2. MODIFICATION. For value received, Grantor and Lender agree to modify the Security Instrument as provided for in this Modification.

The Security Instrument is modified as follows:

A. Maximum Obligation Limit. The maximum obligation provision of the Security Instrument is modified to read:

(1) Maximum Obligation Limit. The total principal amount secured by this Security Instrument at any one time and from time to time will not exceed \$925,000.00. Any limitation of amount does not include interest and other fees and charges validly made pursuant to this Security Instrument. Also, this limitation does not apply to advances made under the terms of this Security Instrument to protect Lender's security and to perform any of the covenants contained in this Security Instrument.

B. Secured Debt. The secured debt provision of the Security Instrument is modified to read:

(1) Secured Debts and Future Advances. The term "Secured Debts" includes and this Security Instrument will secure each of the following:

(a) Specific Debts. The following debts and all extensions, renewals, refinancings, modifications and replacements. A promissory note or other agreement, dated November 7, 2014, from Grantor to Lender, with a loan amount of \$573,882.89.

A large, stylized handwritten signature or set of initials is written in black ink over the 'Initials' and 'Page 2' text.

(b) Future Advances. All future advances from Lender to Grantor under the Specific Debts executed by Grantor in favor of Lender after this Security Instrument. If more than one person signs this Security Instrument, each agrees that this Security Instrument will secure all future advances that are given to Grantor either individually or with others who may not sign this Security Instrument. All future advances are secured by this Security Instrument even though all or part may not yet be advanced. All future advances are secured as if made on the date of this Security Instrument. Nothing in this Security Instrument shall constitute a commitment to make additional or future advances in any amount. Any such commitment must be agreed to in a separate writing.

(c) All Debts. All present and future debts from Grantor to Lender, even if this Security Instrument is not specifically referenced, or if the future debt is unrelated to or of a different type than this debt. If more than one person signs this Security Instrument, each agrees that it will secure debts incurred either individually or with others who may not sign this Security Instrument. Nothing in this Security Instrument constitutes a commitment to make additional or future loans or advances. Any such commitment must be in writing. This Security Instrument will not secure any debt for which a non-possessory, non-purchase money security interest is created in "household goods" in connection with a "consumer loan," as those terms are defined by federal law governing unfair and deceptive credit practices. This Security Instrument will not secure any debt for which a security interest is created in "margin stock" and Lender does not obtain a "statement of purpose," as defined and required by federal law governing securities. This Modification will not secure any other debt if Lender fails, with respect to that other debt, to fulfill any necessary requirements or conform to any limitations of Regulations Z and X that are required for loans secured by the Property.

(d) Sums Advanced. All sums advanced and expenses incurred by Lender under the terms of this Security Instrument.

3. WARRANTY OF TITLE. Grantor warrants that Grantor continues to be lawfully seized of the estate conveyed by the Security Instrument and has the right to irrevocably grant, convey and sell the Property to Trustee, in trust, with power of sale. Grantor also warrants that the Property is unencumbered, except for encumbrances of record.

4. CONTINUATION OF TERMS. Except as specifically amended in this Modification, all of the terms of the Security Instrument shall remain in full force and effect.

5. ADDITIONAL TERMS. DATE OF DEED OF TRUST AND MODIFICATION OF DEED OF TRUST WILL MATURE ON NOVEMBER 12, 2044.

SIGNATURES. By signing under seal, Grantor agrees to the terms and covenants contained in this Modification. Grantor also acknowledges receipt of a copy of this Modification.
