The Owner reserves to itself and its assigns, the exclusive right to establish all grades and slopes upon all Lots and Common Area and to fix the grade at which any dwelling shall be placed or constructed upon any Lot in conformity with the general plan for the development of the Property, and the City's Municipal Code including, but not limited to, its zoning, subdivision and building regulations. Once such grades, slopes and/or contours have been established by the Owner, they shall not be changed in connection with the construction of any building or other improvement on a Lot without written permission from the Owner, but in no event will any such lot be graded or sloped so as to change the flow of surface waters to or from adjoining Lots.
