All that part of the West Half of the Northwest Quarter ($\frac{1}{4} \text{ NW } \frac{1}{4}$) Section 21, Township 15, Range 12, lying North of the center line of the Dodge Street Road, excepting therefrom a tract of land described as follows: Beginning at a point on the West line of Sec. 21, 595.6' South of the Northwest corner of Sec. 21; thence North 82° 44' East, 532 feet; thence South 90.3 feet to center line of existing County Road; thence North 55° 41' on center line of said road 626.8' to West line of Sec. 21; thence North 569.4' to place of beginning.

TO HAVE AND TO HOLD unto said NORTHERN NATURAL GAS COMPANY, its successors and assigns, so long as such pipe lines and appurtenances thereto, shall be maintained, together with the right of ingress to and egress from said premises, for the purpose of constructing, inspecting, repairing, maintaining and replacing the property of the grantee located thereon, or the removal thereof, in whole or in part, at the

will of the grantee; it being the intention of the parties hereto that grantor(s) are hereby granting the uses herein specified without divesting grantor(s) of the rights to use and enjoy said above described premises, subject only to the right of the grantee to use the same for the purposes herein expressed.

As a further consideration for this grant, the grantee herein agrees as follows:

- (1) That it will bury all pipe laid upon said land to a sufficient depth so as not to interfere with the cultivation of the soil. In event of improvement or development of said property the grantee agrees, at its own expense, to relocate its pipe lines for such development.
- (2) That it will pay to grantor(s) any damages which may arise to growing crops, trees, shrubbery, fences or buildings from the construction, maintenance or operation of said pipe lines. Said damages, if not mutually agreed upon, to be ascertained and determined by three disinterested persons, one of whom shall be appointed by the grantor(s), one by the grantee, and the third to be selected by the two appointed as aforesaid, and the written award of such three persons shall be final, conclusive and binding upon the parties hereto. It is agreed that pipe line will be constructed within one rod of the south line of the highway right of way.
- (3) That grantee, upon written application by the grantor(s), will make, or cause to be made, a tap in any gas pipe line constructed by grantee upon the above described premises for the purpose of supplying gas to grantor(s) for domestic purposes only and not for re-sale, and for use upon the above described premises only. All connections required, with the exception of the meter, which is to be furnished and owned by grantee, shall be furnished and paid for by grantor(s) according to the rules and regulations of the grantee. Said tap will be provided by grantee from a convenient point on its main line or some lateral as the grantee may determine, and gas to be taken under this provision shall be measured and furnished to the grantor(s) at the rates and upon the terms as may be established by grantee, or by any vendor of grantee, from time to time.
- (4) That grantee will replace or rebuild to the satisfaction of grantor(s) or of their representative any and all damaged parts of all drainage systems, the damage to which shall be occasioned by the construction of said pipe line under the terms of the above described premises.

This instrument, and the covenants and agreements herein contained, shall bear to the benefit of and be binding and obligatory upon the heirs, executors, administrators, successors and assigns of the respective parties.
