WHEREAS, Declarants are desirous of providing easements, restrictions, covenants and conditions for the use of said premises for the purpose of protecting the value and desirability of said property.

NOW, THEREFORE, Declarants hereby declare that all of the Properties shall be held, sold and conveyed subject to the following easements, restrictions, covenants and conditions which are for the purpose of protecting the value and desirability of, and which shall run with the real property above described and shall be binding on all parties having any right, title or interest in the Properties or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner thereof for a period of twenty-five (25) years, with the exception of those covenants dealing with subdividing, from the date of filing this Declaration, at which time this Declaration shall be automatically extended for successive periods of ten (10) years unless by written agreement of seventy-five percent (75%) of the then owners of the Lots it is agreed to change said covenants in whole or in part, said agreement to be executed and recorded in the manner provided by law for conveyance of real estate in the State of Nebraska. This Declaration may be amended by Robert C. Holcombe and Eleanor P. Holcombe or any person, firm, corporation, partnership or entity designated in writing by Robert C. Holcombe and Eleanor P. Holcombe, in any manner they

shall determine in their full and absolute discretion for a period of seven (7) years from the date hereof.

ARTICLE I

GENERAL RESTRICTIONS

Section 1. The property shall be used only for single family residential purposes.

Section 2. All buildings to be placed on this property must be completed within one (1) year of the excavation for footings or three years from the date of purchase of the property, whichever occurs first.

Section 3. No buildings constructed at another location shall be moved onto the property.

Section 4. No trailer, basement, tent, shack, garage, barn or other out buildings shall at any time be used for human habitation, temporarily or permanently, nor shall any structure of a temporary character be used for human habitation. No home under construction shall be used temporarily as a residence, and the exterior of the residence must be fully completed and the entire building substantially completed before occupancy.

Section 5. Out buildings. All accessory buildings shall be constructed of wood, metal, brick or decorative masonry. There shall be no quonset huts. All out buildings shall have no exposed concrete block; shall conform to the general architectural design of the area, and shall be harmonious and compatible with neighboring properties. All detached garages shall be of the same architectural design as the residence and shall be located behind the front building line of the residence. All out building designs must be approved by the Declarants.

Section 6. No fire arms or guns of any type or nature whatsoever shall be fired or discharged upon, over or across any lands in Long Meadow. All lands are to be posted NO HUNTING.

Section 7. No motor vehicle may be parked or stored on any parcel except vehicles driven on a regular basis by occupants or guests of the residents located on that parcel. No grading or excavating equipment, tractors or semi-tractors/trailers shall be stored, parked, kept or maintained in any yards, driveways or streets except for vehicles that are necessary for the construction of buildings on the premises during the period of construction, or equipment used in maintenance of the property such as snow plowing or mowing. No boat, camper, trailer, auto-drawn, or mounted trailer of any kind, mobile home, air craft, camper truck or similar vehicles shall be maintained or stored on

any part of a parcel other than in an enclosed structure for more than twenty-one (21) days within a calendar year.

Section 8. No outside repair taking more than two days of any boats, automobiles, motorcycle, trucks, campers or similar vehicles shall be permitted on any parcel at any time, nor may any vehicles be stored, parked or abandoned on any parcel except as allowed by these declarations.

Section 9. No unused building material, junk or rubbish shall be left exposed on any parcel except during the actual building or construction of any buildings on the parcel, and during such time said building materials, junk or rubbish shall be kept in as neat and inconspicuous manner as possible, and shall be promptly removed upon the completion of said construction.

Section 10. No noxious or offensive activity shall occur on the property, nor shall any trash, ashes or other refuse be thrown, placed, dumped or allowed to flow upon any vacant lot or neighboring property.

Section 11. Any exterior lighting installed in any parcel shall either be indirect or of such control focused in intensity as not to disturb the residents of any adjacent property. The volume of any speakers outside of the residential building shall be such that the noise will not disturb the residents of any adjacent property.

ARTICLE II

BUILDING RESTRICTIONS

Section 1. Finished and closed living areas of residential structures, exclusive of porches, breeze ways, basements and garages, shall not be less than the following minimum sizes:

- A. Ranch style home: (one level) home-main level shall be no less than 2,000 square feet finished living area. Main level of ranch with finished walk-out basement will be the same square footage as ranch with regular basement.
- B. 1½ story home: ground floor (main level) no less than 1,600 square feet finished living area and total for first and second - 2,500 square feet finished living area.
- C. 2 story home: ground floor not less than 1,400 square feet - finished living area and total for

first and second - 2,600 square feet finished living area.

No split entry, split level or tri-level homes shall be allowed.

Maximum height is two stories and all homes must have not less than a three car garage.

Section 2. No building or residents shall be located nearer than 15 feet of any side property line; nearer than 75 feet of any front property line, and nearer than 75 feet of any back property line.

Section 3. Exterior:

- A. Roofs of residential dwellings and out buildings shall have shake or cedar shingles, asphalt slate shingles or fiberglass laminated shingles, premium grade, heavy weight, minimum 35 year warranty.
- B. All exposed portions of the foundations shall be faced with clay fired brick or stone. All exposed portions of fireplace chimneys on the outside of the buildings shall be faced with clayfired brick or stone. There shall be no exposed concrete block or cement. If less than 50 percent of an interior chimney is visible from the street, that chimney may be covered with siding.
- C. Exterior colors used in new construction or improvements, such as repainting, shall be neutral or earth tones.

Section 4: Driveways. Parcel B and parcel C will share a common drive from State Street to these two parcels. Each of these two parcels will be jointly responsible for all costs of improving, plowing and maintaining this driveway.

Section 5. Out door garbage and trash containers are prohibited unless screened from view from other properties.

Section 6. A perpetual easement is hereby granted along a five foot strip of ground along the border of each parcel, which easement shall be in favor of those persons, firms or corporations furnishing power, gas, water, cable TV and other utilities; said easement to said utilities being to install, operate, maintain, repair and renew cables, conduits, pipes and other instrumentalities and to extend wires for the carrying and transmission of electricity, heat and power, water, sewer, telephone and cable T.V.

Section 7. Fences. All fences must be of uniform height and materials in compliance with the following restrictions:

- A. Decorative type fences such as split rail, minimum two inch painted pipe with solid plastic wrapped cable will be permitted any where on the property.
- B. Single strand or barbed wire fences shall be permitted only on the following boundaries:

Parcel A - (original brick home) east boundary
Parcel B - north and east boundaries
Parcel C - west and north boundaries
Parcel D - west boundary
- C. No fences or walls shall exceed a height of six (6) feet. No clothes lines or clothes hangers shall be constructed or used unless completely concealed within enclosed patio ares. No swimming pool shall be permitted which extends more than one (1) foot above ground level.

Section 8. Trees. Not less than fifteen (15) ornamental or deciduous shade trees must be planted on each parcel, seven (7) of which must be located in the front yard, within six (6) months after completion of the residence. Thereafter they are to be maintained in good growing condition, and replaced as necessary.

Section 9. Livestock and poultry prohibited. It is the intention of these covenants that no residential lot in the property shall have any livestock or poultry maintained, housed or boarded on said parcel at any time. Rules governing the maintenance and housing of domestic animals (dogs and cats etc.) shall be as prescribed by the governing body having zoning jurisdiction of the property. No commercial kennels shall be permitted on the property.

Horses may be maintained, housed or boarded. The number of horses maintained shall not exceed a total of eight (8). These horses are to be housed in proper quarters and pastures fenced for their and neighbors' protection.

Section 10. Nuisances prohibited. No advertising signs, billboards, unsightly objects or nuisances shall be erected, placed or permitted to remain on any parcel except one sign per parcel consisting of not more than six (6) square feet advertising a lot as for sale. The premises may not be used in any way for any purpose which may endanger the health or unreasonably disturb the owner or owners of any parcel of any

resident thereof. No business activities of any kind shall be conducted on any parcel.

Section 11. Maintenance of equipment and vegetation. Any exterior air conditioning condenser unit or propane tank shall be placed in the rear yard or side yards so as to not be visible from public view. None of the property shall be used in whole or part for the storage of any property or thing that will cause the land to appear in an unclean or untidy condition, or that will be not compatible to the surrounding dwellings or that will be obnoxious to the eye, nor shall any substance or materials be kept upon the land that will emit a foul or noxious odor. Yard clippings and compost materials used for land conditioning must meet the above restrictions and conditions. All rubbish, trash and garbage shall not be permitted to remain on any parcel in Long Meadow; all such items shall be removed from Long Meadow and shall not be burned within the parcel by open fire, or incineration or other means without a permit from the governing jurisdiction having zoning authority over the parcel.

Section 12. Plannings and ground cover. No trees, shrubs, hedges or other plants shall be maintained or permitted in such proximity to any parcel as will interfere with the use or maintenance of any street or walk or an unobstructed view at street intersections or otherwise interfere with or hinder the safety of vehicle and pedestrians. The owner shall take whatever steps are necessary to control and eliminate noxious weeds on his property. Ground cover shall be maintained on all parcels sufficient to prevent erosion, each owner shall be required to seed or sod his parcel, including owners of vacant parcels, with grass, prairie grasses, brome grass, and to mow to a height of not more than twenty-four (25) inches. Any and all dead trees and shrubbery must be removed promptly at owner's expense.

Parcel owners are encouraged to plant fruiting shrubs, hedges and trees to provide food and habitat for birds and small animals.

Section 13. Outside antennas, etc. Outside radio or TV antennas shall not be erected on any lot or structure with the exception of television satellite antennas. They may be erected provided they are positioned to the rear building line of the residence and are screened by plantings or approved fences so as not to be readily visible from the street and from neighboring properties.

ARTICLE III

ARCHITECTURAL CONTROL

Section 1. No dwelling, building, fence, wall, pool, tennis court, solar heating or cooling collecting panels, device or equipment tool shed or other external improvement, above or below the surface of the ground shall be constructed, erected, placed, planted, remodeled, altered or otherwise maintained or permitted to remain on any parcel, nor without express written prior approval of the declarants.

Section 2. The declarants shall consider general appearance, exterior color or colors, architectural character, harmony of external design and location in relation to surroundings, topography, location within the parcel boundary lines, quality of construction, size and suitability for residential purposes as part of its review procedure. Only exterior colors of certain earthtone hues will be acceptable. In this regard, declarants intend that the parcels within the property shall form a developed residential community with homes constructed of high quality materials consistent with this declaration. The declarants specifically reserve the right to deny permission to construct or place any of the improvements which it determines will not conform to the general character, plan and outline for the development of the parcels.

Section 3. Documents submitted for approval shall be clear, concise, complete, consistent and legible. All drawings shall be to scale. Samples of materials to be included in the improvement may be required of the applicant at the discretion of the declarants. Each applicant shall submit to the declarants the following documents, materials, designs and/or plans (herein collectively referred to as the "plans"):

- A. Site plan indicating specific improvement and indicating parcel number, street address, grading, location of the structure(s) proposed for the parcel, surface drainage, sidewalks, exterior elevations of buildings and structures, landscaping plans, well locations and water lines, sewer lines including septic detail on septic tanks and related tile laterals.
- B. Complete construction plans, including but not limited to, basement and upper floor plans, floor areas of each level, wall sections, stair and fireplace sections, exterior elevations clearly indicating flues or chimneys, type and extent of siding, roofing, other faces and/or veneer materials, and exterior color or colors.
- C. Concurrent with submission of the plans, owner shall notify the declarants of the owner's mailing address.

Section 4. Written notice of any approval of a proposed improvement shall be mailed to the owner at the address specified by the owner upon submission of the plans or hand delivered. Such notice shall be mailed or delivered within thirty (30) days after the date of submission of the plans. If written notice of approval is not mailed or delivered within such period, the proposed improvement shall be deemed refused by the declarants. Construction on or improvement to platted parcels shall not be approved by the declarants, or by default of declarants' notification, if said construction will violate any provision of these covenants.

ARTICLE IV

GENERAL PROVISIONS

Section 1. Enforcement. The declarants, or any owner of any parcel, shall have the right to enforce by any proceeding at law or in equity against any person or persons violating or attempting to violate any restriction, condition, covenant or reservation, now or hereafter imposed by the provisions of this declaration. Failure by the declarants or by any owner to enforce any covenants or restrictions herein contained or to recover damages shall in no event be deemed a waiver of the right to do so thereafter. Nothing herein contained shall in any way be construed as imposing upon the declarant any liability, obligation or requirement to enforce any of the provisions contained herein.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 3. It is the intention to require that there be no further subdivision of these four parcels for a period of 10 years. If, after the expiration of 10 years, the owner of any parcel decides to further subdivide their parcel, they may do so as long as each lot is a minimum of 40,000 square feet. In computing said footage, the owner may not take into account any common area, common road way or lake ground.

IN WITNESS WHEREOF, the undersigned declarants have executed this Declaration this 5th day of February, 1997.
