Grantors retain the right to use and enjoy said premises, subject only to the right of Grantee to use the same for the purposes herein expressed.

- (1) Grantee agrees to lay all pipe hereunder at such depth as not to interfere with the cultivation of the soil, to pay Grantors any damages to growing crops, fences or other improvements which may arise from the operations of Grantee; any such damages, if not mutually agreed upon, to be ascertained and determined by three disinterested persons, one of whom shall be appointed by Grantors, or their assigns, one by Grantee, and the third chosen by the two so appointed. The written award of a majority of such three persons shall be final and conclusive upon the parties hereto.
(2) Grantee shall have the right, from time to time, after completing the installation of an initial pipe line hereunder, to construct and install one or more additional pipe lines hereunder upon payment to Grantors, their heirs or assigns of an additional sum of 25 cents per linear rod for each such additional line.
(3) As further consideration for this grant, Grantee agrees to install a tap on any gas pipe line constructed by Grantee upon Grantors' said premises for the purpose of supplying gas, so long as such pipe line shall be maintained by Grantee, for use upon said premises for domestic purposes only and not for resale. Gas supplied under the terms of this clause shall be measured and delivered at the line of Grantee at the same price and under the same rules and regulations, as far as applicable, as in effect from time to time for similar service to domestic customers in the nearest city or town in the state of Nebraska in which Grantee retails natural gas. All connections and equipment from the outlet of the meter shall be furnished and paid for by Grantors under rules and regulations of Grantee.
