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of same are insufficient, Assessments shall be made against the Unit Owners who own the damaged property in sufficient amounts to provide funds for the payment of such costs.

3. Construction Funds. The funds for payment of costs of reconstruction and repair after casualty, which shall consist of proceeds of insurance held by the Association and funds collected by the Association from Assessments against Unit Owners, shall be disbursed in payment of such cost in the following manner:

(a) Association. If the amount of the estimated costs of reconstruction and repair exceeds the total of the annual Assessments for Common Expenses made during the year in which the casualty occurred, then the sums paid upon Assessments to meet such costs shall be deposited by the Association with the Construction Fund (as defined below). In all other cases, the Association shall hold the sums paid upon such Assessments and disburse the same in payment of the costs of reconstruction and repair.

(b) Construction Fund. The proceeds of insurance collected on account of a casualty, and the sums from collections of Assessments against Unit Owners on account of such casualty, shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner:

(1) Unit Owner. The portion of insurance proceeds representing damage for which the responsibility of reconstruction and repair lies with the Unit Owner: to such contractors, suppliers, and personnel as do the work or supply the materials or services required for such reconstruction or repair, in such amounts and at such times as the Unit Owner may direct, or if there is a mortgagee endorsement, then to such payees as the Unit Owner and the first mortgagee jointly direct. Nothing contained in this Declaration, however, shall be construed so as to limit or modify the responsibility of the Unit Owner to make such reconstruction or repair.

(2) Association. If the amount of the estimated costs of reconstruction and repair is less than the total of the annual Assessments for Common Expenses made during the year in which the casualty occurred, then the Construction Fund shall be disbursed in payment of such costs upon the order of the Association; provided, however, that upon request of a mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner provided below for the reconstruction and repair of major damage.

(3) Association. If the amount of the estimated costs of reconstruction and

repair of the Building or other improvement is more than the total of the annual Assessments for Common Expenses made during the year in which the casualty occurred, then the Construction Fund shall be disbursed in payment of such costs in the manner required by the Board of Directors of the Association and upon approval of an architect qualified to practice in the State of Iowa and employed by the Association to supervise the work.

(4) Surplus. It shall be presumed that the first moneys disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds; and if there is a balance in a Construction Fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be distributed jointly to the Unit Owners and their mortgagees who are the beneficial owners of the fund.

(5) When the damage is to both Common Elements and Units, the insurance proceeds shall be applied first to the costs of repairing the Common Elements and the balance to the Units in the shares above stated.

4. Insurance Adjustments. Each Unit Owner shall be deemed to have delegated to the Board of Directors Owner's right to adjust with insurance companies all losses under policies purchased by the Association except in any case where the damage is restricted to one Unit, subject to the rights of mortgagees of such Unit Owners.

C. Notice to Mortgagees: The Association will give timely notice to the mortgagees of Unit Owners of any casualty loss that affects either a material portion of the Project or the Unit securing the mortgage.

#### ARTICLE FOURTEEN: TAXES AND SPECIAL ASSESSMENTS

A. Assessment of Units: The assessment of each of the Units for taxes and special assessments by governmental bodies may be done in the following manner pursuant to Iowa Code Section 499B.11:

1. Determination of Value. All real property taxes and special assessments shall be assessed and levied on each Unit and its respective appurtenant share of the land, Common Elements and Limited Common Elements as shown in Exhibit "E".

2. Certificate. Any tax assessor may rely upon a Certificate of the Association as to the Share of each Unit for taxes and upon request or whenever appropriate, the Association shall issue such Certificate.

B. Taxes Not Assessed to Units: During the period of time the taxes and special assessments upon the Property or any portion of it are not assessed to Units, the taxes and assessments not separately assessed to Units shall be included in the budget of the Association and shall be paid by the Association. The Association shall assess each Unit Owner in accordance with the manner set forth above for allocation of taxes and special

assessments by the tax assessor.

C. Return for Taxation: No Unit Owner shall make a return for taxation which is inconsistent in any manner with the provisions of this Declaration and if any such return is made it shall be void.

#### ARTICLE FIFTEEN: ASSESSMENTS

Assessments against the Unit Owners shall be made or approved by the Board of Directors of the Association and paid by the Unit Owners to the Association in accordance with the following provisions:

A. Share of Common Expenses: Each Unit Owner shall be liable for Owner's share of the Common Expenses ("CAM"), and any Common Surplus shall be owned by each Unit Owner in a like share, according to the assessment amount to be calculated by the Association on a yearly basis. The assessment per Unit for the CAM charges will be based on the percentages as stated in Exhibit "E". The commercial Units percentage will be equal to the Unit's percentage share of total commercial square footage of the Building. The residential Units will each be assessed 1.75% of the total annual CAM budget. There are three two-story residential Units which will each be charged 1.95% of the total annual CAM budget as long as the Unit is maintained as a two story Unit owned by the same person or entity. At any time, if the Unit Owner of such a two story Unit divides the Unit into two one-story units, the CAM charge will then revert to 1.75% for each separate Unit. These Units are identified on Exhibit "E" as Unit 501/601, Unit 507/607 and 508/608. No other combined ownership of any two or more Units will reduce CAM charges. The Common Surplus will be deposited into a capital repair account to be used for unforeseen repairs to any of the Common Elements.

B. Share of Limited Common Elements: Each Unit Owner shall be liable for Owner's share of the Limited Common Expenses, and any Common Surplus shall be owned by each Unit Owner in a like share, according to the assessment amount to be calculated by the Association on a yearly basis. The assessment per Unit for the Limited Common Elements will be based on the percentage of ownership in said Limited Common Element as expressed in Article Seven and Exhibit "F."

C. Assessments other than Common Expenses or Limited Common Expenses: Any Assessments, the authority to levy which is granted to the Association or its Board of Directors by the Condominium Documents, shall be paid by the Unit Owners to the Association in the proportions set forth in the provision of the Condominium Documents authorizing the Assessment.

D. Assessments for Common Expenses: Assessments for Common Expenses shall be made for the calendar year annually in advance on or before the second Tuesday in November of the year preceding for which the Assessments are made and at such other

and additional times as in the judgment of the Board of Directors additional Common Expenses Assessments are required for the proper management, maintenance, and operation of the Common Elements. Such assessments shall be due and payable from the respective Unit Owner or Unit Owners in twelve (12) equal installments, each installment being due and payable the first day of each calendar month, within such fiscal year. In the event the annual assessment proves to be insufficient, the budget and assessments, therefore, may be amended at any time by the Board of Directors. Such amended budget may be adopted at a special directors' meeting upon an affirmative majority vote of the directors. The additional amount so budgeted shall be assessed to each Unit in the same manner as assessments for the annual budget and shall be prorated among the remaining installments due and payable in such year. The total of the Assessments shall be in the amount of the estimated Common Expenses for the year including a reasonable allowance for contingencies and reserves less the amounts of unneeded Common Expense Account balances and less the estimated payments to the Association for defraying the costs of the use of Common Elements. If an annual Assessment is not made as required, a payment in the amount required by the last prior Assessment shall be due upon each Assessment payment date until changed by a new Assessment.

E. Assessments for Limited Common Expenses: Assessments for Limited Common Expenses shall be made for the calendar year annually in advance on or before the second Tuesday in November of the year preceding for which the Assessments are made and at such other and additional times as in the judgment of the Board of Directors additional Limited Common Expenses Assessments are required for the proper management, maintenance, and operation of the Limited Common Elements. Such assessments shall be due and payable from the respective Unit Owner or Unit Owners in twelve (12) equal installments, each installment being due and payable the first day of each calendar month, within such fiscal year. In the event the annual assessment proves to be insufficient, the budget and assessments, therefore, may be amended at any time by the Board of Directors. Such amended budget may be adopted at a special directors' meeting upon an affirmative majority vote of the directors. The additional amount so budgeted shall be assessed to each Unit in the same manner as assessments for the annual budget and shall be prorated among the remaining installments due and payable in such year. The total of the Assessments shall be in the amount of the estimated Limited Common Expenses for the year including a reasonable allowance for contingencies and reserves less the amounts of unneeded Limited Common Expense Account balances and less the estimated payments to the Association for defraying the costs of the use of Limited Common Elements. If an annual Assessment is not made as required, a payment in the amount required by the last prior Assessment shall be due upon each Assessment payment date until changed by a new Assessment.

F. Other Assessments: Other Assessments shall be made in accordance with the provisions of the Condominium Documents and if the time of payment is not set forth in the Condominium Documents, the same shall be determined by the Board of Directors of the Association.

G. Assessments for Emergencies: Assessments for Common Expenses of

emergencies which cannot be paid from the Common Expense Account shall be made only by the Board of Directors of the Association.

G. Assessments for Liens: All liens of any nature including taxes and special assessments levied by governmental authority which are a lien upon any portion of the Common Elements, shall be paid by the Association as a Common Expense and shall be charged to the Common Expense Account.

I. Assessment Roll: The Assessments against all Unit Owners shall be set forth upon a roll of the Units which shall be available in the Office of the Association for inspection at all reasonable times by the Unit Owners or their authorized representatives. Such roll shall indicate for each Unit the name and address of the Unit Owner or Unit Owners, the Assessments for all purposes, and the amounts of all Assessments paid and unpaid. A certificate made by the Association as to the status of a Unit Owner's Assessment account shall limit the liability of any person for whom made other than the Unit Owner when recorded in the Woodbury County, Iowa Auditor and Recorder's Office. The Association shall issue such certificates in recordable form to such persons as a Unit Owner shall request in writing.

J. Liability for Assessments: The Unit Owner and his, her or its grantees shall be jointly and severally liable for all unpaid Assessments due and payable at the time of a conveyance but without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee for the same. Such liability may not be avoided by a waiver of the use or enjoyment of any Common Element or by abandonment of the Unit for which the Assessments are made. A Purchaser of a Unit at a judicial or foreclosure sale or a first mortgagee who accepts a deed in lieu of foreclosure shall be liable only for Assessments coming due after such sale and for that portion of due Assessments prorated to the period after the date of such sale. Such a purchaser shall be entitled to the benefit of all pre-paid Assessments paid beyond the date such purchaser acquired title.

K. Lien for Assessments: The unpaid portion of an Assessment which is due shall be secured by a lien upon the Unit and all appurtenances to the Unit and shall be enforced in the manner provided in Iowa Code Section 499B.17. Such lien shall have priority over all other liens, except municipal liens and first mortgages of record held by a bank or insurance company, as to such portion of the common expenses as became due within six months prior to the commencement of an action to enforce such lien pursuant to Iowa Code Section 499B.17. Such a claim of lien shall also secure all Assessments which come due subsequently until the claim of lien is satisfied.

L. Application:

1. Interest; Application of Payments. Assessments and installments of Assessments paid on or before ten (10) days after the date when due shall not bear interest but all sums not paid on or before ten (10) days after the date when due shall bear interest at the rate of 18% or the maximum allowable by law per year from the date when due until paid. All payments upon account shall be applied first to interest and then to the Assessment

payment first due. All interest collected shall be credited to the Common Expense Account.

2. Suit. The Association at its option may enforce collection of delinquent Assessments by suit at law or by foreclosure of the liens securing the Assessments or by any other competent proceeding and in any event, the Association shall be entitled to recover in the same action, suit, or proceeding the payments which are delinquent at the time of judgment or decree together with interest at the rate of 18% or the maximum allowable by law per year, and all costs incident to the collection and the action, suit or proceedings, including, but not limited to, reasonable attorneys' fees.

ARTICLE SIXTEEN: AMENDMENT

Except for alterations in the Shares which cannot be done except with the consent of all Unit Owners whose Shares are being affected, and their mortgagees, the Condominium Documents may be amended in the following manner:

A. Declaration of Establishment of a Horizontal Property Regime (Condominium). Amendments to this Declaration of Establishment a Horizontal Property Regime shall be proposed and adopted as follows:

1. Notice. Notice of the subject matter of the proposed amendment in reasonably detailed form shall be included in the Notice of any meeting at which a proposed amendment is considered.

2. Resolution. A resolution adopting a proposed amendment may be proposed by either the Board of Directors of the Association or by the Unit Owners meeting as members of the Association and after being proposed and approved by either of such bodies, must be approved by the other. Directors and Unit Owners not present at the meeting considering such amendment may express their approval in writing or by proxy. Such approvals must be by not less than 80% of the Directors and 80% of the Unit Owners and their mortgagees. Amendments that are materially adverse to mortgagees must be agreed to by mortgagees that represent at least fifty-one percent (51%) of the votes of the Units that are subject to mortgages.

3. Recording. A copy of each amendment shall be certified by an Officer of the Association as having been duly adopted and shall be effective when recorded in the Woodbury County, Iowa Auditor and Recorder's Office. Copies of the same shall be sent to each Unit Owner and his, her or its mortgagee in the manner elsewhere provided for the giving of notices but the same shall not constitute a condition precedent to the effectiveness of such amendment.

B. Association; Articles of Incorporation and Bylaws: The Articles of Incorporation and the Bylaws of the Association shall be amended in the manner provided by such documents.

ARTICLE SEVENTEEN: TERMINATION

A. Vote of the Unit Owners: 90% of the Unit Owners may remove all of the condominium or a portion of it from the provisions of Iowa Code Chapter 499B by an instrument to that effect, recorded in the Woodbury County, Iowa Auditor and Recorder's Office, provided that the holders of all liens upon any of the Units affected consent to such removal by instruments duly recorded. The termination shall become effective when such agreement has been recorded in the Woodbury County, Iowa Auditor and Recorder's Office.

B. Destruction: If it is determined in the manner elsewhere provided that the Property shall not be reconstructed after casualty, this Condominium, including all of the Units, shall be subject to partition at the suit of any Unit Owner. Such suit shall be subject to dismissal at any time prior to entry of an order to sell if an appropriate agreement to rebuild is filed. The net proceeds of a partition sale together with any common funds shall be divided in proportion to the Unit Owners' respective undivided ownership interest as determined by Article Six, Paragraph D. Upon such sale, the Condominium shall be deemed removed from the provisions of Iowa Code Chapter 499B and terminated.

C. Shares of Unit Owners after Termination: After termination as provided in paragraph A of this Article, the Condominium, including all the Units, or the portion thus removed, shall be owned in common by the Unit Owners and the Association of Unit Owners shall be dissolved, unless it is otherwise provided in the removal instrument. The undivided interest in the property owned in common held by each Unit shall be equal to the percentage of the undivided interest of such Unit Owner as determined in Article Six, Paragraph D. All funds held by the Association and insurance proceeds, if any, shall be and continued to be held jointly for the Unit Owners and their first mortgagees in proportion to the amount of the Assessments paid by each Unit Owner. The costs incurred by the Association in connection with a termination shall be a Common Expense.

D. Resubmission: Pursuant to Iowa Code Section 499B.9, the removal of the Condominium from the provisions of Iowa Code Chapter 499B shall not bar the subsequent resubmission of the land and Building involved to the provisions of Iowa Code Chapter 499B.

ARTICLE EIGHTEEN: COVENANTS RUNNING WITH THE LAND

All provisions of the Condominium Documents shall be construed to be covenants running with the land and with every part of and interest in the same, including but not limited to every Unit and the appurtenances to the Unit; and every Unit Owner and claimant of the Property or any part of or interest in the same, and his, her or its heirs, executors, administrators, successors, and assigns shall be bound by all of the provisions of the Condominium Documents.

ARTICLE NINETEEN: LIENS

A. Protection of Property: Except as permitted below, all liens against a Unit other than for permitted mortgages, taxes, or special assessments will be satisfied or otherwise removed within ten (10) days from the date the lien attaches. All taxes and special assessments upon a Unit shall be paid before becoming delinquent.

B. Notice of Lien: A Unit Owner shall give notice to the Association of every lien upon his, her or its Unit other than for permitted mortgages, taxes, and special assessments within ten (10) days after the attaching of the lien.

C. Notice of Suit: Unit Owners shall give notice to the Association of every suit or other proceeding which will or may affect the title of his, her or its Unit or any other part of the Property, such notice to be given within 5 days after the Unit Owner receives notice of the suit or proceeding. Unit Owners have the right to contest in good faith and timely contest any liens.

D. Failure to Comply: Failure to comply with this Article concerning liens will not affect the validity of any judicial sale.

E. Register of Permitted Mortgages: Unit Owners have the right to place a first mortgage on their Units. The Association shall maintain a register of all permitted mortgages. Each Unit Owner shall provide the Association with the appropriate information regarding any mortgages held on their Unit.

F. Mechanic's Liens: Neither the Unit Owner nor anyone claiming by, through, or under the Unit Owner shall have the right to file or place any mechanic's liens or other lien of any kind or character whatsoever, upon the premises or upon any building or improvement, or upon the ownership interest of the Unit Owner, and notice is hereby given that no contractor, sub-contractor, or anyone else who may furnish any material, service or labor for any building, improvements, alterations, repairs or any part thereof, shall at any time be or become entitled to any lien on the premises, and for the further security of the Association, the Unit Owner covenants and agrees to give actual notice thereof in advance, to any and all contractors and sub-contractors who may furnish or agree to furnish any such material, service or labor. C.W. Suter & Sons Inc. currently has a lien on the property that will be released as to each Unit as sold. This is a permitted lien.

ARTICLE TWENTY: JUDICIAL SALES AND OTHER TRANSFERS OF TITLE

A. Public Sale: No judicial sale of a Unit nor any interest in a Unit shall be valid unless the sale is a result of a public sale with open bidding or unless the sale is to a purchaser approved by the Board of Directors of the Association, which approval shall be in recordable form and shall be delivered to the purchaser and recorded in the Woodbury County, Iowa Auditor and Recorder's Office.

B. Unauthorized Transactions: Any sale, mortgage, or lease which is not authorized pursuant to the terms of this Declaration or for which authorization has not been obtained pursuant to the terms of this Declaration, shall be void unless subsequently approved by the Board of Directors of the Association.

C. Mortgage Foreclosure: If proceedings are instituted to foreclose any mortgage on any Unit, the Association, on behalf of one or more Unit Owners, shall have the right to redeem from the mortgagee for the amount due or to purchase such Unit at the foreclosure sale for the amount set forth to be due by the mortgagee in the foreclosure proceedings and should the mortgagor fail to redeem from such mortgage, and in case of such redemption by the Association, the Association thus redeeming shall take and have absolute fee simple title to the Property redeemed, free from any claim or right of any grantee, his or her heirs or assigns, or such mortgagor, and every person claiming by, through, or under such mortgagor. Nothing contained in this Declaration shall preclude a mortgage institution, bank, savings and loan association, insurance company or any other recognized lending institution from owning a mortgage on any Unit, and such lending institution shall have an unrestricted, absolute right to accept title to the Unit in settlement and satisfaction of the mortgage or to foreclose the mortgage in accordance with the terms of the mortgage and the laws of the State of Iowa and to bid upon the Unit at the foreclosure sale, provided the lending institution owning the mortgage shall give to the Association, its successors or assigns, written notice by certified mail of the default mailed at least thirty (30) days prior to the date of the foreclosure sale during which thirty (30) days the Association shall have the right to cure such default by payment to such mortgagee of all sums due upon such default and following such payment, such mortgagee shall be required to waive such default, and if such default is not cured, and should the Association or any member of the Association individually or collectively fail to purchase such mortgage, together with any incidental costs, from such mortgagee, or fail to redeem such mortgage, then in that event the mortgagee taking title on such foreclosure sale or taking title in lieu of foreclosure sale, may acquire such Unit and let, relet, sell, and resell the same without complying with the restriction limiting the occupation of the Property to persons approved by the Association. If the Association or any members redeems such mortgage or cures such default, it shall have a lien against the Unit for all sums expended in connection with the same, and shall have the same rights to collect such sums as in the case of a past due Assessment.

ARTICLE TWENTY ONE: SEVERABILITY OF CONDOMINIUM DOCUMENT  
PROVISIONS

If any term, covenant, provision, phrase, or other element of the Condominium Documents is held to be invalid or unenforceable for any reason whatsoever, such holding shall not be deemed to affect, alter, modify, or impair in any manner whatsoever any other term, covenant, provision, phrase or element of the Condominium Documents.

ARTICLE TWENTY TWO: UNIT DEEDS

Any transfer of a Unit shall include all appurtenances to it whether or not specifically described, including the interest of the Unit Owner in the Association.

ARTICLE TWENTY THREE: CAPTIONS
