### SUPPLEMENTAL AGREEMENT Right-of-Way Easement

KNOW ALL MEN BY THESE PRESENTS:

This Agreement is made and entered into this 16 day of September, 1997, by and between Nebraska Public Power District, a public corporation and political subdivision of the State of Nebraska, and the undersigned grantor(s), being the original grantor(s) or the successor(s) in interest to the original grantor(s) of an electric transmission line right-of-way easement granted to the Central Nebraska Public Power and Irrigation District, its successors and assigns, which easement is on file and recorded in Miscellaneous Book 13, Page 645 in the Office of the Register of Deeds, Saline County Courthouse, Wilber, Nebraska.

Whereas, in the maintenance and operation of the existing electrical transmission line over and along said right-of-way easement Nebraska Public Power District desires to remove and place a structure(s) and anchors in the existing electrical transmission line on said right-of-way easement;

NOW, THEREFORE, in consideration of \$ 1.00, receipt of which is hereby acknowledged, and the further payment of a sum to make total payment of \$ 1,300.00 for the removal and placement of a structure(s) and anchors pursuant to the grant hereof, the undersigned grantor(s) hereby grant(s) and convey(s) unto Nebraska Public Power District, its successors and assigns, the permanent right, title, and interest to place a structure(s) and anchors in the existing electrical transmission line on said right-of-way easement across the following described property:

The North Half of the Northeast Quarter of Section 23, Township 7 North, Range 3 East of the 6th P.M., Saline County, Nebraska

subject to the same terms, conditions, and obligations set forth in said original right-of-way easement unless otherwise expressly provided herein.

Remove the existing two-pole structure located approximately 1,350 feet west of the east line of said North Half of the Northeast Quarter. Place a five-pole structure and ten anchors with cattle guards approximately 1,340 feet west of the east line of said North Half of the Northeast Quarter on the centerline of the existing electric transmission line. Place five anchors with cattle guards 40 feet east and five anchors with cattle guards 40 feet west of each of the poles of the new structure location.
