RECITALS

1. Hospital Authority No. 1 of Lancaster County, Nebraska (the “**Authority**”) has issued \$4,500,000 principal amount of its Healthcare Revenue Bonds (Tabitha, Inc. Project), Series 2009A (the “**Series 2009A Bonds**”), pursuant to a Trust Indenture of even date herewith (the “**Indenture**”), between the Authority and Wells Fargo Bank, National Association, a national banking association duly organized and existing under the laws of the United States of America and having a corporate trust office located in Lincoln, Nebraska, as trustee (the “**Trustee**”), to provide funds to enable the Authority to make a loan (the “**Loan**”) to the Trustor pursuant to a Loan Agreement of even date herewith (the “**Loan Agreement**”) between the Authority and the Trustor.

2. To evidence the Loan and to provide for the payment of the Series 2009A Bonds the Trustor has executed its Promissory Note of even date herewith in the principal amount of \$4,500,000 (the “**Note**”) (a true and correct copy of such Note being attached hereto as **Exhibit A**).

3. In order to secure the payment of the principal or redemption price of and interest on the Series 2009A Bonds, the Authority under the Indenture has assigned to the Trustee substantially all of the Authority’s right, title and interest in and to the Loan Agreement and the Note, and has endorsed and assigned the Note to the Trustee (without recourse).

4. The Trustor may hereafter execute further Additional Obligations under the Loan Agreement (the “**Additional Obligations**,” which together with the Note are collectively referred to herein as the “**Obligations**”) and execute additional loan agreements (together with the Loan Agreement, the “**Loan Agreements**”) in connection with the issuance of bonds or other indebtedness secured by and payable from the Obligations (collectively, the “**Bonds**”).

5. The Tabitha Foundation, a Nebraska nonprofit corporation (the “**Foundation**”) was created and exists to provide financial support to Tabitha and is the sole member of THC, an entity which owns real estate for the benefit of Tabitha; and it is necessary and desirable and in the best interest of Tabitha and THC that THC execute and deliver the Deed of Trust granting a lien on and security interest in certain of its real property in order to secure the payment and performance of the duties and obligations of Tabitha under the Note and the Loan Agreement executed in connection with issuance and sale of the Series 2009A Bonds.

6. The Trustor desires to make and enter into this Deed of Trust to secure the payments and performance of the obligations of the Trustor under the Obligations, the Loan Agreements and this Deed of Trust.

NOW, THEREFORE, THIS DEED OF TRUST, SECURITY AGREEMENT, AND FIXTURE FINANCING STATEMENT WITNESSETH:

The Trustee shall be fully protected and shall incur no liability for any consent given or action taken in reliance upon the notice given in clause (1) above or in the schedule filed in clause (3) above.

(c) ***Release of Inadequate, Obsolete, Etc. Items.*** Notwithstanding any other provision of this Section, in any instance where the Trustor in its sound discretion determines that any item of machinery or equipment has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Trustor may remove such item of equipment from the Encumbered Property and sell, trade in, exchange or otherwise dispose of the same (as a whole or in part) free of the lien and security interest created by this Deed of Trust without any responsibility or accountability to the Authority or the Trustee therefor, provided that the Trustor substitutes and installs anywhere in the Encumbered Property other items of machinery or equipment deemed necessary or useful and having equal or greater utility (but not necessarily having the same function) in the operation of the Encumbered Property and provided further such removal and substitution shall not impair operating utility.

(d) **Disposition of Substituted Property when Cash Delivered.** The Trustor agrees that any cash delivered to the appropriate Trustee in connection with the release of any of the Encumbered Property pursuant to this Section shall be deposited by such Trustee in the Debt Service Fund established under the appropriate bond trust indenture and shall be used to prepay the applicable Obligation in accordance with the Loan Agreement.

(e) **Circumstances When Release Not Required.** The provisions of this Section shall not be construed to (1) restrict the Trustor's rights under the Loan Agreement to make replacements, additions, alterations, changes, modifications and improvements to the Encumbered Property, to install and remove equipment free and clear of the lien and security interest created herein, to sell, lease or otherwise dispose of Property comprising the Encumbered Property free and clear of the lien and security interest created herein, or to merge, consolidate or sell or convey substantially all of the Encumbered Property free and clear of the lien and security interest created herein or to exercise any other of its rights with respect to the Encumbered Property pursuant to and in accordance with the provisions of the Loan Agreement, or (2) require, as a condition to the exercise of any such rights under the Loan Agreement, compliance with the provisions of this Section for release of any such Encumbered Property from this Deed of Trust pursuant to this Section.

Section 5. Additional Obligations; Future Advances. The Trustor may issue or incur one or more Additional Obligations secured by this Deed of Trust in addition to the Note, as provided by and subject to the limitations of the Loan Agreements. Such Additional Obligations shall, together with the Note and any other Additional Obligations then Outstanding, be equally and ratably secured by the lien and security interest of this Deed of Trust on the Encumbered Property. It is the intent hereof that the rights and remedies of the holders of the Obligations be equal and pari passu and nothing contained herein shall be deemed to give to the holders of any Obligations any rights or remedies superior or inferior to the rights or remedies of the holder or holders of any other Obligations. The Trustee, as assignee of the Authority, shall have the right to take such action as is required to assure that the Encumbered Property will secure any such Additional Obligations on a parity basis with the Note and any Additional Obligations equally and ratably secured by this Deed of Trust.

THIS INSTRUMENT SECURES FUTURE ADVANCES MADE UNDER THE LOAN AGREEMENTS AND OBLIGATIONS HEREIN DEFINED. THE TRUSTOR HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO TERMINATE THIS INSTRUMENT AS SECURITY FOR FUTURE ADVANCES AT ANY TIME PRIOR TO THE TERMINATION OF SAID LOAN AGREEMENTS AND OBLIGATIONS.

Section 6. Default and Remedies. If an event of default under any Loan Agreement or hereunder occurs and shall be continuing as provided therein or herein, the Trustee may, with the written consent of the Owners of more than 50% of the principal amount of the Obligations then outstanding, declare the Note and any other Additional Obligations forthwith due and payable as if all of the sums of money payable thereunder were originally stipulated to be paid on such accelerated payment date; and thereupon the Trustee without notice or demand, to the extent permitted by the laws of the State of Nebraska, may prosecute a suit at law and/or in equity as if all moneys secured hereby had matured prior to institution of such suit, or commence foreclosure proceedings under the power of sale provided for by **Section 8** hereof. The Trustee shall have the right from time to time to take action to recover any sums, whether interest, principal or any installment of either, or any other sums required to be paid under the terms of this Deed of Trust as the same become due, without regard to whether or not the principal sum secured, or any other sums secured, by this Deed of Trust shall be due, and without prejudice to the right of the Trustee thereafter to bring an action of foreclosure, or any other action, or commence foreclosure

proceedings under the power of sale, for a default or defaults by the Trustor existing at the time such earlier action was commenced.

Any failure by the Trustee to insist upon the strict performance by the Trustor of any of the terms and provisions hereof shall not be deemed to be a waiver of any of the terms and provisions hereof, and the Authority, notwithstanding any such failure, shall have the right thereafter to insist upon the strict performance by the Trustor of any and all of the terms and provisions of this Deed of Trust to be performed by the Trustor; and the Trustee may resort for the payment of the indebtedness secured by this Deed of Trust to any security therefor held by the Trustee in such order and manner as the Authority may elect.

All rights, remedies and powers provided by this Deed of Trust may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Deed of Trust are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Deed of Trust invalid or unenforceable under the provisions of any applicable law.

Section 7. Special Remedies (Trustee May Occupy and Take Possession). During the continuance of any default hereunder or under any Obligation, any Loan Agreement or any other instrument or document evidencing, securing or otherwise relating to the debt hereby secured, the Trustee personally or by its agents or attorneys may enter into and upon all or any part of the Real Property or take possession of the Personal Property, and each and every part thereof, and may exclude the Trustor, its agents and servants wholly therefrom, and having and holding the same, may use, occupy and control the Encumbered Property, either personally or by its superintendents, managers, agents, servants, attorneys or receivers. Upon every such entry, the Trustee at the expense of the Encumbered Property or the Trustor, from time to time, either by purchase, repairs or construction, may maintain and restore the Encumbered Property, whereof it shall become possessed as provided, may complete the construction or development of the improvements and in the course of such completion may make such changes in the contemplated improvements as it may deem desirable and may insure the same. Likewise, from time to time, at the expense of the Encumbered Property or the Trustor, the Trustee may make all necessary or proper repairs, renewals and replacements and such alterations, additions, betterments and improvements thereto and thereon as to it may seem advisable; and in every such case the Trustee shall have the right to manage and operate the Encumbered Property and exercise all rights and powers of the Trustor with respect thereto either in the name of the Trustor or otherwise as it shall deem best; and the Trustee shall be entitled to collect and receive all earnings, revenues, rents, issues, profits and income of the Encumbered Property and every part thereof. After deducting the expenses of conducting the business thereof and of all maintenance, repairs, renewals, replacements, alterations, betterments and improvements and amounts necessary to pay for taxes, assessments, insurance and prior or other proper charges upon the Encumbered Property, or any part thereof, as well as just and reasonable compensation for the services of the Trustee and for all attorneys, counsel, agents, clerks, servants and other employees by it properly engaged and employed, the Trustee shall apply the moneys arising as specified as provided in **Section 10** hereof.

Section 8. Power of Sale; Purchase by Trustee. If default be made in the payment of the Note or any Additional Obligation, any part thereof or any of the interest or premium thereon when due, or in the faithful performance of any of the agreements, conditions and/or covenants contained and set forth herein, in the Note or any Additional Obligation, or in any other document or instrument evidencing, securing or otherwise relating to the debt evidenced by the Note or Additional Obligation, then the whole of the Note and each Additional Obligation shall become due at the option of the Trustee,

as assignee of the Authority, as herein provided, and this Deed of Trust shall remain in force, and the Deed Trustee, or a successor trustee as hereinafter described, may proceed to sell the Encumbered Property and any and every part thereof, at public venue, to the highest bidder, at the Lancaster County, Nebraska Courthouse, or the then customary place in Lancaster County, Nebraska, for cash, first giving the public notice required by law of the time, terms and place of sale, and of the property to be sold, by advertisement in a newspaper printed and published in Lancaster County, Nebraska, and upon such sale shall execute and deliver a deed of conveyance and bill of sale of the property sold to the purchaser or purchasers thereof, and any statement or recital of fact in such deed in relation to the non-payment of money hereby secured to be paid, existence of the indebtedness so secured, notice of advertisement, sale, receipt of money, and the happening of any of the specified events whereby the successor trustee became successor as herein provided, shall be prima facie evidence of the truth of such statement or recital. The proceeds of such sale shall be applied as provided for in **Section 10** hereof. Trustor hereby requests that a copy of any notice of default and any notice of sale hereunder be mailed to Trustor at Trustor's address set forth in **Section 9** hereof.

Upon any sale pursuant to this Section, the Authority or the Trustee may bid for and purchase the property being sold, and upon compliance with the terms of sale, subject to applicable rights of redemption, the Authority or the Trustee may hold, retain, possess and dispose of such property in its own absolute right without further accountability; the Trustee, as assignee of the Authority, at any such sale may, in paying the purchase price, turn in the Note or any Additional Obligation for value in lieu of cash equal to the amount of such purchase price. In case the amount of such purchase price shall be less than the amount due on the Note or any Additional Obligation, the Note or Additional Obligation shall be returned to the Trustee after a notation of such partial payment shall have been made thereon.

Section 9. Security Agreement, Rights of a Secured Creditor Under Uniform Commercial Code. To the extent any of the property covered by this Deed of Trust consists of property, rights or interests covered by the Nebraska Uniform Commercial Code, this Deed of Trust shall constitute a security agreement and a present unconditional assignment of, and is intended to create a security interest in, such property in favor of the Authority and the Trustee. During the continuance of any default hereunder or under the Loan Agreement or any other document or instrument evidencing, securing or otherwise relating to the debt hereby secured, the Trustee, as assignee of the Authority, shall have all the rights of and remedies with regard to such property available to a secured creditor under the Nebraska Uniform Commercial Code. This Deed of Trust shall be self-operative with respect to such property, but the Trustor agrees to execute and deliver on demand such security agreements, financing statements, continuation statements and other documents necessary to perfect a security interest in such property as the Trustee may request in order to impose or continue the lien and security interest hereof more specifically in any such property. In the event that the Trustor fails to execute any of such instruments within **10** days after demand to do so, the Trustor does hereby make, constitute and irrevocably appoint the Trustee as its attorney-in-fact and in its name, place and stead so to do.

Section 17. Obligations Effective upon Issuance, Sale and Delivery of Series 2009A Bonds.
