WITNESSETH:

WHEREAS, Trustor has executed and delivered to Beneficiary a Promissory Note dated on or about this same date in the principal amount of SIXTEEN MILLION, TWO HUNDRED THOUSAND AND NO/100 DOLLARS (\$16,200,000.00) (which Promissory Note, together with all notes issued and accepted in substitution or exchange therefor, and as any of the foregoing may from time to time be modified, extended, renewed, consolidated, restated or replaced, is hereinafter sometimes referred to as the "Note"), which Note provides, among other things, for final payment of principal and interest under the Note, if not sooner paid or payable as provided therein, to be due on or before the first (1st) day of March 2032, the Note by this reference thereto being incorporated herein; and

WHEREAS, Beneficiary is desirous of securing the prompt payment of the Note together with interest, charges and prepayment fees, if any, thereon in accordance with the terms of the Note, and any additional indebtedness accruing to Beneficiary on account of any future payments, advances or expenditures made by Beneficiary pursuant to the Note or this Deed of Trust and any additional sums with interest thereon which may be loaned to Trustor by Beneficiary or advanced under the Loan Documents (as hereinafter defined) (all hereinafter sometimes collectively referred to as the "Indebtedness").

NOW, THEREFORE, Trustor, to secure payment of the Indebtedness and the performance of the covenants and agreements herein contained to be performed by Trustor, for good and valuable consideration in hand paid, the receipt and sufficiency whereof are hereby acknowledged, and intending to be legally bound, hereby agrees and covenants as follows:

1. **Granting Clauses.** Trustor hereby irrevocably and absolutely does by these presents GRANT AND CONVEY, WARRANT, SET OVER, TRANSFER, ASSIGN, BARGAIN AND SELL to Trustee, and its successors in trust, for the benefit of Beneficiary, its successors and assigns, IN TRUST, WITH POWER OF SALE and all statutory rights under the laws of Nebraska, and grants to Trustee, for the benefit of Beneficiary, a security interest in, all of Trustor's present and hereafter acquired estate, right, title and interest in, to and under the following (collectively referred to herein as the "Premises"):

(a) That certain real property situated in Douglas County, Nebraska, and more particularly described in Exhibit "A" attached hereto and incorporated herein by this reference (the "Land"), together with all buildings, structures and improvements now or hereafter erected on the Land, together with all fixtures and items that are to become fixtures thereto (collectively, the "Improvements");

(b) All and singular the easements, rights-of-way, licenses, permits, rights of use or occupancy, privileges, tenements, appendages, hereditaments and appurtenances and other rights and privileges attached or belonging to the Land or Improvements or in any way appertaining thereto, whether now or in the future, and all the rents, issues and profits from the Land or Improvements;

(c) The land lying within any street, alley, avenue, roadway or right-of-way open or proposed or hereafter vacated in front of or adjoining the Land; and all right, title and interest, if any, of Trustor in and to any strips and gores adjoining the Land;

(d) All machinery, apparatus, equipment, goods, systems, building materials, carpeting, furnishings, fixtures and property of every kind and nature whatsoever, now or hereafter located in or upon or affixed to the Land or Improvements, or any part thereof, or used or usable in connection with any construction on or any present or future operation of the Land or Improvements, now owned or hereafter acquired by Trustor, including, but without limitation of the generality of the foregoing: all heating, lighting, refrigerating, ventilating, air-conditioning, air-cooling, fire extinguishing, plumbing, cleaning, telephone, communications and power equipment, systems and apparatus; and all elevators, switchboards, motors, pumps, screens, awnings, floor coverings, cabinets, partitions, conduits, ducts and compressors; and all cranes and cranesways, oil storage, sprinkler/fire protection and water service equipment; and also including any of such property stored on the Land or Improvements or in warehouses and intended to be used in connection with or incorporated into the Land or Improvements or for the pursuit of any other activity in which Trustor may be engaged on the Land or Improvements, and including without limitation all tools, musical instruments and systems, audio or video equipment, cabinets, awnings, window shades, venetian blinds, drapes and drapery rods and brackets, screens, carpeting and other window and floor coverings, decorative fixtures, plants,

cleaning apparatus, and cleaning equipment, refrigeration equipment, cables, computers and computer equipment, software, books, supplies, kitchen equipment, appliances, tractors, lawn mowers, ground sweepers and tools, swimming pools, whirlpools, recreational or play equipment together with all substitutions, accessions, repairs, additions and replacements to any of the foregoing; it being understood and agreed that all such machinery, equipment, apparatus, goods, systems, fixtures, and property are a part of the Improvements and are declared to be a portion of the security for the Indebtedness (whether in single units or centrally controlled, and whether physically attached to said real estate or not), excluding, however, personal property owned by tenants of the Land or Improvements; and

(e) Any and all awards, payments or insurance proceeds, including interest thereon, and the right to receive the same, which may be paid or payable with respect to the Land or Improvements or other properties described above as a result of: (1) the exercise of the right of eminent domain or action in lieu thereof; or (2) the alteration of the grade of any street; or (3) any fire, casualty, accident, damage or other injury to or decrease in the value of the Land or Improvements or other properties described above, to the extent of all amounts which may be secured by this Deed of Trust at the date of receipt of any such award or payment by Trustor or Beneficiary, and of the reasonable counsel fees, costs and disbursements incurred by Trustor or Beneficiary in connection with the collection of such award or payment. Trustor agrees to execute and deliver, from time to time, such further instruments as may be requested by Beneficiary to confirm such assignment to Beneficiary of any such award or payment.

The parties intend the definition of Premises to be broadly construed and in the case of doubt as to whether a particular item is to be included in the definition of Premises, the doubt should be resolved in favor of inclusion.

TO HAVE AND TO HOLD the Premises with all rights, privileges and appurtenances thereunto belonging, and all income, rents, royalties, revenues, issues, profits and proceeds therefrom, unto Beneficiary, its successors and assigns, forever, for the uses and purposes herein expressed.

THIS DEED OF TRUST IS GIVEN TO SECURE: Payment of the Indebtedness; payment of such additional sums with interest thereon which may hereafter be loaned to Trustor by Beneficiary pursuant to the Note or Deed of Trust or otherwise advanced under the Loan Documents (the "Loan"), including without limitation advances made by Beneficiary to protect the Premises or the lien of this Deed of Trust or to pay taxes, assessments, insurance premiums, and all other amounts that Trustor has agreed to pay pursuant to the provisions hereof or that Beneficiary has incurred by reason of the occurrence of an Event of Default (as hereinafter defined), including without limitation, advances made to enable the completion of the Improvements or any restoration thereof, even though the aggregate amount outstanding at any time may exceed the original principal balance stated herein and in the Note (provided, however, that the Indebtedness shall in no event exceed an amount equal to three hundred percent (300%) of the face amount of the Note); and the due, prompt and complete performance of each and every covenant, condition and agreement contained in this Deed of Trust, the Note, and every other agreement, document and instrument to which reference is expressly made in this Deed of Trust or which at any time evidences or secures the Indebtedness evidenced by the Note (this

Deed of Trust, the Note and all such other agreements, documents and instruments evidencing, securing and otherwise relating to the Note, but excluding the certain Environmental Indemnification Agreement executed by Trustor, are hereinafter sometimes collectively referred to as the "Loan Documents"). Trustor hereby warrants that Trustor has good and marketable title to the Premises, is lawfully seized and possessed of the Premises and every part thereof, and has the right to convey same; that Trustor will forever warrant and defend the title to the Premises unto Beneficiary against the claims of all persons whomsoever; and that the Premises are unencumbered except as set forth on Beneficiary's title insurance policy dated on or about even date herewith regarding the Premises.

2. **Maintenance, Repair and Restoration of Improvements, Payment of Prior Liens, etc.** Trustor shall: (a) promptly repair, restore or rebuild any Improvements now or hereafter on the Premises which may become damaged or be destroyed, such Improvements to be of at least equal value and substantially the same character as prior to such damage or destruction; (b) keep the Premises in good condition and repair, without waste, and free from mechanics' liens or other liens or claims for lien (except the lien of current general taxes duly levied and assessed but not yet due and payable); (c) immediately pay when due or within any applicable grace period any indebtedness which may be secured by a lien or charge on the Premises (no such lien, except for current general taxes duly levied and assessed but not yet payable, to be permitted hereunder), and upon request exhibit satisfactory evidence to Beneficiary of the discharge of such lien; (d) complete within a reasonable time any Improvements now or at any time in process of erection upon the Land; (e) comply with all requirements of law (including, without limitation, pollution control and environmental protection laws and laws relating to the accommodation of persons with disabilities), ordinance or other governmental regulation in effect from time to time affecting the Premises and the use thereof, and covenants, easements and restrictions of record with respect to the Premises and the use thereof; (f) make no material alterations in the Premises; (g) suffer or permit no material change in the general nature of the use of the Premises, without Beneficiary's written consent; (h) initiate or acquiesce in no zoning reclassification or variance with respect to the Premises without Beneficiary's written consent; and (i) pay each item of Indebtedness when due according to the terms hereof or of the Note.

3. **Payment of Taxes.** Trustor shall pay thirty (30) days before any delinquency or any penalty or interest attaches all general taxes, special taxes, special assessments, water charges, sewer service charges, and all other charges against the Premises of any nature whatsoever when due, and shall, upon written request, furnish to Beneficiary duplicate receipts therefor.

4. **Tax Deposits.** Trustor covenants and agrees to deposit with such depository as the Beneficiary from time to time may in writing appoint, and in the absence of such appointment, then at the office of Beneficiary, c/o ING Investment Management, 5780 Powers Ferry Road, NW, Suite 300, Atlanta, Georgia 30327-4349, Attention: Mortgage Loan Servicing Department, commencing on the date of disbursement of the loan secured hereby and on the first day of each month following the month in which said disbursement occurred until the Indebtedness is fully paid, a sum equal to one-twelfth (1/12th) of the last total annual taxes and assessments for the last ascertainable year (if the current year's taxes and assessments are not yet

ascertainable) (general and special) on the Premises (unless said taxes are based upon assessments which exclude the Improvements or any part thereof now constructed or to be constructed, in which event the amount of such deposits shall be based upon the Beneficiary's reasonable estimate as to the amount of taxes and assessments to be levied and assessed). Such deposits are to be held without any allowance of interest (unless local law requires otherwise) and are to be used for the payment of taxes and assessments (general and special) on the Premises next due and payable when they become due. Upon demand by such depositary, Trustor shall deliver and pay over to such depositary from time to time such additional sums or such additional security as are necessary to make up any deficiency in the amount necessary to enable such depositary to fully pay any of the items hereinabove mentioned as they become payable. If the funds so deposited exceed the amount required to pay such items hereinabove mentioned for any year, the excess shall be applied on a subsequent deposit or deposits. Said deposits need not be kept separate and apart from any other funds of Beneficiary or such depositary.

If any such taxes or assessments (general or special) shall be levied, charged, assessed or imposed upon or for the Premises, or any portion thereof, and if such taxes or assessments shall also be a levy, charge, assessment or imposition upon or for any other property not covered by the lien of this Deed of Trust, then the computation of any amount to be deposited under this Paragraph 4 shall be based upon the entire amount of such taxes or assessments, and Trustor shall not have the right to apportion the amount of any such taxes or assessments for the purposes of such computation.

5. **Beneficiary's Interest In and Use of Deposits.** Upon the occurrence of an Event of Default, Beneficiary may at its option, without being required to do so, apply any monies at the time on deposit pursuant to Paragraphs 4 and 7 hereof, on any of Trustor's obligations herein or in the Note or any of the Loan Documents contained, in such order and manner as the Beneficiary may elect. When the Indebtedness has been fully paid, any remaining deposits shall be paid to Trustor or to the then owner or owners of the Premises. A security interest within the meaning of the Nebraska Uniform Commercial Code ("UCC") is hereby granted to the Beneficiary in and to any monies at any time on deposit pursuant to Paragraphs 4 and 7 hereof and such monies and all of Trustor's right, title and interest therein are hereby assigned to Beneficiary, all as additional security for the Indebtedness and shall in the absence of the occurrence of an Event of Default be applied by the depositary for the purposes for which made hereunder and shall not be subject to the direction or control of Trustor; provided, however, that neither Beneficiary nor said depositary shall be liable for any failure to apply to the payment of taxes and assessments and insurance premiums any amount so deposited. Neither Beneficiary nor any depositary hereunder shall be liable for any act or omission taken in good faith or pursuant to the instruction of any party but only for its willful misconduct. Trustor agrees to cooperate with Beneficiary in executing a control agreement, if necessary, with the depositary chosen to manage the deposit account envisioned by Paragraphs 4 and 7 for the purpose of perfecting the security interest in said account.

6. **Insurance.**

(a) Until the Indebtedness is fully paid, the Improvements and all fixtures, equipment and property therein contained or installed shall be kept unceasingly insured against loss and damage by such hazards, casualties and contingencies in such amounts and for such periods as may from time to time be required by Beneficiary. All insurance shall be written in policies and by insurance companies approved by Beneficiary which approval shall not be unreasonably withheld so long as a Best Class rating of at least A X is maintained and the policy otherwise conforms to the terms hereof. All policies of insurance and renewals thereof shall contain standard noncontributory mortgagee loss payable clauses to Beneficiary and shall provide for at least thirty (30) days prior written notice of cancellation to Beneficiary as well as a waiver of subrogation endorsement, all as required by Beneficiary, in form and content acceptable to Beneficiary. All policies (or duplicate certified copies or certificates thereof) shall, with all premiums fully paid, be delivered to Beneficiary as issued at least thirty (30) days before the expiration of existing policies and shall be held by Beneficiary until all sums hereby secured are fully paid. Upon request by Beneficiary, Trustor shall furnish Beneficiary evidence of the replacement cost of the Improvements. In case of sale pursuant to a foreclosure of this Deed of Trust or other transfer of title to the Premises and extinguishment of the Indebtedness, complete title to all policies, other than liability insurance policies, held by Beneficiary and all prepaid or unearned premiums thereon shall pass to and vest in the purchaser or grantee. Beneficiary shall not by reason of accepting, rejecting, approving or obtaining insurance incur any liability for payment of losses.

(b) Without in any way limiting the generality of the foregoing, Trustor covenants and agrees to maintain insurance coverage on the Premises which shall include: (i) all risk coverage property insurance (insuring against special causes of loss) for an amount equal to one hundred percent (100%) of the full replacement cost (except that flood insurance may be based on actual cash value instead of replacement cost) of the Improvements, written on a replacement cost basis and with a replacement cost endorsement (without depreciation), with no co-insurance (or with an agreed amount endorsement deleting the co-insurance clause), and containing a mortgagee clause in Beneficiary's favor; and if at any time a dispute arises with respect to replacement cost, Trustor agrees to provide at Trustor's expense, an insurance appraisal prepared by an insurance appraiser approved by Beneficiary, establishing the full replacement cost in a manner satisfactory to the insurance carrier; (ii) rent loss insurance insuring against loss arising out of the perils insured against in the policy or policies referred to in clause (i) above, in an amount equal to not less than gross revenue from the Premises for twelve (12) months from the operation and rental of all Improvements now or hereafter forming part of the Premises, based upon one hundred percent (100%) occupancy of such Improvements, less any allocable charges and expenses which do not continue during the period of restoration and naming Beneficiary in a standard mortgagee loss payable clause thereunder; (iii) commercial general liability insurance with a broad form coverage endorsement for an amount as required from time to time by the Beneficiary but not less than an aggregate amount of Three Million and No/100 Dollars (\$3,000,000.00) with a single occurrence limit of not less than Three Million and No/100 Dollars (\$3,000,000.00) for claims arising from any one (1) accident or occurrence in or upon the Premises and naming Beneficiary as an additional insured thereunder; (iv) flood insurance whenever in Beneficiary's judgment such protection is necessary and is available and in such

case in an amount acceptable to Beneficiary and naming Beneficiary as the loss payee thereunder; (v) insurance covering pressure vessels, pressure piping and machinery, if any, and all major components of any centralized heating or air-conditioning systems located in the Improvements, in an amount satisfactory to Beneficiary, such policies also to insure against physical damage to such buildings and improvements arising out of peril covered thereunder; and (vi) such other insurance that may be reasonably required from time to time by Beneficiary.

(c) Trustor shall not take out separate insurance concurrent in form or contributing in the event of loss with that required to be maintained hereunder.

7. **Insurance Premium Deposits.** It is further covenanted and agreed that for the purpose of providing funds with which to pay the premiums as the same become due on the policies of insurance as herein covenanted to be furnished by the Trustor, Trustor shall deposit with Beneficiary or the depositary referred to in Paragraph 4 hereof on the date of disbursement of the proceeds of the loan secured hereby and on the first day of each month following the month in which said disbursement occurred, an amount equal to the annual premiums that will next become due and payable on such policies less any amount then on deposit with the Beneficiary or such depositary, divided by the number of months to elapse thirty (30) days prior to the date when such premiums become delinquent. No interest shall be allowed to Trustor on account of any deposit or deposits made hereunder and said deposits need not be kept separate and apart from any other funds of Beneficiary or such depositary.

8. **Adjustment of Losses with Insurer and Application of Proceeds of Insurance.**

(a) In case of loss or damage by fire or other casualty, Trustor shall immediately give Beneficiary and the insurance companies that have insured against such risks written notice of such occurrence.

(b) In case of loss or damage by fire or other casualty, Trustor shall, if no Event of Default then exists hereunder, have the sole and exclusive right to settle, compromise or adjust any claim under, and receive, for the purpose of rebuilding and restoration, the proceeds arising from, any and all losses payable under insurance policies to the extent the amount thereof does not exceed One Hundred Thousand and No/100 Dollars (\$100,000), and all claims for losses in excess of said amount shall be settled, compromised or adjusted only with the mutual agreement of Trustor and Beneficiary and the proceeds paid as hereinafter provided. In the event insurance proceeds in excess of One Hundred Thousand and No/100 Dollars (\$100,000) are payable or if an Event of Default exists hereunder, then in either of such events, Beneficiary is authorized to collect and receipt for any insurance proceeds. Insurance proceeds collected by Beneficiary as aforesaid, after deducting therefrom any expenses incurred in the collection thereof, shall, if requested by Trustor in writing within thirty (30) days after the proceeds of insurance covering such damage or destruction become available, be made available to Trustor for the purpose of paying the cost of rebuilding or restoring of the Improvements if (i) the Premises, in Beneficiary's sole and absolute discretion is capable of being restored to that condition which existed immediately prior to the damage or loss, (ii) the insurance proceeds, together with all other funds which are to be provided by Trustor, are sufficient to restore the Premises, (iii) Beneficiary determines that income from the Premises shall not be materially affected following

the completion of the restoration or rebuilding; and (iv) no Event of Default then exists hereunder or under any other Loan Document, and no circumstance or condition exists that would constitute an Event of Default upon the giving of notice or the passage of time, or both. In the event that Beneficiary makes said proceeds available to Trustor to pay the cost of rebuilding or restoring of the Improvements, such proceeds shall be made available in the manner and under the conditions that the Beneficiary may reasonably require to assure proper application of such proceeds. In the event such insurance proceeds are made available by the Beneficiary, the Trustor shall pay all costs incurred by Beneficiary in connection with the application of such insurance proceeds (including but not limited to reasonable costs incurred by Beneficiary, and a title company or agent approved by Beneficiary in overseeing the disbursement of such insurance proceeds). The Improvements shall be restored or rebuilt so as to be of at least equal value and substantially the same character as prior to such damage or destruction. If the projected cost of rebuilding, repairing or restoring of the Improvements exceeds the sum of One Hundred Thousand and No/100 Dollars (\$100,000), then insurance proceeds shall not be made available to Trustor unless and until Beneficiary has approved plans and specifications for the proposed rebuilding and restoration, which approval shall not be unreasonably withheld. If the proceeds are to be made available by Beneficiary to Trustor to pay the cost of said rebuilding or restoration, any surplus which may remain out of said insurance proceeds after payment of the costs of rebuilding or restoring the Premises shall, at the option of the Beneficiary, be applied on account of the Indebtedness or be paid to any party entitled thereto under such conditions as Beneficiary may reasonably require. No interest shall be allowed to Trustor on any proceeds of insurance held by Beneficiary.

(c) In the event proceeds of insurance are not made available to Trustor for the purpose of paying the cost of the rebuilding or restoring of the Improvements, Beneficiary, after deducting the costs of any collection, adjustment and compromise, shall apply such insurance proceeds in accordance with the terms of the Note upon the Indebtedness, provided that any amount so applied by Beneficiary in reduction of the outstanding principal balance of the Note shall be credited to installments of principal in the inverse order of their maturity but no such application shall delay or postpone any installment payment of principal and interest under the Note.

9. **Stamp Tax.** If, by the laws of the United States of America, or of any state having jurisdiction over Trustor, any tax is due or becomes due in respect of the issuance of the Note hereby secured and this Deed of Trust, Trustor covenants and agrees to pay such tax in the manner required by any such law. Trustor further covenants to reimburse Beneficiary for any sums which Beneficiary reasonably expends by reason of the imposition of any tax on the issuance of the Note secured hereby and this Deed of Trust.

10. **Observance of Lease Assignment.**

(a) As additional security for the payment of the Note secured hereby and for the faithful performance of the terms and conditions contained herein, Trustor, as landlord, has assigned to Beneficiary, by that certain Assignment of Rents and Leases dated on or about this same date (the "Assignment of Rents"), all of Trustor's right, title and interest as landlord in and to all leases or other rights of use and or occupancy of any part of the Premises, both present and

future (hereinafter collectively referred to as the "Leases") and all of the rents, issues and profits from the Leases or guaranties thereof (hereinafter collectively referred to as the "Rents").

(b) All Leases entered into after the date hereof are subject to the approval of Beneficiary as to form and content, which approval shall not be unreasonably withheld, and Trustor will not, without Beneficiary's prior written consent, make any Lease except in the ordinary course for actual occupancy by the tenant thereunder pursuant to a standard lease form approved by Beneficiary. As of the date hereof, Trustor has submitted to Beneficiary, and Beneficiary has approved, Trustor's standard lease form, and as long as such approved form is used by Trustor, no further approval of Beneficiary is required; provided, however, that (i) no lease shall have a term of more than eighteen (18) months, and (ii) Beneficiary may, in the exercise of its reasonable discretion, require such modifications of or additions to such approved form at any time during the term of this Deed of Trust as it reasonably determines to be required to maintain the security intended to be afforded by the Assignment of Rents.

(c) Trustor will not, without Beneficiary's prior written consent: (i) execute an assignment or pledge of any Rents and/or any Leases; or (ii) accept any prepayment of any installment of any Rents more than thirty (30) days before the due date of such installment, and in any event no more than thirty (30) days in advance of the then current month.

(d) Trustor at its sole cost and expense will: (i) at all times promptly and faithfully abide by, discharge and perform all material covenants, conditions and agreements contained in all Leases, on the part of the landlord thereunder to be kept and performed; (ii) enforce or secure the performance of all material covenants, conditions and agreements of the Leases on the part of the lessees to be kept and performed, but except in the ordinary course of business Trustor shall not modify, amend, renew, extend, cancel, terminate or accept surrender of any Lease without the prior written consent of Beneficiary; (iii) appear in and defend any material action or proceeding arising under, growing out of or in any manner connected with the Leases or material obligations, duties or liabilities of landlord or of the lessees thereunder; (iv) upon written request of Beneficiary, transfer and assign to Beneficiary, any Lease or Leases heretofore or hereafter entered into, and make, execute and deliver to Beneficiary upon demand, any and all instruments required to effectuate said assignment; (v) furnish Beneficiary, within ten (10) days after a request by Beneficiary so to do, a written statement containing the names of all lessees, terms of all Leases, including the spaces occupied and the rentals payable thereunder; and (vi) exercise within five (5) days of any demand therefor by Beneficiary any right to request from the lessee under any Lease a certificate with respect to the status thereof.

(e) Nothing in this Deed of Trust or in any other documents relating to the loan secured hereby shall be construed to obligate Beneficiary, expressly or by implication, to perform any of the covenants of Trustor as landlord under any of the Leases assigned to Beneficiary or to pay any sum of money or damages therein provided to be paid by the landlord, each and all of which covenants and payments Trustor agrees to perform and pay.

(f) Trustor will not permit any Lease or any part thereof to become subordinate to any lien other than the lien hereof.

(g) Beneficiary shall have the option to declare this Deed of Trust in default because of a default of landlord in any Lease of the Premises unless such default is cured by Trustor pursuant to the terms of the Lease and within any applicable cure period or unless such default would not permit the tenant to terminate the Lease. It is covenanted and agreed that an Event of Default under the Assignment of Rents shall constitute an Event of Default hereunder on account of which the whole of the Indebtedness shall at once, at the option of the Beneficiary, become immediately due and payable without notice to the Trustor.

(h) Trustor shall not, and shall not permit any tenant to, conduct any on site dry cleaning operations on the Premises.

11. **Effect of Extension of Time.** If the payment of the Indebtedness, or any part thereof, is extended or varied, or if any part of any security for the payment of the Indebtedness is released, or if any person or entity liable for the payment of the Indebtedness is released, or if Beneficiary takes other or additional security for the payment of the Indebtedness, or if Beneficiary waives or fails to exercise any right granted herein, or in the Note secured hereby, or in any other instrument given to secure the payment hereof, then all persons now or at any time hereafter liable for the payment of the Indebtedness, or any part thereof, or interested in the Premises shall be held to assent to such extension, variation, release, waiver, failure to exercise or the taking of additional security, and their liability and the lien and all provisions hereof shall continue in full force, the right of recourse against all such persons being expressly reserved by Beneficiary, notwithstanding such extension, variation, release, waiver, failure to exercise, or the taking of additional security.

12. **Effect of Changes in Laws Regarding Taxation.** In the event of the enactment after this date of any law of the state in which the Premises are located deducting from the value of the Premises for the purpose of taxation any lien thereon, or imposing upon the Beneficiary the payment of the whole or any part of the taxes or assessments or charges or liens herein required to be paid by Trustor, or changing in any way the laws relating to the taxation of mortgages or debts secured by mortgages or Beneficiary's interest in the Premises, or the manner of collection of taxes, so as to affect this Deed of Trust or the debt secured hereby or the holders thereof, then, and in any such event, Trustor, upon demand by Beneficiary, shall pay such taxes or assessments, or reimburse Beneficiary therefor if Beneficiary pays such taxes and submits proof of payment to Trustor; provided, however, that if in the opinion of counsel for Beneficiary: (a) it might be unlawful to require Trustor to make such payment, or (b) the making of such payment might result in the imposition of interest beyond the maximum amount permitted by law; then and in such event, Beneficiary may elect, by notice in writing given to Trustor, to declare all of the Indebtedness to be and become due and payable sixty (60) days from the giving of such notice, without the applicable Prepayment Premium (as defined in the Note).

13. **Beneficiary's Performance of Defaulted Acts.** Upon the occurrence of an Event of Default herein, Beneficiary may, but need not, and whether electing to declare the whole of the Indebtedness due and payable or not, and without waiver of any other remedy, make any payment or perform any act herein required of Trustor in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior

lien or title or claim thereof, or redeem from any tax sale or forfeiture affecting the Premises or contest any tax or assessment or cure any default of Trustor as landlord in any Lease. All monies paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' fees, and any other monies advanced by Beneficiary in regard to any tax referred to in Paragraphs 9 and 12 hereof or to protect the Premises or the lien hereof, shall be additional Indebtedness and shall become immediately due and payable without notice and with interest thereon at the Default Rate of interest set forth in the Note. Inaction of Beneficiary shall never be considered as a waiver of any right accruing to it on account of any Event of Default on the part of Trustor.

14. **Beneficiary's Reliance on Tax Bills, Etc.** Beneficiary in making any payment hereby authorized: (a) relating to taxes and assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof; or (b) relating to insurance premiums, may do so according to any bill or statement procured from the appropriate company without inquiry into the accuracy of such bill or statement; or (c) for the purchase, discharge, compromise or settlement of any other prior lien, may do so without inquiry as to the validity or amount of any claim for lien which may be asserted.

15. **Acceleration of Indebtedness in Event of Default.** It is expressly agreed by Trustor that time is of the essence hereof and that the whole of the Indebtedness shall become immediately due and payable without notice to Trustor at the option of the Beneficiary upon the occurrence of one or more of the following events (hereinbefore and hereinafter collectively referred to as "Events of Default" and individually referred to as an "Event of Default"), together with a prepayment premium in the amount, if any, required to be paid pursuant to the terms of the Note in the event of a prepayment:

(a) nonpayment of any monetary sum due hereunder within ten (10) days after the same shall become due; or

(b) default shall be made in the due observance or performance of the terms and conditions of Paragraph 6 hereof (Insurance) or Paragraph 30 hereof (Due on Sale or Further Encumbrance); or

16. **Remedies.**

(a) **Primary Remedies.** If an Event of Default shall occur, Beneficiary may: declare the Indebtedness to be and the same shall be, immediately due and payable without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived and without regard to the value of the property held as security for the Indebtedness or the solvency of any person liable for the payment of such Indebtedness; and/or exercise any other right, power or remedy available to it at law or in equity, hereunder or under any other Loan Document without demand, protest or notice of any kind, all of which are hereby expressly waived, except such as is expressly required hereby or by such other Loan Document. Without limiting the generality of the foregoing, Beneficiary may:

(i) Enter and take possession of the Premises or any part thereof, exclude Trustor and all persons claiming under Trustor wholly or partly therefrom, and operate, use, manage and control the same, or cause the same to be operated by a person selected by Beneficiary, either in the name of Trustor or otherwise, and upon such entry, from time to time, at the expense of Trustor and of the Premises, make all such repairs, replacements, alterations, additions or improvements thereto as Beneficiary may deem proper, and to lease the Premises or any part thereof at such rental and to such persons as it may deem proper and collect and receive the rents, revenues, issues, profits, royalties, income and benefits thereof including, without limitation, those past due and those thereafter accruing, with the right of Beneficiary to terminate, cancel or otherwise enforce any Lease or sublease for any default that would entitle Trustor to terminate, cancel or enforce same and apply the same to the payment of all expenses which Beneficiary may be authorized to incur under the provisions of this Deed of Trust and applicable laws, the remainder to be applied to the payment, performance and discharge of the Indebtedness in such order as Beneficiary may determine until the same have been paid in full.

(ii) Institute an action for the foreclosure of this Deed of Trust and the sale of the Premises pursuant to the judgment or decree of a court of competent jurisdiction.

(iii) Sell the Premises to the highest bidder or bidders at public auction at a sale or sales held at such place or places and time or times and upon such notice and otherwise in such manner as may be required by law, or in the absence of any such requirement, as Beneficiary may deem appropriate, and from time to time adjourn such sale by announcement at the time and place specified for such sale or for such adjourned sale or sales without further notice except such as may be required by law.

(iv) Take all action to protect and enforce the rights of Beneficiary under this Deed of Trust by suit for specific performance of any covenant herein

contained, or in aid of the execution of any power herein granted or for the enforcement of any other rights.

(v) Exercise any or all of the rights and remedies available to a secured party under the UCC, including the right to (A) enter the Premises and take possession of any personal property without demand or notice and without prior judicial hearing or legal proceedings, which Trustor hereby expressly waives, (B) require Trustor to assemble any personal property, or any portion thereof, and make it available to Beneficiary at a place or places designated by Beneficiary and reasonably convenient to both parties and (C) sell all or any portion of the personal property at public or private sale, without prior notice to Trustor except as otherwise required by law (and if notice is required by law, after ten days' prior written notice), at such place or places and at such time or times and in such manner and upon such terms, whether for cash or on credit, as Beneficiary in its sole discretion may determine. As to any property subject to Article 9 of the UCC included in the Premises, Beneficiary may proceed under the UCC or proceed as to both real and personal property in accordance with the provisions of this Deed of Trust and the rights and remedies that Beneficiary may have at law or in equity, in respect of real property, and treat both the real and personal property included in the Premises as one parcel or package of security. Trustor shall have the burden of proving that any such sale pursuant to the UCC was conducted in a commercially unreasonable manner.

(vi) Terminate any management agreements, contracts, or agents/managers responsible, for the property management of the Premises, if in the sole discretion of Beneficiary such property management is unsatisfactory in any respect.

(vii) Foreclose this Deed of Trust, at Beneficiary's option, by judicial or non-judicial foreclosure, for the entire unpaid amount of the Indebtedness, or only as to the sum past due, with interest and costs without injury to this Deed of Trust or the displacement or impairment of the remainder of the lien thereof, and at such foreclosure sale the Premises shall be sold subject to all remaining items of the Indebtedness and Beneficiary may again foreclose, in the same manner, as often as there may be any sum past due. In case of sale in any action or proceeding to foreclose this Deed of Trust, the Beneficiary shall have the right to sell the Premises covered hereby in parts or as an entirety. It is intended hereby to give to the Beneficiary the widest possible discretion permitted by law with respect to all aspects of any such sale or sales.

(viii) If an Event of Default occurs due to the nonpayment of the Indebtedness, or any part thereof, as an alternative to the right of foreclosure for the full Indebtedness after acceleration thereof, Beneficiary shall have the right to institute proceedings, either judicial or non-judicial, at Beneficiary's option, for partial foreclosure with respect to the portion of said Indebtedness so in default, as if under a full foreclosure, and without declaring the entire Indebtedness due

(such proceedings being hereinafter referred to as "Partial Foreclosure"), and provided that if a foreclosure sale is made because of an Event of Default in the payment of a part of the Indebtedness, such sale may be made subject to the continuing lien of this Deed of Trust for the unmatured part of the Indebtedness; and it is agreed that such sale pursuant to a Partial Foreclosure, if so made, shall not in any manner affect the unmatured part of the Indebtedness, but as to such unmatured part, this Deed of Trust and the lien thereof shall remain in full force and effect just as though no foreclosure sale had been made under the provisions of this Paragraph. Notwithstanding any Partial Foreclosure, Beneficiary may elect, at any time prior to sale pursuant to such Partial Foreclosure, to discontinue such Partial Foreclosure and to accelerate the Indebtedness by reason of any Event of Default upon which such Partial Foreclosure was predicated or by reason of any other further Event of Default, and proceed with full foreclosure proceedings. It is further agreed that several foreclosures may be made pursuant to Partial Foreclosure without exhausting the right of full or Partial Foreclosure sale for any unmatured part of the Indebtedness, it being the purpose to provide for a Partial Foreclosure sale of the Indebtedness hereby without exhausting the power to foreclose and to sell the Premises pursuant to any such Partial Foreclosure for any other part of the Indebtedness, whether matured at the time or subsequently maturing, and without exhausting any right of acceleration and full foreclosure.

(b) Receiver. If an Event of Default shall occur, Beneficiary shall be entitled as a matter of right to the appointment of a receiver of the Premises and the rents, revenues, issues, profits, royalties, income and benefits thereof, without notice or demand, and without regard to the adequacy of the security for the Indebtedness the value of the Premises or the solvency of Trustor, either before or after any sale, and, Beneficiary may be appointed as such receiver. Such receiver shall have the power: (i) to collect the rents, issues and profits of the Premises during the pendency of any foreclosure proceedings whether by judicial or non-judicial foreclosure, and, in case of a sale and a deficiency, for such time when Trustor, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, to the maximum time and extent permitted by law; (ii) to extend or modify any then existing Leases and to make new leases, which extensions, modifications and new leases may provide for terms to expire, or for options to leases to extend or renew terms to expire, beyond the maturity date of the Note and beyond the date of the issuance of a deed or deeds to a purchaser or purchasers at a foreclosure sale, it being understood and agreed that any such leases, and the options or other such provisions to be contained therein, shall be binding upon Trustor and all persons whose interests in the Premises are subject to the lien hereof and upon the purchaser or purchasers at any foreclosure sale, notwithstanding any redemption from sale, discharge of the secured obligations, satisfaction of any foreclosure decree, or issuance of any certificate of sale or deed to any purchaser; and (iii) all other powers which may be necessary or are usual in such case for the protection, possession, control, management, and operation of the Premises during the whole of said period. superior to the lien hereof or of such decree; and (ii) if this is a leasehold mortgage, all rents due or which may become due under the underlying lease.

(c) Sales by Parcels. In any sale made under or by virtue of this Deed of Trust or pursuant to any judgment or decree of court, the Premises may be sold in one or more parts or parcels or as an entirety and in such order as Beneficiary may elect, without regard to the right of Trustor, or any person claiming under it, to the marshaling of assets. The recitals in such deed shall constitute prima facie evidence of such compliance and conclusive evidence thereof in favor of bona fide purchasers and encumbrances for value and without notice. Beneficiary may elect to apply the proceeds of the award upon or in reduction of the Indebtedness, whether due or not, or make said proceeds available for restoration or rebuilding of the Premises. In the event that Beneficiary elects, in Beneficiary's sole and absolute discretion, to make said proceeds available to reimburse Trustor for the cost of the rebuilding or restoration of the Improvements, such proceeds shall be made available in the manner and under the conditions that Beneficiary may require. In any event, the Improvements shall be restored or rebuilt in accordance with plans and specifications to be submitted to and approved by Beneficiary prior to commencement of any building or restoration. 23. **Waiver of Defense.** No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action at law or in equity upon the Note hereby secured.

beneficially interested therein and each and every person, acquiring any interest in or title to the Premises subsequent to the date of this Deed of Trust.

25. **Furnishing of Financial Statements to Beneficiary.** (a) Trustor covenants and agrees that it will keep and maintain books and records of account, or cause books and records of account to be kept and maintained in which full, true and correct entries shall be made of all dealings and transactions relative to the Premises, which books and records of account shall, at reasonable times during business hours and on reasonable notice, be open to inspection by Beneficiary and Beneficiary's accountants and other duly authorized representatives. Such books of record and account shall be kept and maintained either:

(i) in accordance with generally accepted accounting principles consistently applied; or

(ii) in accordance with a cash basis or other recognized comprehensive basis of accounting consistently applied.

(b) (i) Trustor covenants and agrees to furnish, or cause to be furnished to Beneficiary, annually, within one hundred twenty (120) days following the end of each fiscal year of Trustor unaudited annual financial reports prepared on a basis consistent with subparagraph (a) above, including balance sheets, income statements and cash flow statements covering the operation of the Premises, the Trustor and any guarantors for the previous fiscal year and a current rent roll of the Premises all certified to Beneficiary to be complete, correct and accurate by the chief financial officer of such party as the report concerns.

(ii) In addition to the annual financial statements required above, Trustor shall deliver to Beneficiary within thirty (30) days after the last day of each fiscal quarter of the Trustor, unaudited financial reports prepared on a basis consistent with subparagraph (a) above, including balance sheets, income statements and cash flow statements covering the operation of the Premises and the Trustor and any guarantor of the obligations of the Trustor for the previous fiscal quarter and a current rent roll, all certified to Beneficiary to be complete, correct and accurate by the chief financial officer of the party the report concerns.

(iii) Beneficiary shall have the right at any time and from time-to-time to request such additional financial information as Beneficiary determines is necessary or appropriate, and updated rent rolls for the Premises for purposes of monitoring current leasing.

(c) If Trustor omits to deliver as required any report or statement required by this Paragraph 25, and said omission is not cured by Trustor within thirty (30) days after written notice of such omission has been given by Beneficiary to Trustor, Beneficiary may elect, in addition to exercising any remedy for an Event of Default as provided for in this Deed of Trust, to make an audit of all books and records of Trustor including its bank accounts which in any way pertain to the Premises and to prepare the statement or statements which Trustor failed to

procure and deliver. Such audit shall be made and such statement or statements shall be prepared by an independent certified public accountant to be selected by Beneficiary. Trustor shall pay all reasonable expenses of the audit and other services, which expenses shall be secured hereby as additional Indebtedness and shall be immediately due and payable with interest thereon at the Default Rate of interest as set forth in the Note and shall be secured by this Deed of Trust.

26. **Filing and Recording Fees.** Trustor will pay all filing, registration or recording fees and all reasonable expenses incident to the execution and acknowledgment of this Deed of Trust and all federal, state, county and municipal taxes and other taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of said Note and this Deed of Trust.

27. **Business Purpose.** Trustor represents, covenants and agrees that all of the proceeds of the Note secured by this Deed of Trust will be used solely for business purposes and in furtherance of the regular business affairs of Trustor.

28. **Exculpatory.** The liability of the Trustor personally to pay the Note or any interest that may accrue thereon, or any Indebtedness or obligation accruing or arising hereunder is limited to the extent set forth in the Note.

29. **Security Agreement.** Trustor and Beneficiary agree that this Deed of Trust shall constitute a security agreement within the meaning of the UCC with respect to all sums on deposit with the Beneficiary with respect to insurance proceeds or condemnation proceeds ("Deposits") and with respect to any personal property included in the definition herein of the word "Premises," which property may not be deemed to form a part of the real estate described in Exhibit "A," and all replacements of such property, substitutions and additions thereto and the proceeds thereof, all such property being sometimes hereinafter collectively referred to as the "Collateral," and that a security interest in and to the Collateral and the Deposits is hereby granted to Beneficiary and the Deposits and all of Trustor's right, title and interest therein are hereby assigned to Beneficiary, all to secure payment of the Indebtedness and to secure performance by Trustor of the terms, covenants and provisions hereof. Upon the occurrence of an Event of Default under this Deed of Trust, Beneficiary, pursuant to the appropriate provisions of the UCC, shall have the option of proceeding with respect to the Collateral in accordance with its rights and remedies with respect to the real property, in which event the default provisions of the UCC shall not apply. The parties agree that, in the event Beneficiary shall elect to proceed with respect to the Collateral separately from the real property, ten (10) days' notice of the sale of the Collateral shall be reasonable notice. The reasonable expenses of retaking, holding, preparing for sale, selling and the like incurred by Beneficiary shall include, but not be limited to, reasonable attorneys' fees and legal expenses incurred by Beneficiary. Trustor agrees that, without the written consent of Beneficiary, Trustor will not remove or permit to be removed from the Premises any of the Collateral except that so long as the Trustor is not in default hereunder, Trustor shall be permitted to sell or otherwise dispose of the Collateral, when obsolete, worn out, inadequate, unserviceable or unnecessary for use in the operation of the Premises, upon replacing the same or substituting for the same other Collateral at least equal in value to the initial value to that disposed of and in such a manner so that said Collateral shall be

subject to the security interest created hereby, and so that the security interest of Beneficiary shall be first in priority, it being expressly understood and agreed that all replacements of the Collateral and any additions to the Collateral shall be and become immediately subject to the security interest of this Deed of Trust and covered hereby. Trustor shall, from time to time, on request of Beneficiary, deliver to Beneficiary an inventory of the Collateral in reasonable detail. Trustor covenants and represents that all Collateral, and all replacements thereof, substitutions therefor or additions thereto, unless Beneficiary otherwise consents, now are and will be free and clear of liens (other than the lien of taxes not yet due or payable), encumbrances or security interests of others. Trustor shall, upon demand execute and deliver to Beneficiary such financing statements and other documents in form satisfactory to Beneficiary, and will do all such acts and things as Beneficiary may at anytime, or from time to time, reasonably request or as may be necessary or appropriate to establish and maintain a first perfected security interest in the Deposits and Collateral, subject to no liens (other than the lien of taxes not yet due or payable), encumbrances, or security interests of others.

This Deed of Trust also constitutes a financing statement for the purpose of the UCC and shall constitute a "fixture filing" under such statutes and shall be filed in the real estate records of the County in which the Land is located. The Trustor hereby authorizes the Beneficiary to file all financing statements (including continuation statements and amendments) evidencing the security interest granted to the Beneficiary in the Collateral with all appropriate filing jurisdictions. 30. **Due on Sale or Further Encumbrance.** (a) If, without the Beneficiary's prior written consent, (i) the Premises or any part thereof or any interest in the Premises or the Trustor is sold or conveyed; (ii) title to the Premises or any interest therein is divested; (iii) the Premises or any ownership interest in the Trustor is further encumbered or pledged; (iv) any lease which gives the lessee any option to purchase the Premises or any part thereof is entered into, or, (v) without limiting the generality of clause (i) above, the ownership of shares of the Trustor, if a corporation, or of any corporate general partner of Trustor, if a partnership, or the general partnership interests in any partnership which is a general partner of Trustor, or any membership interest in a Trustor which is a limited liability company, or any beneficial or fiduciary interest in any Trustor which is a trust or trustee, is sold or conveyed, the Beneficiary shall at its sole discretion be entitled to accelerate the Indebtedness and declare the then unpaid principal balance and all accrued interests and other sums due and payable under the Note due and payable and exercise all remedies available to Beneficiary under the Loan Documents. The Trustor understands that the present ownership of the Premises and Improvements will be a material inducement to Beneficiary in the making of the loan secured by this Deed of Trust. Any consent by Beneficiary to a change in ownership or to a change in the composition of the Trustor may be conditioned upon payment of a transfer fee equal to one percent (1%) of the then outstanding Indebtedness for processing such request for consent, upon an increase in the rate of interest on the unpaid balance of the Indebtedness to a then-current market rate, and/or other terms and conditions as Beneficiary may impose in its sole discretion.

(b) Notwithstanding the foregoing subparagraph (a), Beneficiary will permit one transfer of the Premises on and after the first day of March 2019, provided: (i) the transferee has a financial and credit standing and management expertise acceptable to Beneficiary as equal to or greater than that of Trustor as of the date of the original approval of the Loan; (ii) assumption documents in form and substance satisfactory to Beneficiary are executed by the transferee; (iii) Beneficiary is paid a transfer fee equal to one percent (1%) of the then outstanding indebtedness and Trustor reimburses Beneficiary all fees and expenses associated with the transfer including legal fees; (iv) Beneficiary receives an endorsement to the Beneficiary's title policy, in form and substance acceptable to Beneficiary; and (v) Beneficiary receives opinions of counsel and Trustor and transferee authorization documents, in form and substance acceptable to Beneficiary. Further, Beneficiary, in its sole judgment and discretion, may require individuals specifically named by Beneficiary to deliver to Beneficiary an Environmental Indemnification Agreement on Beneficiary's standard form. The rights granted to Trustor in this subparagraph (b) are personal to Trustor, shall be extinguished after the exercise thereof, and shall not inure to the benefit of any subsequent transferee. Such transfer and assumption will not, however, release the Trustor or any guarantors from any liability to the Beneficiary without the prior written consent of Beneficiary, which consent may be given or withheld in Beneficiary's sole discretion, but if given, may be conditioned upon, without limitation, the execution of new guaranties from principals of the transferee as Beneficiary deems necessary, execution by the principals of the transferee of Beneficiary's standard Environmental Indemnification Agreement and such other requirements as Beneficiary may deem appropriate in its discretion. No transfer shall be permitted under this subparagraph 30(b) within the first five (5) Loan Years.

(c) Notwithstanding the foregoing subparagraph (a) Beneficiary will permit the following transfers of ownership interests in Trustor without the 1% fee or any change in the loan terms provided that: (i) no Event of Default shall have occurred and be continuing hereunder or under the Loan Documents or any separate documents guarantying Trustor's payment and the performance of the Loan; (ii) Beneficiary is promptly notified of such proposed transfer and provided with such documentation evidencing the transfer and identity of the transferee as reasonably requested by Beneficiary; (iii) assumption documents, if deemed necessary by the Beneficiary, in a form that is acceptable to Beneficiary are executed by the transferee; and (iv) Trustor reimburses Beneficiary for all fees and expenses including reasonable attorney's fees associated with Beneficiary's review and documentation of the transfer:

(1) Any ownership interest in the Trustor may be transferred upon the death of the owner of said interest but only by will or intestacy.

(2) Any ownership interest in the Trustor may be voluntarily sold, transferred, conveyed or assigned to third parties, provided that at all times there exists a minimum of 51% ownership and control of the Premises and the Trustor by parties owning an ownership interest in Trustor as of the date hereof.

(3) Any ownership interest in the Trustor may be voluntarily sold, transferred or conveyed or assigned to another person owning an ownership interest in the Trustor as of the date hereof.

(d) Notwithstanding the foregoing subparagraph (a), Trustor represents and warrants that 100% of the membership and economic interest in the Trustor has been pledged as security for a mezzanine loan made by Property Holdings V, L.L.C. ("Mezzanine Lender") pursuant to the certain Loan Agreement between and among Mezzanine Lender, Elk Ridge Holdings, LLC ("ERH") and Dial Realty Investment Properties II, LLC ("Dial"), dated February 14, 2008, as amended by the Amendment to Loan Agreement dated February 25, 2010 and by the Second Amendment to Loan Agreement dated as of on or about this same date (the "Mezzanine Financing"). Beneficiary shall permit the Mezzanine Financing to remain in place, provided that:

(i) the Mezzanine Lender, the Mezzanine Financing Documents (as defined below), and the form and terms of the Mezzanine Financing shall be satisfactory in all respects to Beneficiary;

(ii) the Mezzanine Lender confirms that it has not and shall not (during the term of the Loan) seek or accept a pledge of or security interest in, or otherwise encumber, all or any part of the Premises;

(iii) no additional sums may be advanced by Mezzanine Lender over and above the face amount of the Amended and Restated Promissory Note dated February 25, 2010 by ERH evidencing the indebtedness of the Mezzanine Financing;

(iv) no amendments or modifications may be made to the Mezzanine Financing Documents without the prior written consent of Beneficiary;

(v) the Mezzanine Lender shall expressly acknowledge the priority of the debt, liens and security interests of the Loan and agree to provide Beneficiary with written notice of any default under the Mezzanine Financing in an intercreditor agreement in form and substance satisfactory to Beneficiary, in its sole and absolute discretion, which shall include, among other things, a standstill provision acceptable to Beneficiary;

(vi) Any uncured default after applicable grace period and notice under the Mezzanine Financing shall, at Beneficiary's option, constitute an Event of Default under this Deed of Trust; and

(vii) The proceeds of the Mezzanine Financing may only be used for purposes stated in the Mezzanine Financing Documents.

As used herein, "Mezzanine Financing Documents" means the Loan Agreement, the Amendment to Loan Agreement and the Second Amendment to Loan Agreement described above, the Amended and Restated Promissory Note described above, the Pledge Agreement by ERH, dated February 14, 2008, as amended February 25, 2010, as amended by and restated in the Amended and Restated Pledge Agreement dated as of on or about this same date, and the Pledge Agreement by Dial, dated February 14, 2008, as amended February 25, 2010 as amended by and restated in the Amended and Restated Pledge Agreement dated as of on or about this same date.

(ii) all claims made or threatened by any individual or entity against Trustor or the Premises relating to any loss or injury allegedly resulting from any Hazardous Substance; and

All Remedial Work shall be performed by contractors approved in advance by Beneficiary (which approval in each case shall not be unreasonably withheld or delayed) and under the supervision of a consulting engineer approved in advance by Beneficiary. All costs and expenses of such Remedial Work (including without limitation the reasonable fees and expenses of Beneficiary's counsel) incurred in connection with monitoring or review of the Remedial Work shall be paid by Trustor. 34. **Relationship.** Beneficiary is only a lender under the Loan Documents, and nothing contained in this Deed of Trust or the other Loan Documents and no action taken by the parties pursuant hereto shall be deemed to constitute the Beneficiary and any other of the parties to any of the Loan Documents a partnership, an association, a joint venture or other entity, nor constitute Beneficiary as a fiduciary for any of the parties.

35. **Governing Law.** This Deed of Trust shall be governed by the laws (excluding conflicts of laws rules) of Nebraska.

36. **Time of Essence.** Time is of the essence in the performance by the parties of this Deed of Trust.

39. **Integration.** This Deed of Trust, together with the other Loan Documents and the certain Environmental Indemnification Agreement executed by Trustor, constitute the entire agreement between the parties hereto pertaining to the subject matters hereof and thereof and supersede all negotiations, preliminary agreements and all prior or contemporaneous discussions and understandings of the parties hereto in connection with the subject matters hereof and thereof.

40. **Substitute Trustee.** If, for any reason, Beneficiary prefers to appoint a substitute Trustee hereunder, Beneficiary may, from time to time, by written instrument, appoint one or more substitute Trustees, who shall succeed to all the estate, rights, powers, and duties of the original Trustee named herein. Any amounts payable to Beneficiary by reason of the application of this Paragraph shall become immediately due and payable and shall bear interest at the Default Rate (as defined in the Note) from the date loss or damage is sustained by Beneficiary until paid. The term "Losses" shall mean any and all claims, suits, liabilities (including, without limitation, strict liabilities), actions, proceedings, obligations, debts, damages, losses, costs, expenses, fines, penalties, charges, fees, judgments, awards, amounts paid in settlement of whatever kind or nature (including but not limited to attorneys' fees and other costs of defense). (b) Upon written request by any Indemnified Party, Trustor shall defend such Indemnified Party (if requested by any Indemnified Party, in the name of the Indemnified Party) by attorneys and other professionals approved by the Indemnified Parties. Notwithstanding the foregoing, any Indemnified Parties may, in their sole discretion, engage their own attorneys and other professionals to defend or assist them, and, at the option of the Indemnified Parties, their attorneys shall control the resolution of any claim or proceeding. Upon demand, Trustor shall pay or, in the sole discretion of the Indemnified Parties, reimburse, the Indemnified Parties for the payment of reasonable fees and disbursements of attorneys, engineers, environmental consultants, laboratories and other professionals in connection therewith.

(c) Trustor shall, at its sole cost and expense, protect, defend, indemnify, release and hold harmless the Indemnified Parties from and against any and all Losses imposed upon or incurred by or asserted against any Indemnified Parties and directly or indirectly arising out of or in any way relating to any tax on the making and/or recording of this Deed of Trust, the Note or any of the other Loan Documents.

43. **Miscellaneous.**

(a) This Deed of Trust and all provisions hereof shall extend to and be binding upon Trustor and its heirs, successors, grantees and assigns, any subsequent owner or owners of the Premises and all persons claiming under or through Trustor (but this clause shall not be construed as constituting the consent by Beneficiary to the transfer of any interest in the Premises), and the word "Trustor" when used herein shall include any such person and all

persons liable for the payment of the Indebtedness or any part thereof, whether or not such persons shall have executed said Note or this Deed of Trust. The word "Beneficiary," when used herein, shall include the successors and assigns of Beneficiary, and the holder or holders, from time to time, of the Note secured hereby. In addition, in the event Trustor is a land trust or similar entity, the term "Trustor" as used herein shall include the beneficiary or beneficiaries of such land trust or similar entity.

(b) In the event one or more of the provisions contained in this Deed of Trust or the Note secured hereby, or in any other security documents given to secure the payment of the Note secured hereby, shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall, at the option of Beneficiary, not affect any other provision of this Deed of Trust, and this Deed of Trust shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein or therein.

(c) The Trustor will, from time to time, upon ten (10) business days' prior written request from Beneficiary, make, execute, acknowledge and deliver to Beneficiary such supplemental mortgages, certificates and other documents, including without limitation UCC financing statements, as may be necessary for better assuring and confirming unto Beneficiary any of the Premises, or for more particularly identifying and describing the Premises, or to preserve or protect the priority of this Deed of Trust lien, and generally do and perform such other acts and things and execute and deliver such other instruments and documents as may reasonably be deemed necessary or advisable by Beneficiary to carry out the intentions of this Deed of Trust.

(d) Trustor shall not by act or omission permit any building or other improvement on any premises not subject to the lien of this Deed of Trust to rely on the Premises or any part thereof or any interest therein to fulfill any municipal or governmental requirement, and Trustor hereby assigns to Beneficiary any and all rights to give consent for all or any portion of the Premises or any interest therein to be so used. Similarly, no building or other Improvement on the Premises shall rely on any premises not subject to the lien of this Deed of Trust or any interest therein to fulfill any governmental or municipal requirement. Trustor shall not by act or omission impair the integrity of the Premises as a single zoning lot separate and apart from all other premises. Any act or omission by Trustor which would result in a violation of any of the provisions of this paragraph shall be void.

(e) Trustor will, from time to time, upon ten (10) business days' prior written request by Beneficiary, execute, acknowledge and deliver to Beneficiary, a certificate stating that this Deed of Trust is unmodified and in full force and effect (or, if there have been modifications, that this Deed of Trust is in full force and effect as modified and setting forth such modifications) and stating the principal amount secured hereby and the interest accrued to date on such principal amount. The estoppel certificate from Trustor shall also state to the best knowledge of Trustor whether any offsets or defenses to the Indebtedness exist and if so shall identify them.

(f) The Note secured hereby includes provisions for the assessment of a Late Charge, as defined therein. Said Late Charge shall be secured hereby as Indebtedness, as that term is used herein.

(g) Beneficiary shall have the right and option to exercise power of sale or to commence a civil action to foreclose this Deed of Trust and to obtain a decree of foreclosure. The failure to join any such tenant or tenants as party defendant or defendants in any such civil action or the failure of any decree of foreclosure and sale to foreclose their rights shall not be asserted by Trustor as a defense in any civil action instituted to collect the Indebtedness, or any part thereof, or any deficiency remaining unpaid after foreclosure and sale of the Premises, any statute or rule of law at any time existing to the contrary notwithstanding.

(h) At the option of Beneficiary, this Deed of Trust shall become, subject and subordinate, in whole or in part (but not with respect to priority of entitlement to insurance proceeds or any award in condemnation) to any one or more, or to all, Leases upon the execution by Beneficiary and recording or registration thereof, at any time hereafter, in the Office of the Recorder in and for the county wherein the Premises are situated, or such other office as determined by Beneficiary, of a unilateral declaration to that effect.

(i) In the event that maturity of the Indebtedness is accelerated by Beneficiary because of the occurrence of an Event of Default hereunder and a tender of payment is made by or on behalf of Trustor in the amount necessary to satisfy the Indebtedness at any time prior to judicial confirmation or other conclusion if confirmation is not required, of a foreclosure sale or sale under a power of sale, then such tender shall constitute a prepayment under the Note and shall, to the extent specified in the Note, require payment of the prepayment premium provided for in the Note.

(j) All agreements between Trustor and Beneficiary (including, without limitation, those contained in this Deed of Trust and the Note) are expressly limited so that in no event whatsoever shall the amount paid or agreed to be paid to the Beneficiary exceed the highest lawful rate of interest permissible under the laws of Nebraska. If, from any circumstances whatsoever, fulfillment of any provision hereof or the Note or any other documents securing the Indebtedness at the time performance of such provision shall be due, shall involve the payment of interest exceeding the highest rate of interest permitted by law which a court of competent jurisdiction may deem applicable hereto, then, ipso facto, the obligation to be fulfilled shall be reduced to the highest lawful rate of interest permissible under the laws of Nebraska; and if for any reason whatsoever Beneficiary shall ever receive as interest an amount which would be deemed unlawful, such interest shall be applied to the payment of the last maturing installment or installments of the principal Indebtedness (whether or not then due and payable) and not to the payment of interest.

(k) Trustor covenants and agrees that it shall constitute an Event of Default hereunder if any of the proceeds of the loan for which the Note is given will be used, or were used, as the case may be, for the purpose (whether immediate, incidental or ultimate) of purchasing or "carrying" any "margin stock" as such terms are defined in Regulation U of the Board of

Governors of the Federal Reserve System (12 CFR Part 221) or for the purpose of reducing or retiring any indebtedness which was originally incurred for any such purpose.

(l) Trustor shall exert its best efforts to include a "no lien" provision in any property management agreement hereafter entered into by Trustor with a property manager for the Premises, whereby the property manager waives and releases any and all construction lien rights that he, or anyone claiming through or under such manager, may have. Such property management agreement containing such "no lien" provision or a short form thereof shall, at Beneficiary's request, be recorded in the office of the recorder in and for the County wherein the Premises is situated, or such other office as reasonably requested by Beneficiary.

(m) Trustor agrees and acknowledges that this Deed of Trust contains the power of sale which creates substantially different rights and obligations for Trustor from those contained in a mortgage in case of an Event of Default or breach of any obligation hereunder.

44. **Waiver of Co-Tenancy Rights.** Trustor, and each party comprising Trustor, hereby waive all of their co-tenancy rights provided at law or in equity for tenants in common between, among or against each other, including, without limitation, any right to partition the Premises.

45. **ERISA.** Trustor hereby represents, warrants and agrees that as of the date hereof, none of the investors in or owners of the Trustor is an employee benefit plan as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974 as amended, a plan as defined in Section 4975(e)(1) of the Internal Revenue Code of 1986 as amended, nor an entity the assets of which are deemed to include plan assets pursuant to Department of Labor regulation Section 2510.3-101 (the "Plan Asset Regulation"). Trustor further represents, warrants and agrees that at all times during the term of the Loan the Trustor shall not be deemed to include plan assets. If at any time during the entire term of the Loan any of the investors in or owners of the Trustor shall include a plan or entity described in the first sentence of this Paragraph, Trustor shall as soon as reasonably possible following an investment by such a plan or entity, provide Beneficiary with an opinion of counsel reasonably satisfactory to Beneficiary indicating that the assets of the Trustor are not deemed to include plan assets pursuant to the Plan Asset Regulation. In lieu of such an opinion, the Beneficiary may in its sole discretion accept such other assurances from the Trustor as are necessary to satisfy Beneficiary in its sole discretion that the assets of the Trustor are not deemed to include plan assets pursuant to the Plan Asset Regulation. Trustor understands that the representations and warranties herein are a material inducement to Beneficiary in the making of the Loan, without which Beneficiary would have been unwilling to proceed with the closing of the Loan.

Notwithstanding anything herein to the contrary, any transfer permitted pursuant to the terms of this Deed of Trust (including without limitation, those described in Paragraph 30) shall be subject to compliance with the provisions of this Paragraph (ERISA). Any such proposed transfer that would violate the terms of this Paragraph or otherwise cause the Loan to be characterized as a prohibited transaction under ERISA shall be prohibited under the terms of the Loan Documents.

46. **Marshaling of Assets.** Trustor for itself and all others who may claim by, through or under it, waives any and all rights to have the Premises, or any part thereof, marshaled upon any foreclosure of the lien hereof and agrees that any court having jurisdiction to foreclose such lien may order the Premises sold as an entirety. In case any sale under this Deed of Trust occurs by virtue of judicial proceedings, the Premises may be sold in one parcel and as an entity, or in such parcels, manner or order as the Beneficiary in its sole discretion may elect.

47. **WAIVER OF JURY TRIAL.** THE PARTIES HERETO, AFTER CONSULTING OR HAVING HAD THE OPPORTUNITY TO CONSULT WITH COUNSEL, KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVE ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN ANY LITIGATION BASED ON OR ARISING OUT OF THIS AGREEMENT OR INSTRUMENT, OR ANY RELATED INSTRUMENT OR AGREEMENT, OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY OR ANY COURSE OF CONDUCT, DEALING, STATEMENTS, WHETHER ORAL OR WRITTEN, OR ACTION OF ANY PARTY HERETO. NO PARTY SHALL SEEK TO CONSOLIDATE BY COUNTERCLAIM OR OTHERWISE, ANY SUCH ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. THESE PROVISIONS SHALL NOT BE DEEMED TO HAVE BEEN MODIFIED IN ANY RESPECT OR RELINQUISHED BY ANY PARTY HERETO EXCEPT BY A WRITTEN INSTRUMENT EXECUTED BY ALL PARTIES.

IMPORTANT: READ BEFORE SIGNING. THE TERMS OF THIS AGREEMENT SHOULD BE READ CAREFULLY BECAUSE ONLY THOSE TERMS IN WRITING ARE ENFORCEABLE. TRUSTOR ACKNOWLEDGES AND AGREES THAT THERE ARE NO OTHER TERMS OR ORAL PROMISES NOT CONTAINED IN THIS WRITTEN CONTRACT AND NO SUCH OTHER TERMS AND PROVISIONS MAY BE LEGALLY ENFORCED. YOU MAY CHANGE THE TERMS OF THIS AGREEMENT ONLY BY ANOTHER WRITTEN AGREEMENT.

CREDIT AGREEMENT. A CREDIT AGREEMENT MUST BE IN WRITING TO BE ENFORCEABLE UNDER NEBRASKA LAW. TO PROTECT YOU (TRUSTOR) AND US (BENEFICIARY) FROM ANY MISUNDERSTANDINGS OR DISAPPOINTMENTS, ANY CONTRACT, PROMISE, UNDERTAKING, OR OFFER TO FOREBEAR REPAYMENT OF MONEY OR TO MAKE ANY OTHER FINANCIAL ACCOMMODATION IN CONNECTION WITH THIS LOAN OF MONEY OR GRANT OR EXTENSION OF CREDIT, OR ANY AMENDMENT OF, CANCELLATION OF, WAIVER OF, OR SUBSTITUTION FOR ANY OR ALL OF THE TERMS OR PROVISIONS OF ANY INSTRUMENT OR DOCUMENT EXECUTED IN CONNECTION WITH THIS LOAN OF MONEY OR GRANT OR EXTENSION OF CREDIT, MUST BE IN WRITING TO BE EFFECTIVE.
