Grantor hereby covenants, represents, and warrants to Cox that Grantor, at the time of execution of this Easement, has the right and title to the Property and all requisite authority to grant this Easement. This Easement shall run with the title to the Property, and be binding on Grantor, all subsequent owners of the Property, and others who may claim an interest in the Property.

This Easement is for the purposes of: (a) constructing, installing, operating, maintaining, repairing, replacing, and removing telecommunications and other facilities consisting of, without limitation, conduits, strands, wires, coaxial cables, hardware, wireless access points, backhaul modems, antennas, pedestals, junction boxes, and other equipment (collectively, the "Facilities") as Cox may from time-to-time require, and (b) offering, providing, and marketing (on an exclusive or non-exclusive basis) video, entertainment, high-speed data, voice and other services (collectively, the "Services") to the Property and other properties and persons that can be served by the Facilities. Cox owns and/or Grantor has granted to Cox the exclusive right to use all or a portion of the Facilities. Any Facilities owned by Cox shall not be deemed a fixture of the Property.

Grantor may grant other easements or rights of access to the Property and use the Property for any purpose that does not restrict or interfere with this Easement or Cox's use of the Facilities, does not damage the Facilities, and is consistent with Cox's rights under either this Easement or the Agreement (as such term is defined below).
