The subdivision shall be made by the recording of an amendment to this Declaration, and the allocated interests shown on Exhibit B shall be reallocated.

The Declarant may designate additional commons and/or limited common elements within the Condominium, exclusive of units previously created, at any time without the consent of the unit owners. The Declarant may extend the private roadways within the Condominium.

The Declarant may add real estate to the Condominium, at any time, without the consent of the unit owners provided Declarant owns property within the Condominium at the time of addition of the real estate. The expense of preparation of the amendment for subdivisions or additions, reallocation of allocated interests created by the exercise of Special Declarant Rights, and recording fees shall be borne by the Declarant.

7. **ALLOCATED INTERESTS:** The allocated interests are shown on Exhibit B. The formula used to establish the allocated interests is the number of units with each unit having equal voting rights and equal obligations for the payment of expenses of the Association. 8. **CONVEYANCES:** Any unit may be conveyed or encumbered subject to the provisions of the Declaration.
9. **SUBDIVISION:** With the written approval of the Executive Board of the Association, units may be combined or divided and incorporated within the boundaries of one or more other units. However, no division of any unit shall increase the total number of units unless by exercise of the Special Declarant Rights or upon the approval of all of the unit owners within the Condominium. Upon approval, the Executive Board shall record an Amendment to this Declaration, and the allocated interests shown on Exhibit B shall be reallocated. The expense of preparation of the Amendment, reallocation of the allocated interests, and recording fees shall be assessed against the units affected.
10. **MAINTENANCE AND IMPROVEMENT OF UNITS:** Each unit shall be maintained by the unit owner. Each unit owner shall promptly report to the Executive Board any need for repairs for which the Association is responsible. Notwithstanding the general provisions for maintenance, the Executive Board may establish specific maintenance responsibilities which shall be uniform as to all units.

12. **APPROVAL OF PLANS:** Declarant shall have the exclusive right to establish grades and slopes for all units within the Condominium and to fix the grade at which any building shall be placed or constructed upon any lot, in conformity with the general plan for the development of the Condominium. Plans for any building or other improvement to be placed or constructed upon any unit within the Condominium shall be submitted to the Declarant and shall show the design, size and exterior material for the building or improvement and the plot plan for the unit. One set of plans shall be left on permanent file with Declarant. Construction of the building or improvement shall not be commenced until written approval of the plans has been secured from the Declarant. Written approval or disapproval of the plans shall be given by the Declarant within 30 days after receipt thereof. Approval of the plans shall not be unreasonably withheld, and upon disapproval, a written statement of the grounds for disapproval shall be provided. Declarant shall have the exclusive right to disapprove the plans, if in Declarant's opinion, the plans do not conform to the general standard of development in the Condominium.

Declarant's rights for approval of plans shall continue and be exercised by the Executive Board of the Association with respect to any unit beginning 2 years after the date Declarant transfers any unit to another owner.

13. **ANTENNAS:** No wiring or antenna for electrical power, telephone, television, radio or any other use shall be permitted above ground, except within a building unless approved by the Declarant or the Executive Board of the Association.

16. **NUISANCE:** No noxious or offensive activity shall be permitted within any unit, or anything which is an annoyance or nuisance or which endangers the health or unreasonably disturbs the quiet of the occupants of other units.
17. **SIGNS:** No advertising signs, billboards, or other advertising devices shall be permitted on any unit within the Condominium without the approval of the Declarant or the Executive Board of the Association.
18. **ANIMALS:** No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any unit within the Condominium for any commercial purpose.
19. **ASSOCIATION:** Park Vista Commerce Center Association (Association) has been incorporated in Nebraska to provide for the management of the Condominium.
20. **MEMBERSHIP:** Every person or entity who becomes a unit owner shall be a member of the Association. Any person who holds an interest in a unit merely as security for an obligation shall not be a member.

21. **DECLARANT CONTROL:** Declarant shall control the Association and may appoint and remove the officers and members of the Executive Board until the earlier of:
- a. Sixty days after conveyance of 90 percent of the units which may be created to unit owners other than Declarant, or
 - b. Two years after Declarant has ceased to offer units for sale in the ordinary course of business.

Not later than 60 days after conveyance of 25 percent of the units which may be created to unit owners other than Declarant, at least one member and not less than 25 percent of the members of the Executive Board shall be elected exclusively by unit owners other than the Declarant. Not later than 60 days after conveyance of 50 percent of the units which may be created to unit owners other than Declarant, not less than 33 1/3 percent of the members of the Executive Board shall be elected exclusively by unit owners other than the Declarant.

Not later than the termination of the period of Declarant control, the unit owners shall elect an Executive Board of at least three members, at least a majority of whom shall be unit owners. The Executive Board shall elect the officers. The Executive Board members and officers shall take office upon election. One vote may be cast for the election of members of the Executive Board for each unit.

22. **MAINTENANCE OF COMMON ELEMENTS:** The Association shall maintain all common elements and shall have the right to enter any unit at reasonable times to perform maintenance.
23. **INSURANCE:** The Association shall insure the Condominium and the Association against risk arising from the common elements, including tort liability. Each policy shall be issued in the name of the Association for the benefit of unit owners in proportion to the allocated interests shown on Exhibit B. The limits of coverage shall be established by resolution of the Executive Board of the Association. Premiums for such insurance shall be a common expense. Each unit owner shall maintain fire and extended insurance covering their unit, contents and activities. Any proceeds of such insurance shall be applied to the repair or reconstruction of improvements within a unit. The Executive Board of the Association may elect to maintain insurance covering improvements within the units.
24. **DAMAGE:** Any damage to the Condominium common elements caused by casualty shall be promptly repaired by the Association unless (1) the Condominium is terminated, (2) repair or replacement would be illegal under any state or local health or safety statute or ordinance, or (3) 75 percent of the unit owners vote not to rebuild. The cost of repair or replacement in excess of insurance proceeds and reserves is a common expense. If the entire Condominium is not repaired or replaced, (1) the insurance proceeds attributable to the damaged common elements must be used to restore the damaged area to a condition compatible with the remainder of the Condominium, (2) the insurance proceeds attributable to units and limited common elements which are not rebuilt must be distributed to the owners of those units and the owners of the units to which those limited common elements were assigned, or the lienholders as their interests may appear, and (3) the remainder of the proceeds must be distributed to all the unit owners or lienholders, as their interests may appear, in proportion to the allocated interests of all units.

25. **CONDEMNATION:** If any part of the common elements is condemned for public use, the award shall be payable to the Association. Actual damage to physical improvements shall be repaired and the fund created by the award shall be administered as insurance proceeds.
26. **USE OF COMMON ELEMENTS:** The Association and each unit owner shall have the right to use the common elements, other than limited common elements, and shall have an easement over the common elements for that use.

The Association, and each unit owner of a unit to which any limited common element is assigned, shall have the right to use such limited common element and shall have an easement over such limited common element for that use.

27. **EASEMENTS OVER COMMON ELEMENTS:** The Executive Board may grant easements, leases, licenses and concessions over the common elements for the installation and maintenance of utilities and for such other purposes as the board deems to be in the best interests of the Condominium.
28. **COMMON EXPENSES AND LIEN:** The members shall pay annual and special assessments for the common expenses. Annual and special assessments shall be in proportion to allocated interests shown on Exhibit B. Each assessment shall be the personal obligation of the member who is the unit owner of the unit assessed at the time of the assessment, and, when shown of record, shall be a lien upon the unit assessed.

Assessments shall be levied by the Association solely to enable the Association to perform its obligations. The specific purposes for which such assessments may be levied shall include, but not be limited to: the administration, maintenance and repair of the landscaping and grounds on Common Elements; snow removal on the Common Elements; all taxes, fees, permits, and other assessments by governmental or public entities which may be incurred by the Association; to provide adequate insurance; and to provide such reserves as may be deemed necessary in order to accomplish the objects and purposes of the Association.

An annual assessment shall be established by the Executive Board of the Association and shall be payable as determined by the Executive Board.

The Executive Board may levy special assessments for repairs, replacements, or unanticipated expenses of the Association reasonably necessary to permit the Association to fully perform its obligations. Written notice of the special assessment shall be given to the members specifying the reason for the special assessment and the date payment is due. The date set for payment must be at least 30 days after the date of the notice.

In addition to the annual and special assessments, the Association may levy an improvement assessment for any capital improvements. Any such improvement assessment shall require the affirmative vote of two-thirds of the unit owners. Payment of the improvement assessment shall be made on terms established by the Association which terms shall be included in the written notice to the unit owners advising them of the improvement assessment.

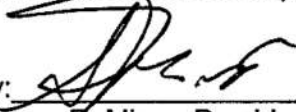

The Association may levy a special unit assessment for the actual cost plus 10 percent as an administration fee for maintenance, operating or insurance expenses incurred by the Association to perform obligations which are the responsibility of the unit owner.

Assessments, except special unit assessments shall be apportioned equally to the units within the Condominium unless another basis for the assessment, such as street frontage or lot square footage is approved by a vote of two-thirds of the unit owners at a regular or special meeting of the unit owners if notice is provided in the notice of the meeting.

Any assessments which are not paid within 10 days of the date they are due shall be delinquent and subject to a late fee and if not paid within 30 days shall bear interest from the date originally due. The amount of the late fee and interest rate shall be determined annually by the Association. The late fee shall not exceed 10 percent of the payment and the interest rate shall not exceed 18 percent per year.

29. **INSURANCE AND UTILITIES:** The Executive Board may assess the costs of insurance in proportion to risk and the costs of utilities in proportion to usage.
30. **REPAIRS:** The Executive Board may assess a unit owner with the cost of maintenance or repair of common elements or exterior surfaces necessitated by willful or negligent conduct of the unit owner by adding such cost to the next assessment against the owner's unit.
31. **PRIORITY OF LIENS:** The lien of any annual or special assessment is prior to all other liens and encumbrances on a unit except (1) liens and encumbrances recorded before the recordation of the Declaration, (2) a First Mortgage or Deed of Trust on the unit recorded before the date on which the assessment sought to be enforced was recorded, and (3) liens for real estate taxes and other governmental assessments or charges against the unit.
32. **CAPITAL IMPROVEMENTS:** Annual and special assessments, other than for capital improvements, may be levied by the Executive Board of the Association. Any special assessment for capital improvements shall be approved by the affirmative vote of two-thirds of the unit owners at a regular or special meeting of the unit owners if notice of the special assessment is contained in the notice of the special meeting.
33. **BINDING EFFECT:** The covenants contained in this Declaration shall run with the land and shall bind the Declarant and all persons claiming under the Declarant.
34. **ENFORCEMENT:** Enforcement of the covenants contained in this Declaration may be by proceedings at law or in equity against any person violating or attempting to violate any covenant. The proceedings may be to restrain the violation or recover damages and, by the Association, may be to enforce any lien or obligation created by the Covenants.
35. **AMENDMENTS:** The Condominium established by this Declaration may be amended in writing, by two-thirds of the unit owners at any time. The Condominium established by this Declaration may be terminated, in writing, by the unit owners of 75 percent of the units.
36. **SEVERABILITY:** The invalidation of any one of the provisions of this Declaration shall not affect the validity of the remaining provisions.
