Dear Mr. Yost:

Reference is made to the Federal estate tax return filed for the above-named estate.

The gross estate tax shown thereon is hereby determined to be correct. However, credit for State inheritance or estate tax claimed in the amount shown above cannot be allowed until the following documentary evidence in support thereof is submitted:

A certificate of the proper officer of the taxing State, Territory, District of Columbia, or possession of the United States showing: (1) the total amount of such tax imposed (before adding interest and penalties and before allowing discount); (2) the amount of any discount allowed; (3) the amount of any penalties and interest imposed or charged; (4) the total amount actually paid in cash; and (5) the date of payment. If the amount of such taxes has been redetermined, the amount finally determined should be stated.

Please furnish the necessary evidence promptly or advise this office as to when it may be expected.

Very truly yours,

District Director
