This charge is in lieu of an assessment which would have been made if said main had been installed under the statutory procedure for main extensions. The connection charge may be paid in full, or in installments, as provided by the Rules and Regulations of Metropolitan Utilities District.

When the connection charge has been paid in full by the owner of a lot, a receipt will be issued and may be recorded by him. Inquiry may be made of the New Services Section of Metropolitan Utilities District as to whether a connection to said main has been made as to any one of the lots or parcels of land hereinabove described, and the amount of the connection charge remaining unpaid, if any.
