A written record of inspection results and any maintenance work shall be maintained and available for review by the city.
3. The Property Owner, its administrators, executors, successors, heirs, or assigns, shall construct and perpetually operate and maintain, at its sole expense, the facilities in strict accordance with the attached BMP Maintenance Requirements accepted by the City of Omaha or its designee.
4. The Property Owner, its administrators, executors, successors, heirs or assigns hereby grants permission to the City, its authorized agents and employees, to enter upon the property and to inspect the facilities whenever the City deems necessary.

In the event a claim is asserted against the City, its authorized agents or employees, the city shall promptly notify the Property Owner and the Property Owner shall defend at its own expense any suit based on such claim unless due solely to the negligence of the City in which event the City shall be required to defend any such suit at its own expense.

Notwithstanding the foregoing, if any claims are made against both the City of Omaha and the Property Owner, each will be required to defend any such suit or claim against it at its own expense. Each shall be responsible for payment of any recovery to the extent determined in such suit. If any judgment or claims against the City, its authorized agents or employees shall be allowed, the Property Owner shall pay for all costs and expenses in connection herewith except to the extent of the negligence or intentional act of the City.

8. The Property Owner shall not in anyway diminish, limit, or restrict the right of the City of Omaha to enforce any of its ordinances as authorized by law.
