property so removed pursuant to clause (2), the aggregate original cost thereof, provided that no such report shall be required if the only portion of the Encumbered Property released is property described in the foregoing items (3) and (4). The Deed Trustee and the Bond Trustee shall be fully protected and shall incur no liability for any consent given or action taken in reliance upon the notice given in clause (1) above or in the schedule filed in clause (3) above.

(c) **Release of Inadequate, Obsolete, Etc. (d) **Disposition of Substituted Property when Cash Delivered.** The Trustor agrees that any cash delivered to the appropriate Bond Trustee in connection with the release of any of the Encumbered Property pursuant to this Section shall be deposited by such Bond Trustee in the Debt Service Fund established under the applicable Indenture and shall be used to prepay the applicable Obligation in accordance with the applicable Loan Agreement.

(e) **Circumstances When Release Not Required.** The provisions of this Section shall not be construed to (1) restrict the Trustor's rights under any Loan Agreement to make replacements, additions, alterations, changes, modifications and improvements to the Encumbered Property, to install and remove equipment free and clear of the lien and security interest created herein, to sell, lease or otherwise dispose of Property comprising the Encumbered Property free and clear of the lien and security interest created herein, or to merge, consolidate or sell or convey substantially all of the Encumbered Property free and clear of the lien and security interest created herein or to exercise any other of its rights with respect to the Encumbered Property pursuant to and in accordance with the provisions of such Loan Agreement, or (2) require, as a condition to the exercise of any such rights under any Loan Agreement, compliance with the provisions of this Section for release of any such Encumbered Property from this Deed of Trust pursuant to this Section.

Section 5. Additional Obligations; Future Advances. The Trustor may issue or incur one or more Additional Obligations secured by this Deed of Trust in addition to the Notes presently secured hereunder (collectively, the "Notes"), as provided by and subject to the limitations of the Loan Agreements. Such Additional Obligations shall, together with the Notes and any other Additional Obligations then Outstanding, be equally and ratably secured by the lien and security interest of this Deed of Trust on the Encumbered Property. It is the intent hereof that the rights and remedies of the holders of the Obligations be equal and pari passu and nothing contained herein shall be deemed to give to the holders of any Obligations any rights or remedies superior or inferior to the rights or remedies of the holder or holders of any other Obligations. The Bond Trustee, as assignee of each Authority, and the Deed Trustee shall have the right to take such action as is required to assure that the Encumbered Property will secure any such Additional Obligations on a parity basis with the Notes and any Additional Obligations equally and ratably secured by this Deed of Trust.

THIS INSTRUMENT SECURES FUTURE ADVANCES MADE UNDER THE LOAN AGREEMENTS AND OBLIGATIONS HEREIN DEFINED. THE TRUSTOR HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO TERMINATE THIS INSTRUMENT AS SECURITY FOR FUTURE ADVANCES AT ANY TIME PRIOR TO THE TERMINATION OF SAID LOAN AGREEMENTS AND OBLIGATIONS.

Section 6. Default and Remedies. If an event of default under any Loan Agreement or hereunder occurs and shall be continuing as provided therein or herein, the Deed Trustee may, with the written consent of the Owners of more than 50% of the principal amount of the Obligations then outstanding, declare the Notes and any other Additional Obligations forthwith due and payable as if all of the sums of money payable thereunder were originally stipulated to be paid on such accelerated payment date; and thereupon the Deed Trustee without notice or demand, to the extent permitted by the laws of the State of Nebraska, may prosecute a suit at law and/or in equity as if all moneys secured hereby had matured prior to institution of such suit, or commence foreclosure proceedings under the power of sale provided for by **Section 8** hereof. The Bond Trustee shall have the right from time to time to take action to recover any sums, whether interest, principal or any installment of either, or any other sums required to be paid under the terms of this Deed of Trust as the same become due, without regard to whether or not the principal sum secured, or any other sums secured, by this Deed of Trust shall be due, and without prejudice to the right of the Bond Trustee thereafter to bring an action of foreclosure, or any other action, or commence foreclosure proceedings under the power of sale, for a default or defaults by the Trustor existing at the time such earlier action was commenced.

Any failure by the Bond Trustee or the Deed Trustee to insist upon the strict performance by the Trustor of any of the terms and provisions hereof shall not be deemed to be a waiver of any of the terms and provisions hereof, and the Bond Trustee and the Deed Trustee, notwithstanding any such failure, shall have the right thereafter to insist upon the strict performance by the Trustor of any and all of the terms and provisions of this Deed of Trust to be performed by the Trustor; and the Bond Trustee may resort for the payment of the indebtedness secured by this Deed of Trust to any security therefor held by the Bond Trustee in such order and manner as the Bond Trustee may elect.

All rights, remedies and powers provided by this Deed of Trust may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Deed of Trust are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Deed of Trust invalid or unenforceable under the provisions of any applicable law.

Section 7. Special Remedies (Bond Trustee May Occupy and Take Possession). During the continuance of any default hereunder or under any Obligation, any Loan Agreement or any other instrument or document evidencing, securing or otherwise relating to the debt hereby secured, the Bond Trustee personally or by its agents or attorneys may enter into and upon all or any part of the Real Property or take possession of the Personal Property, and each and every part thereof, and may exclude the Trustor, its agents and servants wholly therefrom, and having and holding the same, may use, occupy and control the Encumbered Property, either personally or by its superintendents, managers, agents, servants, attorneys or receivers. Upon every such entry, the Bond Trustee at the expense of the Encumbered Property or the Trustor, from time to time, either by purchase, repairs or construction, may maintain and restore the Encumbered Property, whereof it shall become possessed as provided, may complete the construction or development of the improvements and in the course of such completion may make such changes in the contemplated improvements as it may deem desirable and may insure the same. Likewise, from time to time, at the expense of the Encumbered Property or the Trustor, the Bond Trustee

may make all necessary or proper repairs, renewals and replacements and such alterations, additions, betterments and improvements thereto and thereon as to it may seem advisable; and in every such case the Bond Trustee shall have the right to manage and operate the Encumbered Property and exercise all rights and powers of the Trustor with respect thereto either in the name of the Trustor or otherwise as it shall deem best; and the Bond Trustee shall be entitled to collect and receive all earnings, revenues, rents, issues, profits and income of the Encumbered Property and every part thereof. After deducting the expenses of conducting the business thereof and of all maintenance, repairs, renewals, replacements, alterations, betterments and improvements and amounts necessary to pay for taxes, assessments, insurance and prior or other proper charges upon the Encumbered Property, or any part thereof, as well as just and reasonable compensation for the services of the Bond Trustee and for all attorneys, counsel, agents, clerks, servants and other employees by it properly engaged and employed, the Deed Trustee shall apply the moneys arising as specified as provided in **Section 10** hereof.

Section 8. Power of Sale; Purchase by Bond Trustee. If default be made in the payment of any Note, any Additional Obligation, any part thereof or any of the interest or premium thereon when due, or in the faithful performance of any of the agreements, conditions and/or covenants contained and set forth herein, in the Notes or any Additional Obligation, or in any other document or instrument evidencing, securing or otherwise relating to the debt evidenced by the Notes or Additional Obligation, then the whole of each Note and each Additional Obligation shall become due at the option of the Bond Trustee as herein provided, and this Deed of Trust shall remain in force, and the Deed Trustee, or a successor trustee as hereinafter described, may proceed to sell the Encumbered Property and any and every part thereof, at public venue, to the highest bidder, at the location(s) provided for by law, or the then customary place, for cash, first giving the public notice required by law of the time, terms and place of sale, and of the property to be sold, by advertisement in one or more newspapers printed and published in the places as provided by law, and upon such sale shall execute and deliver a deed of conveyance and bill of sale of the property sold to the purchaser or purchasers thereof, and any statement or recital of fact in such deed in relation to the non-payment of money hereby secured to be paid, existence of the indebtedness so secured, notice of advertisement, sale, receipt of money, and the happening of any of the specified events whereby the successor trustee became successor as herein provided, shall be prima facie evidence of the truth of such statement or recital. The proceeds of such sale shall be applied as provided for in **Section 10** hereof. The Trustor hereby requests that a copy of any notice of default and any notice of sale hereunder be mailed to the Trustor at the Trustor's address set forth in **Section 9** hereof.

Upon any sale pursuant to this Section, the Bond Trustee may bid for and purchase the property being sold, and upon compliance with the terms of sale, subject to applicable rights of redemption, the Bond Trustee may hold, retain, possess and dispose of such property in its own absolute right without further accountability; the Bond Trustee at any such sale may, in paying the purchase price, turn in any Note or any Additional Obligation for value in lieu of cash equal to the amount of such purchase price. In case the amount of such purchase price shall be less than the amount due on any Note or Additional Obligation, such Note or Additional Obligation shall be returned to the Bond Trustee after a notation of such partial payment shall have been made thereon.

Section 9. Security Agreement, Rights of a Secured Creditor Under Uniform Commercial Code. To the extent any of the property covered by this Deed of Trust consists of property, rights or interests covered by the Nebraska Uniform Commercial Code, this Deed of Trust shall constitute a security agreement and a present unconditional assignment of, and is intended to create a security interest in, such property in favor of the Deed Trustee. During the continuance of any default hereunder or under any Loan Agreement or any other document or instrument evidencing, securing or otherwise relating to the debt hereby secured, the Bond Trustee shall have all the rights of and remedies with regard

to such property available to a secured creditor under the Nebraska Uniform Commercial Code. This Deed of Trust shall be self-operative with respect to such property, but the Trustor agrees to execute and deliver on demand such security agreements, financing statements, continuation statements and other documents necessary to perfect a security interest in such property as the Bond Trustee or the Deed Trustee may request in order to impose or continue the lien and security interest hereof more specifically in any such property. In the event that the Trustor fails to execute any of such instruments within 10 days after demand to do so, the Trustor does hereby make, constitute and irrevocably appoint the Bond Trustee as its attorney-in-fact and in its name, place and stead so to do.

From the date of its recording, this Deed of Trust shall be effective as a financing statement filed as a fixture filing with respect to all goods constituting a part of the Personal Property which are or are to become fixtures related to the Real Property. Section 10. Applications of Proceeds of Sale. Moneys collected by the Deed Trustee or the Bond Trustee pursuant to sale or other disposition of the Encumbered Property shall, subject to the requirements of Section 76-1011 of the Nebraska Trust Deeds Act (codified at Neb. Rev. Stat. §§76-1001 *et seq.*) be paid over to the Bond Trustee and shall be applied as provided in the applicable Indenture.

Section 11. No Remedy Exclusive. No remedy conferred upon or reserved to the Deed Trustee or the Bond Trustee in any Indenture, any Loan Agreement, the Obligations, this Deed of Trust or any other document or instrument evidencing, securing or otherwise relating to the debt hereby secured is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every remedy given to the Deed Trustee or the Bond Trustee or now or hereafter existing at law or in equity or by statute. No delay or omission of the Deed Trustee or the Bond Trustee to exercise any right or power accruing upon any default in any Loan Agreement, the Obligations, this Deed of Trust or any other document or instrument evidencing, securing or otherwise

relating to the debt hereby secured shall impair any such right or power, or shall be construed to be a waiver of any such default or any acquiescence therein; and every power and remedy given by any Indenture, any Loan Agreement, the Obligations, this Deed of Trust or any other document or instrument evidencing, securing or otherwise relating to the debt hereby secured to the Bond Trustee may be exercised from time to time as often as may be deemed expedient by the Bond Trustee. Nothing in any Indenture, any Loan Agreement, the Obligations, this Deed of Trust or any other document or instrument evidencing, securing or otherwise relating to the debt hereby secured shall affect the obligation of the Trustor to pay the principal of and interest on the Obligations in the manner and at the time and place therein respectively expressed.

Section 12. Covenants Run with the Land. All of the grants, covenants, terms, provisions and conditions herein shall run with the land and shall apply to, bind and inure to the benefit of the successors and assigns of the Trustor and each Authority and the heirs, successors and assigns of the Deed Trustee.

Section 13. Covenants of the Deed Trustee; Substitutions. The Deed Trustee covenants faithfully to perform the trust herein created. The Bond Trustee may, from time to time, substitute another trustee in place of the then current Deed Trustee. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all the title, estate, rights, powers and trusts conferred upon the Deed Trustee. Such appointment shall be made by written instrument executed by the Bond Trustee which shall be recorded in such public records as is appropriate, and shall be conclusive proof of the proper appointment of the successor Deed Trustee.

Section 14. Warranty of Title. The Trustor warrants that it has good and marketable title to the Real Property in fee simple absolute subject only to Permitted Encumbrances; that it owns the Encumbered Property free and clear of all liens and claims except the Permitted Encumbrances; and that this Deed of Trust constitutes a direct and valid lien upon the Real Property subject only to Permitted Encumbrances and a security interest in the Personal Property subject only to Permitted Encumbrances, which security interest is perfected to the extent the same may be perfected by filing under the Nebraska Uniform Commercial Code. The Trustor shall preserve such title and shall forever warrant and defend the same against all claims other than those constituting Permitted Encumbrances.

Section 15. Right to Enforce. The Bond Trustee is hereby given the right to enforce, either jointly with the issuer of any Bonds or separately, the performance of the obligations of the Trustor under any Obligation and any Loan Agreement, and the Trustor hereby consents to the same and agrees that the Bond Trustee may enforce such rights as provided in the document authorizing the issuance of any Bonds and the Trustor will make payments required by the applicable Loan Agreement and by the applicable Obligation directly to the Bond Trustee.

Section 16. Waiver of Stay, Execution or Redemption Laws. The Trustor agrees, to the full extent that it may lawfully so agree, that upon and after any event of default, neither the Trustor nor anyone claiming through or under it shall or will set up, claim or seek to take advantage of any stay, extension or redemption laws or redemption periods or grace periods or any statutory right to redeem all or any part of the Encumbered property or any right to have the Encumbered Property marshaled upon foreclosure or sale thereof now or hereafter in force and affecting the Encumbered Property in order to prevent or hinder enforcement, foreclosure, sale, confirmation of sale, or conveyance of said property upon foreclosure or the final and absolute putting in possession thereof immediately after any such sale of the purchaser or purchasers thereat, and the Trustor, to the full extent that it may lawfully do so for itself, and all who may claim through or under it, hereby waives the benefit of all such laws.

Section 17. Multiple Foreclosures. The Bond Trustee shall have the option to proceed with foreclosure in satisfaction of any part of the Obligations without declaring the whole of the Obligations as immediately matured, and such foreclosure may be made subject to the unmatured part of the Obligations, and it is agreed that such foreclosure, if so made, shall not in any manner affect the unmatured part of the Obligations, but as to such unmatured part this Deed of Trust, as well as the other Loan Agreements, shall remain in full force and effect just as though no foreclosure had been made. Several foreclosures may be made without exhausting the right of foreclosure for any unmatured part of the Obligations, it being the intention of the parties to provide for a foreclosure and sale of the security for any matured portion of the Obligations without exhausting the power of foreclosure and power to sell the Encumbered Property for any other part of the Obligations. If more than one property, lot, or parcel is encumbered by this Deed of Trust, and if this Deed of Trust is foreclosed upon, or judgment is entered upon any obligation secured hereby, or if the Bond Trustee exercises its power of sale, execution may be made upon or the Bond Trustee may exercise its power of sale against any one or more of the properties, lots, or parcels and not upon the others, or upon all of such properties or parcels, either together or separately, and at different times or at the same time, and execution sales or sales by advertisement likewise may be conducted separately or concurrently, in each case at the Bond Trustee's election.

Section 18. Notices. It shall be sufficient service of any notice, request, complaint, demand or other paper required by this Deed of Trust to be given to or filed with the appropriate Authority, the Bond Trustee, the Trustor or the Deed Trustee if the same is given or filed in the manner and at the addresses specified in **Section 1101** of the applicable Indenture.

Section 19. Reconveyance. Upon payment of all sums secured by this Deed of Trust, the Bond Trustee shall request the Deed Trustee to reconvey the Property and shall surrender this Deed of Trust and all documents evidencing the debt secured by this Deed of Trust to the Deed Trustee. The Deed Trustee shall reconvey the Property without warranty and without charge to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs. The Trustor, in such reconveyance, may be described as "the person or persons legally entitled hereto." The Deed Trustee shall also make appropriate filings to terminate any Uniform Commercial Code financing statements filed with respect to the Property.

Section 20. Amendments, Changes and Modifications. This Deed of Trust may not be effectively amended, changed, modified, altered or terminated, except as provided herein.

(a) *Amendments without Consent of Owners of Obligations.* Without the consent of the owners of any Obligations, the Bond Trustee, the Deed Trustee and the Trustor may from time to time enter into one or more amendments to this Deed of Trust, for any of the following purposes:

- (1) to correct or amplify the description of any property of the Trustor at any time to the Deed of Trust, or to subject to the Deed of Trust additional property or to substitute property as provided in this Deed of Trust, or add additional property thereto;
- (2) to add to the conditions, limitations and restrictions on the terms or purposes of this Deed of Trust, as herein set forth, additional conditions, limitations and restrictions thereafter to be observed;

(3) to evidence the succession of another corporation to the Trustor as permitted in the Loan Agreements and the assumption by any such successor of the covenants of the Trustor herein contained;

(4) to add to the covenants of the Trustor or to the rights, powers and remedies of the Bond Trustee for the benefit of the owners of all or any series of Bonds or to surrender any right or power herein conferred upon the Trustor; or

(5) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein or to make any other provisions, with respect to matters or questions arising under this Deed of Trust, which shall not be inconsistent with the provisions of this Deed of Trust, provided such action shall not adversely affect the security of the owners of the Obligations.

(b) *Amendments with Consent of Owners of Obligations.* With the consent of the owners of not less than a majority in principal amount of the Obligations then Outstanding affected by such amendments to this Deed of Trust, the appropriate Authority, the Trustor, the Bond Trustee and the Deed Trustee may enter into amendments to this Deed of Trust, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Deed of Trust or of modifying in any manner the rights of the Deed Trustee, the Bond Trustee and the owners of the Obligations under this Deed of Trust.

It shall not be necessary for the required percentage of owners of Obligations under this Section to approve the particular form of any proposed amendment to this Deed of Trust, but it shall be sufficient if such act shall approve the substance thereof.

Section 21. Amended and Restated Deed of Trust and Second Amended and Restated Deed of Trust Affirmed. Except as otherwise provided in this Deed of Trust the provisions of the Amended and Restated Deed of Trust and the Second Amended and Restated Deed of Trust are hereby ratified, approved and confirmed and incorporated herein.

Section 22. Severability. The invalidity or unenforceability of any one or more phrases, sentences, clauses or sections in this Deed of Trust shall not affect the validity or enforceability of the remaining portions of this Deed of Trust or any part thereof.

Section 23. Governing Law. This Deed of Trust shall be governed by and construed and interpreted in accordance with the laws of the State of Nebraska.

IN WITNESS WHEREOF, the Trustor has caused this Third Amended and Restated Deed of Trust to be executed by its duly authorized officers.
