G. Joint and Several Liability. It is the express intent of the Parties that the Purchaser be reimbursed when required by this Agreement. In the event that Lots 1, 2 or 4 are owned by more than one party, i.e., Sellers and a successor or successors in interest to one or more of Lots 1, 2 or 4, their liability for reimbursement hereunder shall be joint and several under provisions of this Section 6. Any such owner of Lots 1, 2 or 4 that pays more than that owner's proportional share shall be entitled to contribution from the other owner(s).

7. Sewer and Water Lines.

A. Fees and Expenses. Purchaser intends to develop Lot 3 as a parking lot which will not require use of any sewer or water lines. Consequently, Purchaser shall not be required to contribute toward the costs of the design, installation, connection, and maintenance of any sewer or water lines that may be required as part of the construction of the easements granted in this Agreement. All sewer and water fees and assessments which are not required to be paid by Purchaser or any subsequent owner of Lot 3 under this provision shall be allocated proportionately to the owners of Lots 1, 2 and 4, their successors and assigns. Each lot shall bear one-third (1/3) of the expense. Notwithstanding the foregoing, in the event Purchaser or any subsequent owner of Lot 3, if applicable, constructs a building or similar improvement on the Property that utilizes water and sewer services, Purchaser or any subsequent owner of Lot 3, if applicable, shall be required to pay any sewer or water fees or assessments, arising after construction is commenced, to any third party or municipal entity with authority over Lot 3, including without limitation, the City of La Vista, Nebraska, the Southport East Landowners Association, Inc., any other owners association, or any other party. Further, notwithstanding the immediately preceding provisions of this Section 7, Purchaser shall be responsible for the payment of the per acre sewer connection fee which will be payable upon acquisition of the permits for the parking lot from the City of La Vista for the construction of the parking lot.

B. Grant of Easement for Sanitary Sewer Line. Purchaser and subsequent owners of Lot 3 hereby grant to Sellers and subsequent owners of Lot 1 a perpetual twenty (20) foot wide easement for an eight (8) inch sanitary sewer line to be located on Lots 1 and 3 as depicted in the highlighted portion of Exhibit "E" attached hereto and incorporated herein by this reference. The parties agree that, within a reasonable time period from the date hereof, they shall execute an easement agreement which specifies the legal description of the affected real property, and the terms and conditions of the easement. The parties further agree to cooperate with each other in good faith to execute and record the easement agreement. The parties further agree that the owner of Lot 1 shall bear the cost of the design and installation of the easement and the sanitary sewer line situated thereon. Notwithstanding the foregoing, if, during the period commencing on the date hereof and ending on a date which is five (5) years thereafter, Purchaser or a subsequent owner of Lot 3 benefits from the use of the sanitary sewer line within this easement, then Purchaser or subsequent owner of Lot 3 shall pay to Sellers or the subsequent owner of Lot 1 an amount equal to twenty-five percent (25%) of the cost of the design and installation of the easement and the sanitary sewer line situated thereon.

The foregoing provisions of this Section 7B set forth the intent and understanding of the parties with respect to this sanitary sewer easement. The subsequent easement agreement shall supersede the provisions of this Section 7B.

8. **Mutual Indemnities.** The parties covenant and agree with each other, on behalf of each of their successors and assigns, as the case may be, to indemnify, hold harmless and defend (with legal counsel reasonably acceptable to each party) the respective owner of an easement or improvement thereto for, from and against any and all claims, liabilities, expenses, and reasonable attorneys' fees and court costs which may be claimed or asserted against an owner of an easement or improvement thereto, its successors and assigns, arising out of the use of an easement or improvement thereto, as provided in this Agreement, by any party to this Agreement, or its tenants, guests, agents, contractors, employees, and invitees, including but without limitation, claims for property damage and bodily injury and any mechanics' or materialmen's liens or claims of lien which may be asserted against any of them, their successors or assigns. Such indemnification shall only apply, however, to the extent the easement owner does not recover its loss through the proceeds of any insurance it may have in force (or may be required to have in force as provided in Section 9 below).

9. **Insurance.** Upon the commencement of the initial use of the easements, the party responsible for operating each such easement (in accordance with Sections 6A, 6B and 6C of this Agreement) shall deliver to the parties benefitting from such easement a currently effective certificate of commercial general liability insurance, written on an "occurrences" basis with a minimum combined single limit of Two Million Dollars (\$2,000,000.00), with coverage for owned and non-owned motor vehicles and contractual liability coverage having a reasonable deductible amount as determined by such operating party. Policies of insurance required by the terms of this Agreement shall contain an endorsement or agreement by the insurer that any loss shall be payable in accordance with the terms of such policy notwithstanding any act or negligence of the insured which might otherwise result in forfeiture of said insurance and the further agreement of the insurer waiving all rights of subrogation, setoff, counterclaim, or deductions against the insured. The policies of insurance must each name the other party benefitting from such easement as an additional insured. Such insurance coverage may be included in blanket insurance policies. The issuer of such certificates shall commit to give all insured parties thirty (30) days' prior notice before cancellation of the policies or reduction in coverage, except in case of nonpayment of premiums, in which case the insurer(s) shall commit to give the insured parties ten (10) days' prior notice before cancellation or reduction in coverage. Each party may request from time to time that the insurance amounts be mutually increased to reflect commercially reasonable amounts in Sarpy County, Nebraska, and each party shall promptly secure such increased coverage and provide the other party benefitting from such easement with a certificate of insurance evidencing such coverage. Purchaser and successor owners of Lot 3 shall be the owner of all such coverage as required under this provision and shall be responsible for payment therefor. Sellers and successor owners of Lots 1, 2 and 4 shall be "other insureds" on all such coverage.

10. **Liens.** Each party shall retain the right to encumber their respective property, but any such encumbrance shall be subject to this Agreement. No party to this Agreement shall permit any claim, lien or other encumbrance arising from any party's use of the easement to

accrue against or attach to the property of the other party to this Agreement except that such party may include in any such encumbrance such party's rights to the easements created herein.

11. **Use Restrictions.** No hotel, motel or other transient lodging facility of any type providing for lodging of guests for a period of less than thirty (30) days at a time (collectively, a "Lodging Facility") shall be constructed or operated on any portion of Lot 3, unless prior written consent is obtained from Marcli Hotel Group or its successors in title. The provisions contained in this Section 11 shall survive and be deemed part of the easements and covenants contained herein that run with the land in accordance with Section 13 hereafter.

12. **Recordation.** This Agreement shall be recorded in the office of the Register of Deeds of Sarpy County, Nebraska.

13. **Run With the Land.** All provisions of this Agreement shall run with the land, shall be binding upon any owner of any portion of any of the easements and shall inure to the benefit of any owner of any portion of Lots 1, 2, 3, and 4. The extent of usage of the easements granted hereunder may be increased or decreased from time to time depending upon the current or future uses or development of the easements owned by the parties without affecting the validity of the easements granted hereby or the current or future uses thereof. Notwithstanding that this Agreement runs with the land, the parties covenant to restate and replace this Agreement by a written instrument signed by the parties, or their successors, heirs or assigns (as appropriate) at such time as the easements are recorded. If at any time the terms of this Agreement, as it may be amended, conflict with the terms of any other agreement, whether recorded or unrecorded, pertaining to the matters set forth herein, the terms of this Agreement shall control.

14. **Remedies.** In the event of a breach of any of the terms or conditions of this Agreement, those affected shall be entitled to full and adequate relief by all available legal and equitable remedies, including without limitation, specific performance.

15. **Governing Law.** This Agreement shall be interpreted according to, and governed by, the procedural and substantive laws of the State of Nebraska. The parties and their respective tenants, guests, agents, contractors, employees, or invitees irrevocably consent to jurisdiction and venue in the State of Nebraska and agree that they will not attempt to remove or transfer any action properly commenced in the State of Nebraska.

16. **Notices.** All notices or other communications required or permitted to be provided to the parties pursuant to this Agreement shall be in writing and shall be hand delivered, sent by United States Postal Service, postage prepaid, or sent prepaid by a nationally recognized courier service to the parties at the following addresses, or to such other address that the addressee may designate by written notice to the sending party:

20. **City of La Vista Approval Required.** This Agreement may not be modified, terminated or amended in any manner without the prior approval of the City of La Vista so as to ensure the continued access to and maintenance of the improvements located on the property within Southport East Replat Nine.
