ASSIGNMENT OF INTEREST
IN REAL ESTATE MORTGAGES
AND DEEDS OF TRUST

THIS ASSIGNMENT OF INTEREST IN REAL ESTATE MORTGAGES AND DEEDS OF TRUST ("Assignment") made and entered into as of the 18th day of June 1985, by and among SECURITY INVESTMENT COMPANY ("Assignor") and STATE SECURITY SAVINGS CO. as Trustee for the holders of the Series A Capital notes and Series B Capital notes of Security Investment Company (hereinafter "Assignee"), is made with reference to the following facts:

A. Pursuant to the Plan of Reorganization of SSS Co. (formerly State Security Savings Company) appearing in Case No. BK84-1321 in the United States Bankruptcy Court for the District of Nebraska, Assignor is required to grant to the holders of Series A Capital Notes and Series B Capital Notes of Security Investment Company a lien and security interest in all property owned by Assignor;

B. Such property includes, but is not limited to, Assignor's interest as mortgagee or beneficiary in the mortgages and deeds of trust securing the real property described on Exhibits A-1 through A-30 inclusive attached hereto and incorporated herein by reference. Assignor's interest in the Mortgages or deed of trust described on Exhibits A-1 through A-30 inclusive is hereinafter collectively referred to as the "Mortgages."

NOW, THEREFORE, IN CONSIDERATION of the premises, for the purposes aforesaid, and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby agree as follows:

1. Assignor hereby grants, bargains, sells, transfers, assigns and conveys to Assignee all of the right, title and interest of Assignor in and to the Mortgages.

2. Assignor hereby covenants, warrants and agrees:

(a) That it will faithfully abide by, perform and discharge each and every obligation, covenant and agreement of the Mortgages or obligations secured thereby which are to be performed by the mortgagee or beneficiary thereunder and, at the sole cost and expense of Assignor, to enforce or secure, within the reasonable discretion of Assignor, the performance of each and every obligation, covenant, condition and agreement of the Mortgages or any obligation secured thereby to be performed by the mortgagee or trustor thereunder.

(b) That Assignor has not executed any prior assignment of the Mortgages, except as security for a loan entered into as of June 14, 1985, between Assignor and First National Bank & Trust Company of Lincoln, on its own behalf and as agent for Union Bank and Trust Company, Lincoln State Bank, and Southridge Bank (hereinafter collectively "Banks"); that Assignor has free right to transfer to Assignee such rights, interest, powers and authority as are herein granted or conferred; and that Assignor has not executed or granted any modification or amendment of the Mortgages, except those disclosed in writing to Assignee.

3. The following shall constitute an Event of Default under this Assignment:

(a) breach of any obligation of Assignor under Section 2 of this Assignment;

(b) breach of any obligation of Assignor under the Loan Agreement;

15109

4. Upon the occurrence of an Event of Default under section 3 of this Assignment, Assignee shall have the right to, but without obligation so to do and without notice to or demand on Assignor, and without releasing Assignor from any obligation hereunder, take such actions to such extent as Assignee may deem necessary to protect Assignee's rights and interests under this Assignment, including specifically, without limiting Assignee's general powers, the right to appear in and defend any action or proceeding purporting to affect the Mortgages, or any obligation secured thereby, or Assignee's interest therein under this Assignment or the rights or powers of Assignee hereunder, and also the right to perform and discharge each and every obligation, covenant and agreement of Assignor contained in the Mortgages or any obligation secured thereby, and in exercising any such powers, to pay necessary costs and expenses, employ counsel and incur and pay reasonable attorneys' fees, which shall be added to the principal amount hereby secured.

5. It is understood that, so long as there shall exist no default by Assignor under this Assignment, Assignor shall have the right to collect all payments of principal and/or interest, and exercise all rights under the Mortgages and any obligation secured thereby; provided, however, that the proceeds of any such collections shall be paid to Assignor pursuant to the terms of the Loan Agreement. Notice from Assignee to any obligor of such default shall be conclusive evidence thereof and shall constitute a direction by Assignor for such obligor to direct the performance of all obligations under the Mortgages and notes secured thereby to Assignee.

6. Assignee shall not be obligated to perform or discharge, nor does Assignee hereby undertake to perform or discharge, any obligation, duty or liability under the Mortgages or any obligation secured thereby by reason of this Assignment.

7. Upon the payment in full of all indebtedness described in the Loan Agreement as being owed to Assignee, this Assignment shall become null and void and shall be of no further force or effect and Assignee shall reassign the Mortgages to Assignor.
